1 (The meeting was called to order at 7:34 p.m.)

2 MAYOR VEGLIANTE: All right. As most of
3 you know, every day we have a call with Suffolk
4 County. It consists of all the governments in
5 Suffolk County. It's usually attended by 250
6 people, and we usually get -- everybody gets an
7 opportunity to talk about what's going on.
8 Paramount to our position, we were very concerned
9 about the beach, because Cupsogue and Smith Point
10 are the two -- Cupsogue, are the two Suffolk
11 County beaches that will be open for the weekend.

12 So Steve Bellone was very kind last week,
13 after I had given -- given him a little
14 incentive. I had written him an email telling
15 him that I was unhappy with the fact that we were
16 not included in the conversations about the
17 opening of the beach and that I had to find out
18 by the news report that night. He called me
19 immediately after receiving it. I was very
20 surprised, but within 20 minutes of the email
21 going to him, he responded and called me. He was
22 very apologetic and said he'd be working with us
23 for the plan on how to open.

24 We had a subsequent conversation today at
25 the General Meeting, and we have set up a meeting

1 tomorrow for some time in the afternoon with
2 Steve Bellone, myself, Tim and Brian. They'll
3 both be on and we'll discuss how they're going to
4 monitor it, because one of the problems are that
5 there are two parking lots within the Village
6 with no attendants. One is on the bay just east
7 of Cove Lane, and the other is on the ocean just
8 east of Dune Lane.

9 And not having any attendants and keeping
10 them limited to 50%, we -- what I decided, what I
11 discussed with Steve was to get a full -- the
12 full count of cars that would normally be
13 permitted in those lots. If, say, you had a
14 number of 20, then just put a sign up at the
15 beginning of -- at the entrance to the lot,
16 "No More Than 10 Cars", because they have to
17 limit it to 50%. He thought that was a good
18 idea, but we'll refine that as it goes along.
19 And we'll have a conversation with Brian, and
20 Tim, and myself and Steve.

21 So, other than that, we've met five of the
22 seven criteria to be reopened. We're very close
23 to a sixth, sixth portion, and, hopefully, we'll
24 make that.

25 The seventh criteria is the number of

1 testing, which really has nothing to do with
2 whether or not this disease is on the
3 down-stroke. By today's numbers from the County
4 Health Department is very clear that all of the
5 numbers have been reduced by a significant
6 amount, and that we are probably easily within
7 the parameters necessary to reopen.

8 So I think we're going to have a chance to
9 discuss that all through the week, but I think as
10 the time goes on, it will become more and more
11 clear that reopening will be fairly substantial
12 and fairly quickly.

13 There are several villages and some -- and
14 the Town of Brookhaven, as a matter of fact, that
15 are going to be issuing street-side open-air
16 restaurant ability, and it looks as though that's
17 going through.

18 So these are some of the uptick issues that
19 I'm very happy about, and we can look forward to
20 it. We're really doing well in the control of
21 this disease. So that's the Suffolk uptick.

22 TRUSTEE TRIMARCHI: We're going -- we're
23 going to make sure that we are not going to open
24 until we comply with all seven points of the
25 criteria to open.

1 MAYOR VEGLIANTE: Well, actually, we as a
2 Village, Gary, is that what you mean?

3 TRUSTEE TRIMARCHI: Yeah.

4 MAYOR VEGLIANTE: Yeah. Well, actually,
5 we're -- the beaches are going to be open, so --

6 TRUSTEE TRIMARCHI: Well, the beaches have
7 been approved to be open.

8 MAYOR VEGLIANTE: Right.

9 TRUSTEE TRIMARCHI: And our beaches are
10 private beaches -- oh, no, they're not. They're
11 public beaches, excuse me.

12 MAYOR VEGLIANTE: Our beaches are public.

13 TRUSTEE TRIMARCHI: But there's nowhere
14 for -- I mean, that's not an issue.

15 MAYOR VEGLIANTE: No, no, and it really --
16 I mean, realistically, the most essential part
17 and one of the best methods of defense for this
18 disease is to be in the sunlight and out in the
19 warm weather. As long as the distancing is
20 intact, we should be fine.

21 TRUSTEE TRIMARCHI: Yeah.

22 MAYOR VEGLIANTE: And, really, people got
23 to get out, and they're fighting to get out.

24 TRUSTEE TRIMARCHI: But the last -- I mean,
25 we need to comply with all seven restrictions.

1 MR. VICKERS: Did you see how many -- did
2 you seen how many cars were at Pike's Beach this
3 weekend?

4 MAYOR VEGLIANTE: Yes. It's wonderful,
5 isn't it?

6 (Laughter)

7 MAYOR VEGLIANTE: I just want to remind --
8 Stanley, I just want to remind everyone, there's
9 \$26 million worth of sand on that beach paid for
10 by the general public. Our public positions --

11 MR. VICKERS: And it's beautiful.

12 MAYOR VEGLIANTE: I know, it looks
13 beautiful. But, subsequently, our public
14 position is never against public access.

15 MR. VICKERS: Of course not, but there were
16 a lot.

17 TRUSTEE TRIMARCHI: But, I mean, because
18 the beaches -- because Pike's is limited to the
19 parking spaces --

20 MAYOR VEGLIANTE: Right.

21 TRUSTEE TRIMARCHI: -- it's a nonissue.

22 MAYOR VEGLIANTE: Right. And what -- Stan,
23 what they're going to be doing, what I've
24 impressed on Steve is that -- well, Pike's Beach,
25 as you know, is a Town beach, not a County beach.

1 I've impressed this upon Jay Schneiderman as
2 well. He, by the way, has not announced whether
3 he's going to have lifeguard beaches at Pike's,
4 and he has not announced whether or not he's
5 going to open the bathrooms. So I said to him
6 he's going to need that, someone stationed there.
7 We cannot be required -- we cannot be in charge
8 of the admittance to Pike's Beach, we just don't
9 have the personnel.

10 TRUSTEE TRIMARCHI: So it would be
11 ridiculous for him to try to open a beach like
12 that.

13 MAYOR VEGLIANTE: Right.

14 TRUSTEE TRIMARCHI: And I don't know how
15 many cars they have. Maybe they got 100 parking
16 spaces, 120 parking spaces.

17 MAYOR VEGLIANTE: Well, on the bay, on the
18 bay and the ocean, over 250 parking lot spots.

19 TRUSTEE TRIMARCHI: Okay. So without a
20 bathroom, how would the Board of Health even let
21 you want to open a beach without a bathroom?

22 MAYOR VEGLIANTE: That's -- those are
23 significant questions, and, you know, he has to
24 answer them, not us. We have nothing to do with
25 that, other than that if it's --

1 TREASURER VEGLIANTE: What if they don't
2 open?

3 MAYOR VEGLIANTE: I don't know if they're
4 going to open. They have not stated yet whether
5 they will or won't.

6 CLERK SADELI: Gary?

7 MAYOR VEGLIANTE: What?

8 CLERK SADELI: Gary, we lost Barry.

9 MAYOR VEGLIANTE: We lost Barry? He's
10 still with us.

11 CLERK SADELI: But that's okay, because we
12 have a -- we have a quorum, but I don't know
13 where he went.

14 TREASURER VEGLIANTE: I see him there.

15 MAYOR VEGLIANTE: I see him.

16 CLERK SADELI: Oh, I don't see him.

17 MAYOR VEGLIANTE: I do.

18 TRUSTEE CRAIG: Well, he's there, but you
19 just don't see him.

20 CLERK SADELI: No. Like I had him on my
21 screen, his hologram, and now he's gone.

22 TRUSTEE GOLDFEDER: No, I'm here. No, I'm
23 on.

24 TRUSTEE TRIMARCHI: He'll come back on.

25 TRUSTEE GOLDFEDER: I'm here.

1 CLERK SADELI: Okay. Now I see you. You
2 know what happened? So many people joined the
3 meeting, that the Board Members got put to a
4 second page, so maybe he was --

5 MAYOR VEGLIANTE: Yeah.

6 CLERK SADELI: -- on the second page.

7 MAYOR VEGLIANTE: He's here, yeah.

8 CLERK SADELI: Okay.

9 TRUSTEE GOLDFEDER: Yep.

10 TRUSTEE CRAIG: Gary.

11 MR. TABONE: Gary, I got a question for
12 you.

13 MAYOR VEGLIANTE: Who's that?

14 MR. TABONE: It's Chuck. Regarding --

15 MAYOR VEGLIANTE: Oh.

16 MR. TABONE: -- people going to the beach,
17 Cupsogue. We have a traffic problem when it's a
18 normal Sunday, a normal day, hot day, holiday --

19 MAYOR VEGLIANTE: Right, right.

20 MR. TABONE: -- at Widgeon Way. So now
21 that they're only going to let 50% of the people
22 in, what are we going to do about patrolling
23 Widgeon and some of the other side streets when
24 these people get turned away and they just want
25 to drive around and around and around waiting to

1 get back into the beach?

2 TRUSTEE TRIMARCHI: Well, what happens when
3 the beach is full all the time, which has
4 happened several times, especially during a good
5 season, and they get turned around and it will be
6 handled the same way, no?

7 MR. TABONE: Well, no. They park on my
8 street, that's how it gets handled.

9 TRUSTEE TRIMARCHI: Well, that's not --

10 MR. TABONE: They park on the street
11 waiting --

12 TRUSTEE TRIMARCHI: That's not fair.

13 MR. TABONE: -- for some cars to come out
14 of Cupsogue so they can go in.

15 TRUSTEE TRIMARCHI: They have to be shoo'd
16 along.

17 CLERK SADELI: I think -- I think Brian and
18 Tim are on the call. I think they were going to
19 address these.

20 MAYOR VEGLIANTE: Brian and Tim, if you're
21 on the call.

22 CLERK SADELI: I think they were going to
23 address these things at the end.

24 MAYOR VEGLIANTE: Yeah, okay, fine.

25 TRUSTEE TRIMARCHI: So let's wait for them.

1 MAYOR VEGLIANTE: No problem.

2 TRUSTEE TRIMARCHI: Let's wait for them to
3 come up for the Constabulary part.

4 CLERK SADELI: And I think that if we have
5 a question, for Lucia, the Stenographer, if
6 anybody joins and wants to ask a question, just
7 state your name so that Lucia can get it.

8 MAYOR VEGLIANTE: Right.

9 TRUSTEE TRIMARCHI: Okay. Let's keep --
10 let's keep moving.

11 MAYOR VEGLIANTE: Okay, Gary. All right.
12 We have the election, everybody, was scheduled
13 originally for June 19th, and that has now been
14 postponed to September. I believe the 15th,
15 Ang? Mid September. So the election will be
16 this September. I'm running with two Trustees,
17 and we'll talk a little bit more about that as we
18 get closer to the election time. That's a --
19 that was a big concern.

20 The beach, beach renourishment, as most of
21 you who have been out now have seen, is
22 spectacular, to say the least. It was a
23 \$25 million project. And, of course, it was
24 under of the terms of the stipulation, so we did
25 not have to contribute anything to it. It has

1 put the beach, I think, in the best condition
2 it's been in many years. They actually --

3 TRUSTEE TRIMARCHI: I can't remember a time
4 when it's been this big.

5 MAYOR VEGLIANTE: Yeah. They actually
6 outdid themselves. Our friends at the Corps have
7 been very good to us. As you know, we spent a
8 lot of time, you know, creating that
9 relationship, and we'll continue to do so.
10 The project is in place for another eight years,
11 and we're making arrangements for what happens
12 after that. And I just want to let you know the
13 Army Corps has been very responsive to all of our
14 questions.

15 The equipment for -- we have a new vehicle
16 coming to the Village. One of our vehicles has
17 gotten quite old, and last year cost us almost
18 \$4,000 in repairs. But we've gotten a very good
19 trade-in on that, so we're going to trade that in
20 and get a new vehicle.

21 The Executive Order, I extended the
22 Executive Emergency Order of the Village. That
23 doesn't affect any of us, it just gives us powers
24 if we need it.

25 Plover update: You know, with the big new

1 beach, the plovers have shown up to show their
2 appreciation for us and the beach, and they're
3 having a blast making a lot of little babies.
4 And we're hopeful that this season they'll be
5 able to get in, nest, birth the babies, fledge
6 them, and get them off the beach even quicker.
7 So it looks good.

8 If you're a homeowner and there's a string
9 line in front of your home --

10 TREASURER VEGLIANTE: Joe?

11 ATTORNEY PROKOP: Yeah.

12 MAYOR VEGLIANTE: If there's a -- oh,
13 there's Joey.

14 TREASURER VEGLIANTE: Oh, you are? All
15 right, because Angela didn't see that you were
16 there. Okay.

17 MAYOR VEGLIANTE: All right, good. Joe,
18 you joined us, right? Angela, unmute, unmute
19 Joe. Okay.

20 CLERK SADELI: He's unmuted.

21 MAYOR VEGLIANTE: Okay.

22 CLERK SADELI: He's been on for a while.

23 MAYOR VEGLIANTE: Okay. So, anyway, the
24 plovers are doing well. Hopefully, we'll be able
25 to have them up and out and off the beach

1 quickly, but you never know. But if you're a
2 homeowner and you have a string line in front of
3 your fence, in front of your home, and you have a
4 special need that you may need to try to have the
5 string line moved, please let us know in the
6 office, we'll see what we can do, but this is an
7 issue that is instilled by the Federal and State
8 Government. We have very, very little -- okay.

9 On more pleasant news, the tax bills all
10 went out on time. I'm sure everybody's thrilled
11 by that. But I will tell you, the increase in
12 the taxes was very small, to say the least,
13 somewhere around \$50 or so.

14 TREASURER VEGLIANTE: Less.

15 MAYOR VEGLIANTE: Less.

16 CLERK SADELI: Less.

17 MAYOR VEGLIANTE: Generally less, but -- so
18 we're very happy to tell you all we've been
19 getting all of this accomplished in the Village.
20 And the tax bills, we fought very hard, but we
21 kept it under the 2%, which this year was
22 actually less than 2%, as always, and the
23 increase was very little.

24 And considering what's going on with the
25 cost of healthcare and whatnot, mandated costs

1 alone, it's -- we've run a very frugal budget.

2 Seasonal rental permits: Please, everyone,
3 remember. I know this is a year where it's very
4 tough, many of us are struggling financially, and
5 if you want to rent your home, you still do need
6 to get a seasonal rental permit. The first
7 permit that you get -- you need a permit number
8 in order to advertise the property for rent. And
9 the first -- the permit is \$150, and then every
10 permit that you get after that is only what, Ang,
11 25?

12 CLERK SADELI: Twenty-five.

13 MAYOR VEGLIANTE: Twenty-five dollars.

14 TREASURER VEGLIANTE: In the same year.

15 MAYOR VEGLIANTE: And within the same year.
16 So, if you want to rent more than once, you know,
17 there's a minimum of two weeks minimum rental.
18 But when you want to rent, you have to buy the
19 first permit for \$150, and then every subsequent
20 permit, it will be 25, and the limits still
21 apply.

22 TRUSTEE TRIMARCHI: Angela, how many -- how
23 many permits have we been -- have -- people have
24 sent in?

25 MAYOR VEGLIANTE: To date, to date right

1 now, Gary, we only have about 15 or 16, Ang?

2 CLERK SADELI: Yep.

3 MAYOR VEGLIANTE: Fifteen or 16. We really
4 need to impress upon everyone --

5 CLERK SADELI: I have a few that are here
6 that Bob's got to issue, maybe like three or
7 four.

8 MAYOR VEGLIANTE: Yeah, but it's less than
9 20, Gary. We really --

10 CLERK SADELI: Yeah.

11 MAYOR VEGLIANTE: I mean --

12 CLERK SADELI: But, usually, we don't get
13 that many right now.

14 MAYOR VEGLIANTE: Yeah, we usually --

15 CLERK SADELI: This is actually more than
16 we usually get at this time.

17 MAYOR VEGLIANTE: Well, a lot of --

18 TRUSTEE TRIMARCHI: Well, that's because of
19 the virus.

20 CLERK SADELI: Yeah.

21 MAYOR VEGLIANTE: Well, a lot of people
22 rented early, that's correct, a lot of people did
23 rent early.

24 CLERK SADELI: Yeah.

25 MAYOR VEGLIANTE: So, hopefully, it will be

1 a good year for permits and everyone will comply,
2 because, of course, if you're not compliant, we
3 do have the case where someone has not complied
4 already and has been issued a ticket. So that's
5 a --

6 TREASURER VEGLIANTE: That's down \$4,000 on
7 rental --

8 MAYOR VEGLIANTE: What's that?

9 TREASURER VEGLIANTE: We're down \$4,000.

10 MAYOR VEGLIANTE: Well, this is only
11 beginning.

12 TREASURER VEGLIANTE: Yeah, but this is the
13 end of the year.

14 MAYOR VEGLIANTE: No. Oh.

15 TREASURER VEGLIANTE: Yeah, for me.

16 MAYOR VEGLIANTE: No, that's an extra. No,
17 please.

18 We have one -- we have already issued a
19 ticket for a rental violation, so that our Judge
20 will have to be hearing that.

21 And apparently, Joe, correct me if I'm
22 wrong, but I believe the first date for a Village
23 Justice is in June; is that correct?

24 ATTORNEY PROKOP: Right now, the courts are
25 closed, and they're hoping to open them in

1 June, yes.

2 MAYOR VEGLIANTE: Right.

3 TRUSTEE TRIMARCHI: Aren't they doing --
4 aren't these courts doing it virtual?

5 MAYOR VEGLIANTE: No.

6 TRUSTEE TRIMARCHI: I'm in a -- I'm in a
7 few litigations right now and they are -- they
8 are now -- in Nassau County they are producing
9 virtual --

10 MAYOR VEGLIANTE: Yeah.

11 TRUSTEE TRIMARCHI: -- court, court
12 appearances.

13 MAYOR VEGLIANTE: Yeah.

14 ATTORNEY PROKOP: As of 3:30, as of 3:30
15 this afternoon, the Administrative Judge in
16 Suffolk County would not let Village Courts do
17 virtual appearances. We tried. I tried for
18 several villages and he will not grant us that
19 ability.

20 TRUSTEE TRIMARCHI: So ridiculous.

21 MAYOR VEGLIANTE: Yeah. Well, we'll see
22 how it goes. You know, oftentimes, they cases
23 are fought -- you know, they're traffic
24 violations and whatnot, and the Administrative
25 Judge does not want to give it -- give us that

1 flexibility. Well, we'll see. Hopefully, we'll
2 be able to open. I believe, as I said, the way
3 the numbers are going, I believe that things will
4 be a lot calmer in another week or so.

5 TRUSTEE TRIMARCHI: Gary, just to go back
6 to the rental permit thing.

7 SERGEANT HENNIG: Gary, this Brian.

8 TRUSTEE TRIMARCHI: The people that --

9 MAYOR VEGLIANTE: Yeah, what about?

10 TRUSTEE TRIMARCHI: The people that were
11 issued a violation --

12 MAYOR VEGLIANTE: Yes.

13 TRUSTEE TRIMARCHI: -- have they complied
14 and then filed the permit?

15 MAYOR VEGLIANTE: I think they made a claim
16 that they didn't -- they have -- they don't have
17 it rented it now. It was a short-term rental,
18 which is a violation, and they had no permit,
19 which is a second violation, so they've gotten
20 tickets for that. Brian will be able to tell you
21 a little more about it.

22 TRUSTEE TRIMARCHI: Okay.

23 CLERK SADELI: Brian's on.

24 MAYOR VEGLIANTE: All right.

25 TRUSTEE TRIMARCHI: Well, no, let's wait

1 for Brian --

2 SERGEANT HENNIG: Can you hear me?

3 TRUSTEE TRIMARCHI: -- until they do
4 their --

5 CLERK SADELI: Yeah, we can hear you,
6 Brian.

7 SERGEANT HENNIG: Okay. No. Just we were
8 advised by the Court Clerk, if we issue summonses
9 now, to issue them through the August court date.
10 And I just found this out, Joe, so I was going to
11 email you out this tomorrow. But it -- that is
12 the first. That's when we are supposed to start
13 issuing summonses, too.

14 MAYOR VEGLIANTE: Well, luckily, the Court
15 Clerk does not make that call, but we'll see what
16 happens.

17 One of the -- one of the elections that
18 will be held in September will be for Village
19 Justice. Hopefully, we'll have a more
20 open-minded Court at that point. Let's see.

21 TRUSTEE EFF: Angela.

22 MAYOR VEGLIANTE: What?

23 CLERK SADELI: Yeah.

24 TRUSTEE EFF: Yeah, can I ask you a
25 question? With the permits, do you get most all

1 of them via mail, or do any of them get emailed
2 to you as attachments?

3 CLERK SADELI: No. In order for anybody to
4 get a rental permit, they need to come with a
5 check, and I can't get a check through email, so
6 I make everybody mail them in. If someone wants
7 to send it in through email, that's fine, but I
8 hold it in Bob's box until I receive the check,
9 and when Bob receives the check, that's when I'll
10 issue it, or Bob issues it.

11 TRUSTEE EFF: Because emailing it, and
12 especially if you could populate -- I was looking
13 at it today. You can actually pop -- if you
14 could actually populate electronically those
15 forms, it might be easier to have the -- have us
16 send it to you electronically, other than waiting
17 for it in the mail. It's just a thought.

18 CLERK SADELI: Well, either way, we
19 won't --

20 TRUSTEE TRIMARCHI: Right now, doesn't have
21 the banking ability to do that.

22 CLERK SADELI: Yeah. Either way, we don't
23 approve it or issue it until the check comes.

24 TRUSTEE TRIMARCHI: Right.

25 TRUSTEE EFF: Yeah. No, I know, I know.

1 I'm not talking about the payment, I'm talking
2 just about the forms.

3 MAYOR VEGLIANTE: Well, but the forms are
4 online.

5 TREASURER VEGLIANTE: Yeah.

6 TRUSTEE EFF: I know, but you can't --
7 they're PDF files and you can't --

8 MAYOR VEGLIANTE: Right.

9 TRUSTEE EFF: -- populate them, that's the
10 point. So, anyway, it's just an administrative
11 comment, that's all.

12 MAYOR VEGLIANTE: Okay.

13 CLERK SADELI: I can look into changing it.

14 MAYOR VEGLIANTE: Yeah.

15 TRUSTEE EFF: I think it would be. Just on
16 that, not on the rules, but just on the forms.

17 CLERK SADELI: Okay.

18 MAYOR VEGLIANTE: Yeah.

19 TRUSTEE EFF: It may make it easier
20 for you.

21 MAYOR VEGLIANTE: All right. That sounds
22 good.

23 Update on 656A Dune Road, the never-ending
24 story, but the bid was put out, it's out on the
25 street now. It's due to be open on the 27th,

1 Ang; is that correct?

2 CLERK SADELI: Twenty-seventh, yes.

3 MAYOR VEGLIANTE: Twenty-seventh. There
4 have been some problems, unfortunately. You
5 know, with this virus, it's been overwhelming for
6 all of us. But Nick Vero has been our architect
7 of choice, Gary, has been hard to reach, but
8 we're getting --

9 TRUSTEE TRIMARCHI: Oh, really? That's
10 amazing.

11 CLERK SADELI: Look at Gary's face.

12 TRUSTEE TRIMARCHI: Really?

13 (Laughter)

14 CLERK SADELI: You should have been here
15 today, Gary, it was great.

16 ATTORNEY PROKOP: Oh, yeah, Gary.

17 MAYOR VEGLIANTE: Yeah. Angela --

18 CLERK SADELI: You can't make it up,
19 really.

20 MAYOR VEGLIANTE: Angela --

21 TRUSTEE TRIMARCHI: So, listen, we've
22 been -- we put out, we published it, right?

23 MAYOR VEGLIANTE: It is out and there have
24 been --

25 CLERK SADELI: Yeah.

1 TRUSTEE TRIMARCHI: Okay.

2 MAYOR VEGLIANTE: -- several replies.

3 TRUSTEE TRIMARCHI: Finally.

4 CLERK SADELI: I've had many replies, more
5 than a dozen.

6 MAYOR VEGLIANTE: Yeah, we've got a good
7 number of replies. There's a lot of interest in
8 the bid. Hey, guys are looking for work. I
9 think the place is going to come in good. So
10 that's exciting. And that ends my whole spiel.

11 Next up, the Trustees get to talk about
12 whatever you want.

13 TRUSTEE TRIMARCHI: Angela.

14 CLERK SADELI: Yes.

15 TRUSTEE TRIMARCHI: Can you, please, send
16 me a copy of the proposals that have been
17 submitted already?

18 CLERK SADELI: I haven't received anything.
19 The bid opens not until 27th

20 TRUSTEE TRIMARCHI: Oh, I thought -- I
21 thought Gary just said there were many people
22 that --

23 MAYOR VEGLIANTE: Yeah, we had --

24 CLERK SADELI: Interested. I sent out a
25 lot of packets, but the --

1 TRUSTEE TRIMARCHI: Okay. So we have not
2 gotten a legal response yet?

3 MAYOR VEGLIANTE: Well --

4 CLERK SADELI: No. Then I wouldn't open
5 them anyways until the 27th.

6 MAYOR VEGLIANTE: Yeah, we can't them until
7 the 27th.

8 TRUSTEE TRIMARCHI: Okay. So you haven't
9 gotten one response yet?

10 CLERK SADELI: No.

11 TRUSTEE TRIMARCHI: Okay.

12 CLERK SADELI: But a lot of questions,
13 that's what we've been getting --

14 TRUSTEE TRIMARCHI: Okay.

15 CLERK SADELI: -- questions, and there are
16 a few people who have told me they are going to
17 bid.

18 MAYOR VEGLIANTE: Yeah, yeah. It's been
19 much, much more positive than the last bid,
20 but --

21 CLERK SADELI: Yeah.

22 MAYOR VEGLIANTE: You know, there are
23 always questions that they want --

24 TRUSTEE TRIMARCHI: Well, you're bidding on
25 a stick-built?

1 MAYOR VEGLIANTE: Yeah, but --

2 CLERK SADELI: Well, the last we didn't
3 even get a phone call.

4 TRUSTEE TRIMARCHI: No, because we were
5 bidding on a modular.

6 MAYOR VEGLIANTE: Right.

7 CLERK SADELI: Yeah.

8 TRUSTEE TRIMARCHI: But we'll see how these
9 bids come in on a stick-built versus the numbers
10 we have on the modular today.

11 MAYOR VEGLIANTE: Right, right

12 TRUSTEE TRIMARCHI: Okay.

13 MAYOR VEGLIANTE: All right?

14 TRUSTEE CRAIG: Where are we on the --
15 where are we on the permits, Gary?

16 MAYOR VEGLIANTE: On the what?

17 TRUSTEE CRAIG: On the permits.

18 TRUSTEE TRIMARCHI: We need permits?

19 TRUSTEE CRAIG: Yeah. Last I checked, you
20 need Health, State.

21 TRUSTEE TRIMARCHI: I thought we didn't
22 need permits.

23 MAYOR VEGLIANTE: We don't need anything
24 from the State. And my opinion, of course, I
25 know I'll have a great deal of difference on

1 this, is that we do not need a Board of Health
2 permit, but we will get the Board of Health
3 permit. Remember, the Board of Health is
4 mandated by a Federal Court order to issue a
5 permit, so they really --

6 TRUSTEE TRIMARCHI: Listen, if it doesn't
7 hurt us to get the Board of Health permit, we
8 should get it.

9 MAYOR VEGLIANTE: Of course, but I believe --

10 TRUSTEE TRIMARCHI: Well, they could --
11 they could possibly push severe --

12 MAYOR VEGLIANTE: They would be in contempt
13 of a Federal Court order. Believe me, they don't
14 want that fight, and they're not -- they're not
15 going to get it. All right. We'll get the
16 permit.

17 TRUSTEE TRIMARCHI: We should be able to
18 get the permit with no problem.

19 MAYOR VEGLIANTE: Absolutely, I agree, even
20 though we don't need it.

21 (Laughter)

22 TRUSTEE EFF: How many -- Gary, how many
23 construction projects do we have right now that
24 are ongoing, do you know, that have permits?

25 MAYOR VEGLIANTE: In the Village?

1 TRUSTEE EFF: Yeah.

2 MAYOR VEGLIANTE: You mean, prior, not --

3 TRUSTEE EFF: Yeah, prior, yeah.

4 MAYOR VEGLIANTE: Right now, I think --

5 Angela, you have what, maybe --

6 CLERK SADELI: I didn't realize. I had
7 muted myself, because they were vacuuming next
8 door, but I can go look. Hold on one second.

9 MAYOR VEGLIANTE: Yeah, check it out.

10 CLERK SADELI: Unless Bob took his book
11 home. I don't think so

12 MAYOR VEGLIANTE: Yeah. Probably, probably
13 four or five.

14 TRUSTEE EFF: Okay. So there's no -- there
15 won't be any restriction on anybody that's
16 already, or plans to do anything?

17 MAYOR VEGLIANTE: No, there's restrictions
18 on construction.

19 TRUSTEE EFF: There is?

20 MAYOR VEGLIANTE: Of course.

21 TRUSTEE TRIMARCHI: Yeah, right now there is.

22 CLERK SADELI: Oh, yeah.

23 TRUSTEE EFF: I'm just -- I'm just -- I
24 just want to clarify it, that's all.

25 TRUSTEE TRIMARCHI: We're still -- we are

1 still -- this County is still --

2 MAYOR VEGLIANTE: Right, locked down.

3 TRUSTEE TRIMARCHI: -- on pause, and until
4 they lift the on-pause, we're still restricted.

5 TREASURER VEGLIANTE: There's a couple that
6 are building now.

7 MAYOR VEGLIANTE: But if the work --
8 there's work going on.

9 CLERK SADELI: There's a couple on --

10 MAYOR VEGLIANTE: There's work that is
11 permitted in the Village. If they have an
12 engineer's report or a licensed architect report
13 that it's essential to the safety of the family
14 and --

15 TRUSTEE TRIMARCHI: Oh, of course.

16 MAYOR VEGLIANTE: -- or the community, they
17 can continue work.

18 TRUSTEE TRIMARCHI: Of course.

19 TRUSTEE EFF: May I interrupt?

20 TRUSTEE TRIMARCHI: But this is not -- that
21 does not stand for the normal construction of a
22 building.

23 MAYOR VEGLIANTE: Right, right, they can't
24 start a project.

25 TRUSTEE TRIMARCHI: No.

1 CLERK SADELI: And they can't start a new
2 project. There's a -- there's a couple of
3 projects going on right now. There's some
4 alterations.

5 MAYOR VEGLIANTE: Yeah, but how many are
6 actually --

7 CLERK SADELI: New homes.

8 MAYOR VEGLIANTE: How many active permits
9 do -- building permits do we have issued at this
10 point?

11 ATTORNEY PROKOP: Bob told me there's four
12 houses under construction right now.

13 CLERK SADELI: Yeah.

14 MAYOR VEGLIANTE: Yeah, probably three,
15 probably three or four.

16 CLERK SADELI: Yeah, that's what it looks
17 like. And then there's like some little things,
18 decks, things like that, but that has been put on
19 hold.

20 TRUSTEE TRIMARCHI: So I would be -- I
21 would be -- I would assume that Bob is keeping an
22 eye on these guys and keeping them in line.

23 MAYOR VEGLIANTE: Oh, yeah, absolutely.

24 CLERK SADELI: Yes.

25 MAYOR VEGLIANTE: Absolutely.

1 CLERK SADELI: Bob has actually been coming
2 in on Saturdays and going down there and --

3 MAYOR VEGLIANTE: Saturdays and Sundays.

4 CLERK SADELI: -- trying to limit his
5 exposure to the public, you know, because of his
6 age and the virus. But he comes into the office
7 when there's work that needs to be done, and he's
8 been going down like on Saturdays or Sundays when
9 it's quieter with construction, so that he can
10 see what is happening.

11 MAYOR VEGLIANTE: Yeah, he was in last
12 Thursday. He was in last Thursday on it.

13 CLERK SADELI: Right. And he's going to
14 come in -- he'll be in on Wednesday, too.

15 MAYOR VEGLIANTE: Yeah. But everything
16 is -- we're in good shape, everything's under
17 control. We have no problems, any work that's
18 going on. Although people have complained, it
19 has been certified by an engineer, it's required,
20 so we're in good shape.

21 I believe that by the end of this month, I
22 believe -- well, construction is the first that
23 they want to open up, and I believe it will be
24 opened up before June.

25 TRUSTEE TRIMARCHI: Hopefully.

1 MAYOR VEGLIANTE: Yeah, yeah. And that
2 should be it. All right. Trustees, what else
3 you got? You guys want to talk about anything?

4 TRUSTEE EFF: Yeah, I have another, another
5 point. Is there any way we could post a video of
6 the renourishment, like we have currently from
7 2014?

8 MAYOR VEGLIANTE: I don't know what we got.
9 We were going to -- what they did with the drone.

10 CLERK SADELI: I know Brian has some video.
11 I don't know if he's --

12 MAYOR VEGLIANTE: Yeah, Brian has some
13 video.

14 CLERK SADELI: -- has -- is willing to
15 share it. Brian, are you on?

16 SERGEANT HENNIG: Yeah, it's on
17 whdpca.org --

18 TRUSTEE CRAIG: I thought we had it --

19 SERGEANT HENNIG: -- as far as video and
20 photos.

21 TRUSTEE CRAIG: I thought we had it on the
22 Village website.

23 CLERK SADELI: That's the last one.

24 TRUSTEE EFF: We had the old one. We had
25 the old one --

1 CLERK SADELI: That's the last project.

2 TRUSTEE EFF: -- in 2014.

3 MAYOR VEGLIANTE: Well, that was the last
4 one.

5 CLERK SADELI: Right.

6 MAYOR VEGLIANTE: It's got that --

7 TRUSTEE GOLDFEDER: Hey, Brian.

8 MAYOR VEGLIANTE: It goes back to '95.

9 TRUSTEE GOLDFEDER: Hey, Brian, while
10 you're on, this is Barry. Do you guys have
11 enough equipment --

12 SERGEANT HENNIG: Yes, Barry.

13 TRUSTEE GOLDFEDER: Do you have enough
14 equipment and enough PPE stuff to put you through
15 to --

16 SERGEANT HENNIG: We do indeed, yes. The
17 County supplied us with three, three, several --
18 they gave us supplies three separate times. We
19 also -- I applied for two different grants
20 through an equipment provider and we got free --
21 all of this equipment was free, but we have
22 enough PPE to last us for quite some time --

23 MAYOR VEGLIANTE: Yeah.

24 SERGEANT HENNIG: -- including everything
25 from face shields, hospital gowns, N-95 masks,

1 ear loop masks, eight gallons of hand sanitizer.
2 We're doing pretty good.

3 TRUSTEE GOLDFEDER: Good, good, because I'm
4 sure your volume of traffic is going to pick up
5 considerably.

6 MAYOR VEGLIANTE: Yeah.

7 TRUSTEE EFF: Do we need --

8 SERGEANT HENNIG: We're -- yeah, we'll --

9 TRUSTEE EFF: Do we --

10 CLERK SADELI: Go ahead, Brian.

11 MAYOR VEGLIANTE: Go ahead, Brian.

12 SERGEANT HENNIG: No. I was going to say,
13 when you get -- when it comes to our turn, I'll
14 elaborate more on that, but go ahead.

15 TRUSTEE EFF: Do we need --

16 MAYOR VEGLIANTE: Did you have something,
17 John?

18 TRUSTEE EFF: Yeah. Do we need some
19 standardized signs about social distancing, you
20 know, in the beginning of the Village, and maybe
21 down toward the Constable's Headquarters? Maybe
22 use the existing bulletin boards that we got,
23 because right now, I mean, I was there yesterday,
24 and, I mean, we don't have anything about, you
25 know, any social -- I think maybe something like

1 that is appropriate, especially with the
2 onslaught of people we're going to get.

3 TRUSTEE TRIMARCHI: Well, if these people
4 haven't heard about it already, it would amaze me.

5 (Laughter)

6 TRUSTEE EFF: No, no, it's not a -- this is
7 not a question of people hearing about it. This
8 is really us broadcasting it as the Village
9 and --

10 TRUSTEE TRIMARCHI: No one reads that
11 bulletin board, you could be assured of that.

12 TRUSTEE EFF: No.

13 TRUSTEE TRIMARCHI: If you wanted to send
14 out a mass email to the residents, I think that
15 might be a good idea, or any other idea.

16 CLERK SADELI: The only other -- the only
17 other thing I've seen other villages do is
18 they've been making like the signs that -- like
19 the yard signs that stick in the ground --

20 TRUSTEE EFF: Right, right, that's --

21 CLERK SADELI: -- that say "social
22 distance".

23 TRUSTEE EFF: Yeah. I think they ought to
24 have --

25 SERGEANT HENNIG: Those signs don't do well

1 in our windy village.

2 TRUSTEE CRAIG: Yeah. I don't think we
3 need anymore Village signs blowing around.

4 TRUSTEE GOLDFEDER: Yeah. And I think the
5 onus should really be on Suffolk County to put
6 those signs up, if anybody does, at those parking
7 areas, like Atlantic Beach and the other one, as
8 the people exit their cars, yeah.

9 MAYOR VEGLIANTE: The County is claiming
10 they're going to be very, very good with signage.

11 TRUSTEE EFF: Okay.

12 MAYOR VEGLIANTE: They'll have a lot of
13 signs up. And they also -- they claim they're
14 going to have the electronic sign at the bridge.
15 When the park meets 50%, they're going to
16 announce that it's closed. So we're hopeful that
17 that will work.

18 TRUSTEE EFF: Yeah.

19 MAYOR VEGLIANTE: But, you know --

20 TRUSTEE EFF: As long as somebody puts it
21 up. We don't have to do it.

22 MAYOR VEGLIANTE: Yeah.

23 TRUSTEE TRIMARCHI: Well, that has worked
24 in the past, I think, when -- you know, just when
25 the park has been, you know, to the maximum of

1 the parking, when we did those signs, and that
2 seemed to have calmed things down pretty good in
3 the past.

4 MAYOR VEGLIANTE: Well, I will tell you,
5 we've already seen on today's call to the County
6 that this past weekend was inundated with a lot
7 of day-trippers, people actually coming out from
8 the City, because the good Mayor De Blasio
9 refuses to open his beaches. So many people from
10 the City have come out and found respite in the
11 Hamptons. So I do expect it's going to be a busy
12 weekend.

13 TRUSTEE TRIMARCHI: Yeah. Well, it's a
14 holiday weekend.

15 MAYOR VEGLIANTE: Yeah.

16 SERGEANT HENNIG: Yeah, Gary, if I could
17 just say something, it's Brian, again real quick.
18 Cupsogue, just so everybody knows, is only going
19 to be open this summer, well, at least in the
20 near future to Suffolk County residents only --

21 MAYOR VEGLIANTE: That's correct.

22 SERGEANT HENNIG: -- which is going to
23 eliminate a lot of that problem.

24 TRUSTEE TRIMARCHI: Well, the Suffolk
25 County residents will reach a 50% point, I'm

1 sure.

2 MAYOR VEGLIANTE: Oh, without a doubt. But
3 that sign will keep them --

4 SERGEANT HENNIG: Right, but anyone else
5 from --

6 MAYOR VEGLIANTE: -- from driving down the
7 road. The key is that's -- one of the problems
8 is that they're still going to be driving down
9 the road. That's --

10 TRUSTEE TRIMARCHI: Maybe that should be a
11 sign that goes up down by the bridge saying
12 "Suffolk County Residents Only" at the beach.

13 MAYOR VEGLIANTE: No. I'll mention it to
14 Bellone tomorrow.

15 TREASURER VEGLIANTE: Yeah.

16 CLERK SADELI: Yeah. We could say that on
17 the 4 o'clock call tomorrow.

18 TREASURER VEGLIANTE: Yeah.

19 MAYOR VEGLIANTE: Yeah, I could say it
20 tomorrow when I speak to him with Brian and
21 Timmy.

22 TREASURER VEGLIANTE: Yeah.

23 TRUSTEE TRIMARCHI: It would be a good
24 idea, I think.

25 MAYOR VEGLIANTE: Yeah.

1 TRUSTEE TRIMARCHI: It's worth a shot.

2 MAYOR VEGLIANTE: That's a good idea, good
3 idea.

4 TRUSTEE EFF: How are we making out with
5 the speed sign?

6 MAYOR VEGLIANTE: Brian.

7 TRUSTEE EFF: The speed monitor.

8 SERGEANT HENNIG: That was a -- are we
9 still doing that, Gary, with that whole package
10 with the bond and doing it all at the same time?
11 Remember, we were dealing with the power issue?

12 TREASURER VEGLIANTE: We're trying to do
13 that with the house.

14 MAYOR VEGLIANTE: With the house bond.

15 TREASURER VEGLIANTE: Yeah.

16 SERGEANT HENNIG: Right, because it makes
17 sense to do it when we have the power from the
18 building, right?

19 MAYOR VEGLIANTE: Right.

20 SERGEANT HENNIG: Because we went through
21 this with the battery operated one does not last.

22 TRUSTEE TRIMARCHI: Yes. Yes, it does,
23 you're correct.

24 MAYOR VEGLIANTE: We're planning to do it
25 with the bond for the house, when we get the bond

1 for the house, John.

2 TRUSTEE EFF: And the existing one isn't
3 fixable?

4 MAYOR VEGLIANTE: No, it's shot.

5 SERGEANT HENNIG: No. The existing one is
6 16 years old, 15 years old, and it is -- it's
7 completely -- it's destroyed --

8 MAYOR VEGLIANTE: From the beach.

9 SERGEANT HENNIG: -- from the environment.

10 MAYOR VEGLIANTE: Yeah.

11 SERGEANT HENNIG: Yeah, exactly.

12 TRUSTEE TRIMARCHI: We restored that thing
13 during the winter months, Brian.

14 SERGEANT HENNIG: The one that's --

15 MAYOR VEGLIANTE: It's shot.

16 TRUSTEE TRIMARCHI: It's shot.

17 SERGEANT HENNIG: It's not just -- that
18 one, what we -- we were bringing it in the
19 winter, but it's still --

20 MAYOR VEGLIANTE: Yeah.

21 SERGEANT HENNIG: Just from it being out in
22 the summer, it's just -- it's not designed for
23 that environment.

24 TRUSTEE TRIMARCHI: How old is it?

25 SERGEANT HENNIG: Although, they told us

1 when they sold this.

2 MAYOR VEGLIANTE: Fifteen years old.

3 SERGEANT HENNIG: It's got to be -- Timmy,
4 Timmy could chime in, but I think it's around 15,
5 16 years old.

6 MAYOR VEGLIANTE: Yeah.

7 SERGEANT TURNER: Yes, you're right, it's
8 about 15 years old. It lasted three years on --
9 we brought it inside Headquarters, but the rust
10 got inside the computer.

11 TRUSTEE TRIMARCHI: It did its job. It's
12 got to retire.

13 MAYOR VEGLIANTE: Yeah.

14 SERGEANT TURNER: Yes, definitely. It's
15 just that environment down there with the salt
16 air, after about three years, it messed with the
17 computer. It's computerized inside, it's not
18 mechanical.

19 MAYOR VEGLIANTE: Right.

20 SERGEANT TURNER: Like no mechanical. So
21 when salt air or moister gets inside, it just
22 rusted out the components. So we're definitely
23 due for a new one.

24 MAYOR VEGLIANTE: When we get the
25 plate-reader, we'll incorporate the radar sign,

1 and it will be part of the bond on the house.

2 SERGEANT TURNER: Yeah, and then you guys
3 would think about maybe purchasing one for each
4 end of the Village.

5 MAYOR VEGLIANTE: Yeah.

6 SERGEANT TURNER: I would think that would
7 be the best way. Not a plate-reader, per se,
8 but --

9 MAYOR VEGLIANTE: No.

10 SERGEANT TURNER: -- but speed sign for
11 front and rear, and that will help us a lot.

12 MAYOR VEGLIANTE: Yeah, I think so. I know
13 there was some complaints about this weekend with
14 people speeding up and down the road, so, guys,
15 be as vigilant as you can. I know you always
16 try.

17 SERGEANT HENNIG: Yeah. On Saturday, I
18 pulled over about 15, 20 cars.

19 MAYOR VEGLIANTE: Yeah.

20 SERGEANT HENNIG: And most of them were
21 people that were -- have close ties to the
22 community, so --

23 (Laughter)

24 SERGEANT HENNIG: But yeah.

25 MAYOR VEGLIANTE: We have to warn the

1 residents not to speed. It's dangerous, you
2 know, we're in very close quarters. Kids are
3 running back and forth.

4 SERGEANT HENNIG: Yeah, absolutely.

5 MAYOR VEGLIANTE: Slow it down.

6 SERGEANT HENNIG: Yes.

7 TRUSTEE TRIMARCHI: You know, I was out
8 there this weekend, also.

9 SERGEANT TURNER: So Brian was on during
10 the daytime and he stopped it. But I was on the
11 night, I did the 4-to-12's and the midnight, and,
12 honestly, everyone I stopped was a resident, and
13 I stopped a lot.

14 (Laughter)

15 SERGEANT TURNER: So it's not -- it's not
16 the outside public that's causing us the problem.

17 MAYOR VEGLIANTE: Right. But I think this
18 weekend we can assume that there will be quite a
19 bit of nonresident traffic, as well as resident
20 traffic. Look, anybody breaking the law, you
21 know, deserves to get stopped, that's what we
22 have to do.

23 SERGEANT TURNER: If necessary, we'll give
24 them and invite to the August court date, that's
25 not a problem.

1 MAYOR VEGLIANTE: Okay.

2 TRUSTEE TRIMARCHI: You know, I have to
3 tell you something. I was out there this
4 weekend, also, and I saw these kitesurfer guys,
5 who are usually pretty good, you know, they're
6 all a nice bunch of people.

7 MAYOR VEGLIANTE: Yeah.

8 TRUSTEE TRIMARCHI: But I see them crossing
9 the dune every once in a while, I don't say
10 anything. But this weekend, I saw one guy walk
11 back and forth four times over the dune. I
12 couldn't believe my eyes.

13 MAYOR VEGLIANTE: Yeah.

14 TRUSTEE TRIMARCHI: I called the
15 Constabulary. It must have been one of the
16 part-timers that were on, I think it was Saturday
17 afternoon.

18 SERGEANT TURNER: Yes, Jeff Platt came to
19 help out.

20 TRUSTEE TRIMARCHI: If you tell me the
21 name, I would remember it.

22 SERGEANT TURNER: Jeff Platt.

23 SERGEANT HENNIG: Jeff Platt.

24 TRUSTEE TRIMARCHI: Yeah, that's it. And I
25 called him and he went down there. And the guy

1 was very apologetic. You know, he didn't know,
2 and I can understand that. But maybe we should
3 be posting something in front. That dune is
4 critical to us.

5 MAYOR VEGLIANTE: Yeah.

6 TRUSTEE TRIMARCHI: When someone walks over
7 it, it just -- it just destroys it.

8 MAYOR VEGLIANTE: Maybe we should just --

9 SERGEANT HENNIG: Gary. Gary, this is
10 Brian. We could correct that immediately,
11 because it's the doctor across the street at an
12 angle, it's her and her friends. I'll stop in
13 there, or Tim could stop in there --

14 TRUSTEE TRIMARCHI: No, but it's -- they
15 didn't know. They didn't know. And it's not --
16 you know, they didn't know, because I don't think
17 that we -- we need to communicate a little better
18 as a Village about the dune.

19 MAYOR VEGLIANTE: Right.

20 TRUSTEE TRIMARCHI: We have a lot of
21 renters and a lot of bay side people that may not
22 even realize it, residents, that they need to use
23 the public walkover. So we should be doing
24 something, maybe with a sign or something in the
25 front of the Village that --

1 MAYOR VEGLIANTE: I think a sign in front
2 of the Village, Gary, is a good idea.

3 TRUSTEE TRIMARCHI: Yeah, to say, please,
4 just don't cross our dune, use the public
5 walkways.

6 MAYOR VEGLIANTE: Right. And that --

7 TRUSTEE TRIMARCHI: I mean, it's really,
8 it's such a -- we got such a great beach.

9 MAYOR VEGLIANTE: I know.

10 TRUSTEE TRIMARCHI: And that dune is great.
11 We've got a double dune now.

12 MAYOR VEGLIANTE: Yep.

13 TRUSTEE TRIMARCHI: It's really fantastic.
14 We got to do whatever we can to protect it.

15 And I was amazed this weekend, because I --
16 they seem to come right in front of our house all
17 the time. Everybody loves looking at them and
18 it's fun to watch.

19 MAYOR VEGLIANTE: Yeah.

20 TRUSTEE TRIMARCHI: But not when they --
21 not when they walk over the dune.

22 MAYOR VEGLIANTE: Well, Angela, why don't
23 we send out another email to all the residents on
24 their rentals or their guests. For renters or
25 guests, please remind them, do not walk on the

1 dune. There are seven walkways in the Village
2 that are easily accessed. We cannot -- we need
3 that dune, it's our lifeblood, stay off the dune.

4 CLERK SADELI: All right. We'll put
5 something together when -- if you want, on
6 Wednesday, we can write it up.

7 MAYOR VEGLIANTE: Okay, good.

8 TRUSTEE EFF: Remind them, remind them of
9 the speed limit, too.

10 MAYOR VEGLIANTE: Yeah.

11 CLERK SADELI: Sure

12 MAYOR VEGLIANTE: All right. We'll give
13 them a -- we'll give a summer --

14 TREASURER VEGLIANTE: We could let them
15 know that everybody that's being stopped are
16 Village residents.

17 MAYOR VEGLIANTE: A summer safety --

18 TRUSTEE TRIMARCHI: Well, you'll get more
19 ticket income.

20 (Laughter)

21 MAYOR VEGLIANTE: With that, let's -- I
22 hope Lucia does not include --

23 SERGEANT HENNIG: To be honest,
24 everybody --

25 TRUSTEE TRIMARCHI: I'm only kidding. I'm

1 only kidding.

2 MAYOR VEGLIANTE: I hope Lucia does not
3 include some parts of this conversation in her --
4 in her transcript, okay?

5 (Laughter)

6 MAYOR VEGLIANTE: Because the Village of
7 Asharoken, you know, years ago, the Village of
8 Asharoken got sued by a public entity claiming
9 that their residents were not ticketed while
10 nonresidents were, and they lost that lawsuit and
11 it cost them a pretty dollar. So, of course, we
12 know that doesn't happen in our Village.

13 TRUSTEE TRIMARCHI: Of course not.

14 MAYOR VEGLIANTE: We wouldn't want somebody
15 to misinterpret the transcript.

16 SERGEANT TURNER: Hey, Boss. Boss.

17 TRUSTEE EFF: Brian. Brian, can I ask you
18 a question? Do we have --

19 SERGEANT HENNIG: Sure.

20 TRUSTEE EFF: Do we have many incidents
21 with cars or drivers hitting deer?

22 SERGEANT HENNIG: We have in the past, but
23 it's not --

24 MAYOR VEGLIANTE: Yeah, we haven't --

25 SERGEANT HENNIG: This time of year it's

1 very rare.

2 TRUSTEE EFF: Not many.

3 SERGEANT HENNIG: November, December is --
4 pretty November through January is where it's
5 more common.

6 TRUSTEE EFF: Yeah. Do you -- do you
7 think --

8 CLERK SADELI: Probably not a lot of
9 incidents.

10 TRUSTEE EFF: Do you think at the
11 appropriate spot, there would be maybe a sign
12 about a deer crossing or -- I don't know.

13 SERGEANT HENNIG: The most common spot that
14 they're hit on Dune Road is by John Scott's,
15 outside our Village --

16 MAYOR VEGLIANTE: By John Scott's.

17 SERGEANT HENNIG: -- believe it or not.

18 TRUSTEE EFF: Okay.

19 SERGEANT HENNIG: For some reason, right in
20 that corridor. And we've mentioned that to the
21 Town of Southampton to no -- with no -- to no
22 avail. They have not put the sign up, but
23 that -- I think Tim, Tim, actually, in his
24 personal vehicle hit one there once right around
25 there.

1 might be doing some of the stuff, but we're
2 not -- there's not court appearances being
3 attached to 95% of these stops.

4 People are having a real hard time, and,
5 you know -- and, you know, the community we have
6 to understand as well. The beach is where people
7 go to be relaxed and clear their mind, and stuff
8 like that.

9 So I know you guys are saying that people
10 are saying we're stopping a lot of vehicles.
11 There's a lot of, you know, activity on our -- on
12 our officers' reports. Just that there's no
13 paperwork to show as far as summonses. We have
14 to allow people to enjoy it.

15 MAYOR VEGLIANTE: I think that's a very
16 wise --

17 SERGEANT HENNIG: Yeah. Tim is right,
18 we've become roadside therapists --

19 MAYOR VEGLIANTE: Yeah.

20 SERGEANT HENNIG: -- to a lot of people
21 that we stop that end up -- we hear their woes
22 and their issues, their, you know, disagreements
23 with their spouses, and they're just looking for
24 us to listen sometimes. But there's some -- a
25 lot of mental health issues going on, a lot of,

1 you know -- I agree with you, yes.

2 MAYOR VEGLIANTE: No, I agree. Guys, I
3 think you've done a good job. I think the -- one
4 of the things that I think would help is just say
5 don't -- don't hide, just stay out there and be
6 more of a -- you know, just more of an obvious
7 deterrent rather than a stop, you know.

8 SERGEANT TURNER: Yeah, we're trying to get
9 most of them to do that. They were backing this
10 model in the days that --

11 SERGEANT HENNIG: Yeah, I don't think any
12 of us are hiding there.

13 MAYOR VEGLIANTE: No.

14 SERGEANT TURNER: People stay a little off
15 the roadway for officer safety.

16 MAYOR VEGLIANTE: Right, right.

17 SERGEANT TURNER: We're trying be the guys
18 who send -- be a little more visible, and, you
19 know, be kind.

20 MAYOR VEGLIANTE: Yes, I think that's a
21 good theory.

22 MR. STERN: Now that we own the property --
23 just a question. Now that we own the property,
24 the Village owns the property at 656, is it -- is
25 it worth on some of these weekends just leaving

1 one of the police vehicles there, even if there's
2 nobody in it, so people see it and slow down as
3 they're coming into the Village?

4 CLERK SADELI: Can you just state your name
5 for the Court Reporter?

6 MR. STERN: Sorry. It's Mike Stern from
7 725. I've seen that in other villages where
8 they'll leave a -- they'll leave a police cruiser
9 real prominent, and it works really well, instead
10 of a -- instead of a speed limit sign.

11 SERGEANT HENNIG: Mike, this is Brian,
12 and --

13 SERGEANT TURNER: That worked great for a
14 short period of time.

15 SERGEANT HENNIG: And part of it, also,
16 is that it would be an officer safety issue with
17 the way we're decontaminating vehicles and
18 rotating through the vehicles. It might be a
19 little bit harder for us with our fleet to do
20 that.

21 MR. STERN: Yeah, I understand, that makes
22 sense.

23 SERGEANT HENNIG: But yeah. No, that's
24 something, definitely, as this pandemic kind
25 of -- as things start to loosen up, as Gary has

1 put it, you know, we'll definitely start to --
2 that's something we definitely can take into
3 consideration.

4 MR. MORNINGSTAR: Hey, this is Bill
5 Morningstar. It's great news to hear that the
6 beach restoration went well. A big beautiful
7 beach is so important, I think we all agree on
8 that.

9 I think where Chuck was going earlier,
10 Cupsogue being 50% full, it can get pretty unruly
11 down by Widgeon Way, especially if we're cutting
12 it in half. And, hopefully, we're going to have
13 a great summer, beautiful weather.

14 Has the communication been sent out to
15 people that it's going to be 50% capacity at
16 Cupsogue? And is there the ability to put
17 another sign in? I know the one when you cross
18 the bridge is good, but it's kind of hard to
19 catch it. Is there something you could --
20 another place you could put a sign to let people
21 know that Cupsogue is full, so we don't have to
22 chase people out?

23 MAYOR VEGLIANTE: Well, they just made the
24 determination today, or actually Friday, so
25 they're -- we're going to be talking with them

1 tomorrow and see what the best way of getting
2 this message out, so that we reduce the amount of
3 traffic.

4 Actually, we've done well over the last two
5 years. We've gotten it much reduced as far as
6 the backlog. So, hopefully, Steve Bellone will
7 be open-minded and come up with some money.

8 You know, if the next stimulus package goes
9 through, the County is online to get a good
10 amount of funds. Hopefully, we'll be able to get
11 maybe another sign out of them.

12 TRUSTEE TRIMARCHI: I'll tell you
13 something. If you can't stop them close from the
14 time that they turn onto Dune Road after the
15 bridge --

16 MAYOR VEGLIANTE: Yeah

17 TRUSTEE TRIMARCHI: -- if you can't stop
18 them like pretty quickly --

19 MAYOR VEGLIANTE: Right.

20 TRUSTEE TRIMARCHI: -- they're going.

21 MAYOR VEGLIANTE: They're coming down.
22 They're going to --

23 TRUSTEE TRIMARCHI: They're coming down.

24 SERGEANT HENNIG: Hey, Gary, the biggest
25 issue always --

1 TRUSTEE TRIMARCHI: So you don't make them
2 waste their time, well, the public.

3 SERGEANT HENNIG: The biggest issue has
4 always been the delay in turning them around --

5 MAYOR VEGLIANTE: Right.

6 SERGEANT HENNIG: -- at the circle. And
7 this is what we were going to touch on later on,
8 but I'll touch on it now. In the past, what they
9 have is they're lucky if they get one Park Ranger
10 assigned, and then they have a civilian there,
11 and then it ends up being arguing, so patrons are
12 arguing with them and that's the delay. So what
13 we're going to ask Bellone for tomorrow, the
14 County Executive, is to assign three Park
15 Rangers, so they could have two at the circle, so
16 they can move the people through quickly with our
17 plans of normal -- you know, we're going to block
18 off the side streets, as we've done in the past.
19 And with everybody doing what they're supposed to
20 do, the people that are getting turned around
21 should be out and about pretty quick and we'll
22 get them out of the community.

23 TRUSTEE TRIMARCHI: If you could get --

24 SERGEANT HENNIG: This is something new,
25 it's never happened before, so.

1 TRUSTEE TRIMARCHI: If you could get that,
2 Brian, that would be a miracle in these financial
3 times.

4 MAYOR VEGLIANTE: Well, that's what we're
5 trying to do.

6 SERGEANT HENNIG: You know what, we can,
7 because Park Rangers are all part-time for the
8 County, there's no full-time ones, so they're
9 relatively inexpensive compared to the Police.
10 And we have a very good relationship with Dodd,
11 who's the Chief in charge of the Park Rangers,
12 and we --

13 MAYOR VEGLIANTE: He's a good guy.

14 SERGEANT HENNIG: I'm pretty confident we
15 could get those assurances. Cupsogue and
16 Smith Point are the two parks that consistently
17 make the County money every year. They get the
18 majority of what they want, so we're fairly
19 confident that's what they'll do for us.

20 TRUSTEE TRIMARCHI: Good luck, I hope you
21 get it.

22 SERGEANT TURNER: Well, Boss, also, I would
23 believe that there's probably Federal money going
24 to be issued to probably the Village, if we apply
25 for special grants, due to this COVID virus, that

1 if we needed to put additional officers on, it
2 would be covered under some type of a stimulus
3 plan to help us out. So we -- we're well
4 staffed. I'm sure we can make it work with the
5 County and make it as, you know, easy as possible
6 for our residents.

7 MAYOR VEGLIANTE: I was talking to
8 Lee Zeldin today, actually, and he said he's
9 putting a bill in that will address smaller local
10 governments, such as small villages and towns.
11 So, hopefully, we'll be able to get part of that
12 and it will help ease some of the burden on us.

13 TRUSTEE EFF: We have had -- we have had
14 electronic signs out by the bridge in -- years
15 ago.

16 MAYOR VEGLIANTE: No.

17 TRUSTEE EFF: And it worked very well.

18 MAYOR VEGLIANTE: Yeah.

19 TRUSTEE EFF: It just says Cupsogue is
20 full.

21 MAYOR VEGLIANTE: Right.

22 TRUSTEE EFF: You stop right there. And it
23 probably should be added -- it should be Pike's,
24 and the Atlantic Beach as well, should be listed
25 there.

1 MAYOR VEGLIANTE: No, they can't add
2 Pike's, because that's a Town beach.

3 SERGEANT HENNIG: It's a County-owned sign.

4 MAYOR VEGLIANTE: Yeah, a County-owned
5 sign. But we --

6 SERGEANT HENNIG: We've also asked them in
7 the past to even direct them the other way, you
8 know. So it's basically telling people to head
9 east on Dune Road, so they can go to Tiana or one
10 of the other beaches. And there's some reason
11 why, but they refuse to put that on there. So it
12 just reads -- but that's out there, that was out
13 there last season as well.

14 MAYOR VEGLIANTE: Yeah.

15 SERGEANT HENNIG: And it says that the --
16 that the park is full, which the majority of
17 people actually listen to now compared to many
18 years ago.

19 MAYOR VEGLIANTE: Right. They know that
20 they're going to get turned around. So,
21 hopefully, we'll see what we can do. You know,
22 there's -- there's going to be people driving
23 down that road no matter how we try to stop it,
24 but we'll see how well we can keep them moving.

25 Okay. How about --

1 MR. MC GINN: Gary.

2 MAYOR VEGLIANTE: Yeah.

3 MR. MC GINN: It's Kevin McGinn from 5 Cove
4 Lane. I just had a question. Are there going to
5 be more Constables on duty this weekend to -- for
6 all the reasons you guys have been talking about?

7 MAYOR VEGLIANTE: Yeah. We're going to do
8 the Constables right after the Treasurer bill.

9 MR. MC GINN: Oh, okay, sorry.

10 MAYOR VEGLIANTE: All right. Kevin, we'll
11 get it done.

12 All right. Claire, you're up.

13 TREASURER VEGLIANTE: Hi, everyone. So,
14 like Gary said, the tax bills did go out and we
15 actually started getting payments today. We were
16 under the 2% tax cap. And we're on track with
17 all our financial money and everything that's
18 going on for the end of this month, which will be
19 the end of the fiscal year.

20 And we did get the BAN, we renewed it. It
21 will be renewed this week, actually, a \$107,000
22 BAN. A hundred and seven thousand, I'm sorry.
23 And it's at the rate of two-nine-nine. It's the
24 same bank that did it last year and at the same
25 rate. And, actually, they didn't know if we were

1 going to get anything close to it. So all the
2 people involved in helping us get this, Munistat
3 and everyone, they were very happy about the
4 rate. So we're on track for that.

5 And I think that's about it. Everything's
6 going well. So if anyone has any questions.

7 MAYOR VEGLIANTE: We got a very good
8 financial year.

9 TREASURER VEGLIANTE: Yes. Everything's on
10 track and online, so it's all good. Anybody have
11 any questions? Okay, take it away, Constables.

12 CLERK SADELI: Gary.

13 MAYOR VEGLIANTE: Yeah.

14 CLERK SADELI: I just wanted to say
15 something about the tax bills. The Village
16 office is closed to the public. If you -- we do
17 get a lot of people who want to pay their taxes
18 in person. I was going to put this in the email
19 that we're going to send out. But you can bring
20 them here. You know, we can socially distance,
21 take them. I can meet you outside. You can come
22 when someone is in the office and, you know,
23 leave them under the mat and I'll take it, you
24 know, when the person walks away. Please, you
25 know, bring a mask. I know today we weren't

1 really that prepared for it. But I know a lot of
2 people do like to come here and pay them in
3 person, so that would just be the way that they
4 would do it.

5 And something else with the rental permits.
6 I know there's not a lot of people who can find a
7 notary. I'm happy to notarize the documents for
8 anybody who wants to come here. They can, again,
9 sign them through the door in front of me and
10 I'll notarize it, and we can leave the
11 documentation here for Bob to issue the permits.

12 TRUSTEE EFF: Hey, Joe. Let me ask Joe
13 Prokop. Isn't -- I had read somewhere where
14 there's a virtual, virtual notary. Have you
15 heard of this?

16 ATTORNEY PROKOP: A notary, a notary can
17 notarize documents when they notarize a signature
18 that he witnesses through the virtual means, yes,
19 from now until June 6th.

20 MAYOR VEGLIANTE: Oh, great.

21 TRUSTEE TRIMARCHI: So what do you do, you
22 FaceTime the guy while you sign the doc?

23 ATTORNEY PROKOP: Yeah, exactly, yes. But
24 they have to hold up their license. There's a
25 requirement --

1 TRUSTEE TRIMARCHI: Ah.

2 ATTORNEY PROKOP: -- that they have to hold
3 up their license before they sign it.

4 CLERK SADELI: So can I do that, Joe?

5 ATTORNEY PROKOP: Yes.

6 CLERK SADELI: Okay.

7 MAYOR VEGLIANTE: Okay.

8 CLERK SADELI: Because I've had a lot of
9 people contact me saying that they didn't have
10 anybody to notarize it.

11 TRUSTEE EFF: Yeah, and that's a problem,
12 it is a problem now.

13 ATTORNEY PROKOP: So they FaceTime you and
14 you see them sign it --

15 CLERK SADELI: Yeah.

16 ATTORNEY PROKOP: -- and you see their
17 driver's license, then they can send it in and
18 you can notarize it when it comes in.

19 CLERK SADELI: Okay, great.

20 MAYOR VEGLIANTE: All right. Okay.
21 Constables, you're up.

22 SERGEANT HENNIG: All right. So we're
23 still asking residents, if they call us and they
24 need us to respond to the house, to please still
25 meet us outside. You know, just a protocol that

1 every -- every agency is still utilizing, and
2 probably will be for, you know, quite some time
3 moving forward.

4 And I have to say, all our residents, the
5 vast majority are using common sense. They're
6 social distancing. Even on the beach, they're in
7 groups, if they're talking with unrelated groups,
8 they're staying 10, 15 feet away. If a
9 resident's on a bike going down the road, they
10 don't have to wear a mask. You know, we do get a
11 few people that will complain about that. I
12 mean, they're by themselves, they're riding a
13 bike. If a couple living in the same house are
14 walking down the road, they don't have to wear a
15 mask. They're staying, you know, away from other
16 people. You know, so people are still learning
17 that, you know, as things go along.

18 A lot of people are asking us about the
19 beaches being open. As Gary Trimarchi said, the
20 Village beaches are private. You know, all our
21 residents are welcome to enjoy the beaches. And
22 we just ask the same, you know, everybody just
23 use -- use that same common sense and social
24 distance.

25 The -- and Gary Trimarchi, also, we have

1 issued tickets in the past for people crossing
2 the dunes. So if anyone sees that anywhere and
3 it's a regular thing, you tell us which house.
4 It's just another thing for us to keep an eye on
5 as we go by. And if we do see somebody and if
6 it's a renter or somebody we've spoken to that's
7 caused us an issue in the past, we will
8 definitely issue a summons for that.

9 And I think after tomorrow, after Tim, Gary
10 and I speak with Steve Bellone, we'll have a much
11 better plan on Cupsogue. But I could promise
12 everybody that no matter what, Tim and I are
13 going to do everything we have to do to keep the
14 traffic moving. We've adapted to things in the
15 past and we'll adapt to this. So don't -- no one
16 should be concerned with it at all. We will do
17 everything that we have to do to keep the traffic
18 moving and keep residents getting to their homes
19 without being obstructed by anything, so -- but
20 you know, you'll -- everyone can always call us.
21 If there's a question or a concern, we'll be more
22 than happy to listen and address it. Unless Tim
23 has anything else.

24 SERGEANT TURNER: No, that was very well
25 said. Just I want you to keep in mind that, you

1 know, we're out there, we're just trying to make
2 sure everyone is safe. Safety is our first
3 issue. And we're making sure that, you know,
4 everyone can enjoy the beach and the safe
5 distances there.

6 Call us if you have a question. We can
7 normally work it out over the phone. This is new
8 to everybody, and we're looking forward to a
9 great season. We're going to be out there. No
10 matter Cupsogue, if we have a problem with
11 traffic, we figured it out the last 25 years that
12 we've been here, so -- which is -- we're good.
13 Just tell us what you need and the Constabulary
14 is here to help you guys out.

15 I don't have anything else. Do you have
16 any questions from the --

17 MAYOR VEGLIANTE: Why don't we open it up.

18 SERGEANT HENNIG: Any questions?

19 MAYOR VEGLIANTE: Why don't we open it up
20 and let the people ask the questions.

21 TRUSTEE TRIMARCHI: No, no. What about
22 Joe? Doesn't Joe have to report something?

23 MAYOR VEGLIANTE: Oh, yeah, Joe.

24 CLERK SADELI: Yeah.

25 MAYOR VEGLIANTE: You want to go? Joe,

1 give us your report, and then we'll open it up to
2 the floor.

3 ATTORNEY PROKOP: Okay. Just a couple of
4 things I've heard that I want to comment on, and
5 then -- and then a few things I need to mention.

6 So in the beginning we were talking about
7 metrics and how close we are. One of the issues
8 that we have is that the Governor has put Suffolk
9 County together with Nassau County as one region.
10 So the way -- as it stands right now, Suffolk
11 County has five or six of the seven metrics that
12 are necessary to reopen, but, as I understand it,
13 Nassau County only has two or three of them. So
14 we need to wait for what happens in Nassau County
15 before the Governor will give us the full
16 go-ahead on reopening.

17 One of the -- as far as Federal Aid that's
18 available to villages, I attended a webinar given
19 by the New York Conference of Mayors and the
20 National League of Cities, and there has not been
21 a provision yet for local municipalities, but
22 they're hoping to get something into the
23 HEROES Act. But right now, the language that
24 they have, there's a cutoff of populations that
25 are not at least \$50,000 -- excuse me, 50,000

1 residents. So there -- the NYCOM is advocating
2 for us on that, and we are hoping to get aid out
3 of that down, down to the villages.

4 Gary and I and the Constables every single
5 day are on a conference call with all the public
6 officials in Suffolk County, and Gary, Mayor Gary
7 has been an advocate for the Village of West
8 Hampton Dunes and for villages in general.

9 The Towns, for some reason, have been
10 willing to give away the payment requirement of
11 taxes. And just about anything that they could
12 give away as far as revenues and increasing
13 expenses, they were willing to do. And Gary
14 every time has chimed in and said that, you know,
15 we've lived in -- we've lived for the last 10
16 years with this 2% constraint. And our
17 adminis -- Gary's administration has done a
18 wonderful job with this, but, you know, we're not
19 in a position where we can do things like waive
20 the timely payment of taxes.

21 And, also, as Gary has also been the only
22 Mayor that's pointed out, much of the taxes are
23 paid by banks that have escrowed the money
24 already and already have the money to pay the
25 taxes. And Gary has repeatedly pointed out that

1 the banks should not get a break, the banks
2 should have to pay the money.

3 TRUSTEE TRIMARCHI: Well, Joe, Joe, let me
4 ask you a question.

5 ATTORNEY PROKOP: Yeah.

6 TRUSTEE TRIMARCHI: The money that's
7 escrowed would be the same thing that New York
8 City did for commercial tenants and have allowed
9 the commercial tenants to use their security to
10 pay rent.

11 ATTORNEY PROKOP: Right, that they --
12 right. Under the law --

13 TRUSTEE TRIMARCHI: Same thing, there's
14 escrowed money, security, call it what you want.

15 MAYOR VEGLIANTE: No, no, Gary. What we're
16 talking about is the financial institutions that
17 have mortgages on a home, they collect the tax
18 money throughout the year. They've already got
19 this year's tax money in their coffers. They
20 should not be given any relief. At least they
21 should pay their taxes on time or be subject to
22 the penalties, because they've already collected
23 it for this year.

24 So that -- what I said was if you offer
25 relief, it should only be to residents whose

1 homes are not -- who are not mortgaged by a
2 Federal or a financial institution that is
3 already escrowed for this year's payment, because
4 they have the money for this year's payment that
5 was paid to them all last year, and they should
6 not be given any relief. We need the money,
7 that's our only source of revenue, unless you
8 want to see us laying off people.

9 TRUSTEE TRIMARCHI: No, I'm only talking
10 about the money that is escrowed.

11 MAYOR VEGLIANTE: No, I'm talking about --

12 TRUSTEE TRIMARCHI: You know, the bank, via
13 the bank, not via the Village.

14 MAYOR VEGLIANTE: No, I -- No.

15 TRUSTEE TRIMARCHI: These people who have
16 mortgages, like you said --

17 MAYOR VEGLIANTE: Right.

18 TRUSTEE TRIMARCHI: -- the ones that we're
19 talking about.

20 MAYOR VEGLIANTE: They've paid their taxes
21 for this year already. The bank has gotten their
22 tax money, so they should pay it on time.

23 ATTORNEY PROKOP: Right. So the Town, many
24 of major Towns like Brookhaven and Islip, for
25 reasons that we can't figure out, are willing to

1 give the bank a break and let the banks hold onto
2 that, you know --

3 MAYOR VEGLIANTE: Because they got a delay.

4 ATTORNEY PROKOP: -- hundreds of millions
5 of dollars

6 MAYOR VEGLIANTE: Joe, they got a delay in
7 paying back their bonds, they don't have to pay
8 their bonds back this part of the year.

9 ATTORNEY PROKOP: Yeah.

10 MAYOR VEGLIANTE: They got a six-month
11 delay. But that's -- that's all they got. We
12 don't have that.

13 ATTORNEY PROKOP: So the other, the other
14 thing we listen to every day on these calls is
15 that the Supervisors of the East End Towns don't
16 want anybody on their beaches, basically.
17 Unless, unless your great-grandparents were a
18 resident, you know, born there, their
19 grandparents were born there, and you were born
20 in that town, they don't want you on their beach.
21 It doesn't matter if you live in the City and
22 this is your second home, third home, they don't
23 want you on their beaches, and that's the
24 constant theme that we have heard that Gary has
25 fought in these calls.

1 MAYOR VEGLIANTE: I think they would
2 prefer --

3 TRUSTEE TRIMARCHI: Good luck to them.

4 MAYOR VEGLIANTE: Yeah. I think they would
5 prefer that the summer people fly over with a
6 helicopter and just drop the money out and don't
7 even come down.

8 (Laughter)

9 MAYOR VEGLIANTE: I mean, I said that to
10 them. I said, "Look, if you want to give these
11 people relief for nine months of their taxes and
12 the so-called local people pick up the
13 difference, that's fine with me." But these
14 people own a home, they pay taxes year-round,
15 they are homeowners. They're not summer
16 residents, they're not winter residents, they're
17 homeowners, and they have to be treated that way.

18 TRUSTEE TRIMARCHI: They are, yeah, you're
19 right.

20 MAYOR VEGLIANTE: It's been quite an
21 energetic conversation every day.

22 ATTORNEY PROKOP: So we had -- we've had a
23 couple of other things happen since our last
24 meeting that I have to make you aware of. The --
25 we actually had the first resident go -- a

1 variance hearing with the --

2 MAYOR VEGLIANTE: Oh.

3 ATTORNEY PROKOP: -- New York State
4 Department of State, and it was a real fight. It
5 was very professionally handled by the resident
6 and a consultant that he hired, and also an
7 attorney that appeared on behalf of the Village
8 named David Yaffe, who was --

9 MAYOR VEGLIANTE: Did a good job.

10 ATTORNEY PROKOP: Is extraordinarily
11 knowledgeable in these matters.

12 So the variance had to do with the
13 propane -- the underground propane tank was
14 claimed to be too close to the property line, and
15 also too close to a deck. And we -- the resident
16 was almost able to get both variances, but a
17 misrepresentation by a member of the -- an
18 employee of the Department of State, and about
19 what the law is on the distance from the deck,
20 persuaded the Variance Board to not grant that
21 variance, and -- but he did get the variance from
22 the property line.

23 So what we're going -- what we're in the
24 process of doing now is going back to the list of
25 residents that the State claimed needed variances

1 from the property line, and seeing if that's the
2 only variance that we -- that they need. If we
3 get those -- can get those variances granted
4 either by Bob, our Building Inspector, or by the
5 State administratively, so that group of
6 people --

7 TRUSTEE TRIMARCHI: Joe, don't you think
8 that -- I'm sorry. Joe, but don't you think we
9 should be starting with Bob and just making the
10 assumption that Bob will be in control of
11 approving these setbacks or distances and stuff?

12 ATTORNEY PROKOP: Right. So one of -- one
13 of the things that came up in this, in the
14 variance hearing was that Bob, Bob does have some
15 jurisdiction to grant these variances.

16 MAYOR VEGLIANTE: Right.

17 ATTORNEY PROKOP: They don't all have to go
18 to the Department of State. So we're working our
19 way back through the list to try to figure out
20 which people we can help assist with that.

21 TRUSTEE TRIMARCHI: It's very important.

22 ATTORNEY PROKOP: Yeah. And the -- again,
23 Mr. Cervoni had a really great consultant that he
24 got at the end. I'm not sure where he got him
25 from, but he was very helpful and knowledgeable.

1 We'll try to make that name available to people
2 that may need his assistance. So that was the
3 tanks.

4 With -- you know, as you heard before, the
5 bidding of the Constables' new building is almost
6 over. There's been, particularly the last week,
7 it's kind of a bumpy ride with -- because of the
8 number of people that are bidding and the
9 questions that they've had. And Angela has been
10 great as far as getting the questions together
11 and helping me organize them and get -- we
12 basically held Nick Vero upsidedown until the
13 answers fell out, but he did -- Nick Vero was --
14 was very helpful, also, recently and we were able
15 to get the answers to the questions back out to
16 the contractors. And, you know, hopefully, we'll
17 get some nice bids on the 27th.

18 And I think that that's all that I have,
19 unless -- unless somebody has a question for me.
20 Thank you.

21 MAYOR VEGLIANTE: Okay. All right. Why
22 don't we pass the resolutions. Joe, I think that
23 would be a good idea, and then we'll go to open
24 forum.

25 CLERK SADELI: Gary.

1 MAYOR VEGLIANTE: Yeah.

2 CLERK SADELI: I didn't change on the --
3 the second resolution, the May -- oh, no. Oh, it
4 is. What is this month, May?

5 MAYOR VEGLIANTE: We're in may.

6 (Laughter)

7 MAYOR VEGLIANTE: You had a hard month.

8 TREASURER VEGLIANTE: You had a tough
9 month.

10 MAYOR VEGLIANTE: You had a really rough
11 April, and May is not much better, so.

12 CLERK SADELI: I did have a rough April.
13 Then I guess it is right, April minutes.

14 MAYOR VEGLIANTE: Okay. I need a motion to
15 adopt a resolution approving the properly audited
16 claim vouchers for the Village of Westhampton
17 Dunes. Do I have a motion?

18 TRUSTEE TRIMARCHI: Me.

19 MAYOR VEGLIANTE: Second?

20 TRUSTEE EFF: John.

21 MAYOR VEGLIANTE: Okay. All in favor?

22 TRUSTEE CRAIG: Aye.

23 TRUSTEE EFF: Aye.

24 TRUSTEE GOLDFEDER: Aye.

25 TRUSTEE TRIMARCHI: Aye.

1 MAYOR VEGLIANTE: Any opposed? None.

2 A motion to adopt a resolution waiving the
3 reading of the minutes of the April 13 meeting.

4 TRUSTEE GOLDFEDER: Motion.

5 MAYOR VEGLIANTE: Motion by Barry. Second
6 by Mike? Mike? Second by --

7 TRUSTEE TRIMARCHI: Second by me.

8 CLERK SADELI: Oh, Mike's muted.

9 MAYOR VEGLIANTE: What?

10 TREASURER VEGLIANTE: He was muted.

11 CLERK SADELI: Mike was muted

12 MAYOR VEGLIANTE: Okay, unmute him. All in
13 favor?

14 TRUSTEE CRAIG: Aye.

15 TRUSTEE EFF: Aye.

16 TRUSTEE GOLDFEDER: Aye.

17 TRUSTEE TRIMARCHI: Aye.

18 MAYOR VEGLIANTE: Okay.

19 A motion to approve the equipment for the
20 new vehicle. Mike, are you there now?

21 TRUSTEE CRAIG: Yep.

22 MAYOR VEGLIANTE: Okay. Make the motion.

23 TRUSTEE CRAIG: I make a motion.

24 TRUSTEE GOLDFEDER: Second.

25 MAYOR VEGLIANTE: Okay. All in favor?

1 TRUSTEE CRAIG: Aye.

2 TRUSTEE EFF: Aye.

3 TRUSTEE GOLDFEDER: Aye.

4 TRUSTEE TRIMARCHI: Aye.

5 MAYOR VEGLIANTE: None opposed.

6 Okay. Now for the fun part. Everybody who
7 wants to speak, please wait for somebody to get a
8 spot. But open them up, Ang, let them all go.

9 CLERK SADELI: You can -- you can unmute
10 yourself, and then just before you speak, just
11 state your name, so that Lucia can get the
12 correct name.

13 MAYOR VEGLIANTE: Good.

14 MR. WANG: Hi. This is Ed Wang. Can I
15 talk?

16 CLERK SADELI: Of course.

17 MAYOR VEGLIANTE: Of course you can, Ed.

18 MR. WANG: Hi. Great. How is everybody?

19 MAYOR VEGLIANTE: Good.

20 CLERK SADELI: Hi, Ed.

21 MR. WANG: Hi. Okay. So --

22 MAYOR VEGLIANTE: How's it going at the
23 hospital, Ed?

24 MR. WANG: Huh?

25 MAYOR VEGLIANTE: You guys -- how is it

1 going at the hospital?

2 MR. WANG: It's getting a lot better.

3 MAYOR VEGLIANTE: Great.

4 MR. WANG: The numbers have gone down a
5 lot, and we're no longer at critical values where
6 we were running out of beds. But we still have
7 to get enough personal protective equipment.

8 MAYOR VEGLIANTE: Crazy.

9 MR. WANG: And we haven't opened up the
10 elective surgeries yet.

11 MAYOR VEGLIANTE: All right.

12 MR. WANG: So my question was, just is
13 there an update on what's going on with Walkway 7
14 and all that stuff?

15 MAYOR VEGLIANTE: All right. Joe, are
16 you on?

17 ATTORNEY PROKOP: Yes.

18 MAYOR VEGLIANTE: Could you help Ed out,
19 tell him what's going on?

20 ATTORNEY PROKOP: We're trying to figure
21 out the location of the bay side easement. I
22 mean, that's basically where it's at. So we -- I
23 think we conceptually are trying to come up with
24 a location for the bay side easement that will be
25 the least intrusive and most compatible location.

1 And when I say "we", basically, Gary is -- it's a
2 group, it's a group effort.

3 MAYOR VEGLIANTE: We recently came -- it's
4 been brought to our attention that there's
5 actually an existing easement on the bay that was
6 apparently done by the original owners of both
7 the bay and the ocean side property. And if that
8 fesses up to be actually, you know, accurate, we
9 may have nothing to do, because the people on the
10 ocean could elect to do a walkway there, I
11 imagine, right, Joe?

12 ATTORNEY PROKOP: Yes.

13 MR. WANG: Okay.

14 MAYOR VEGLIANTE: You know, the way it is
15 in the County -- I will say, I think the County
16 has been more receptive lately than they've been
17 in the last four years. So I think with the
18 change of the attorneys at the County Office and
19 our relationship with the Super -- with the
20 County Executive, we have a better leverage
21 point. They're at least more open-minded, Ed, to
22 talk with us.

23 MS. WOOLFSON: Gary, hi, it's Catherine
24 Woolfson.

25 MAYOR VEGLIANTE: Hi, Cath.

1 MS. WOOLFSON: Hi, guys. How's everybody?

2 CLERK SADELI: Hi, Catherine.

3 MS. WOOLFSON: Hi there.

4 MR. WANG: Wait, hold up. Can I just ask
5 one last question? Who's the attorney?

6 MAYOR VEGLIANTE: I'm sorry, Ed, I didn't
7 hear you.

8 CLERK SADELI: Ed, you're breaking up.

9 MR. WANG: Hello.

10 CLERK SADELI: We can hear you now.

11 MR. WANG: Who's the attorney that's
12 working on it at the County?

13 ATTORNEY PROKOP: I think her name is
14 Flynn. She's -- they're new to the -- newly
15 assigned to this, because Gail, you know --

16 MAYOR VEGLIANTE: Thank God, Gail --

17 ATTORNEY PROKOP: Because of the change.
18 But I think -- I think her name is Flynn.

19 MAYOR VEGLIANTE: Gwen Vail (phonetic),
20 right?

21 ATTORNEY PROKOP: No, no, that's Rinn's
22 attorney. The County Attorney that's working on
23 it, I believe, is Flynn.

24 MR. WANG: Flynn? Oh. Like F-L-Y-N-N,
25 Flynn?

1 ATTORNEY PROKOP: Yes.

2 MR. WANG: Okay. Do you have the first
3 name?

4 ATTORNEY PROKOP: I don't. I'm sorry, I
5 apologize.

6 MR. WANG: Okay. All right. Thank you.
7 I'm done.

8 MAYOR VEGLIANTE: Okay.

9 MS. WOOLFSON: Okay.

10 MAYOR VEGLIANTE: Catherine.

11 MS. WOOLFSON: Yes, Gary. Hi. I just
12 wanted to touch base about the bay side easement,
13 the possible existing one. Do we have any
14 documentation of that in hand yet?

15 MAYOR VEGLIANTE: I've seen it. Greg Rinn
16 came by the office one day and showed me a bunch
17 of papers that looked fairly substantial. And I
18 think Joe has contacted the County, the -- have
19 you -- have you contacted the County to give you
20 the documents on that?

21 ATTORNEY PROKOP: No. Rinn's -- we
22 contacted Rinn's lawyer --

23 MAYOR VEGLIANTE: Oh.

24 ATTORNEY PROKOP: -- and requested the
25 documents.

1 MAYOR VEGLIANTE: Okay.

2 ATTORNEY PROKOP: And now we're waiting for
3 them.

4 MS. WOOLFSON: Okay, good.

5 MAYOR VEGLIANTE: It was not surprising,
6 because I -- knowing the developer before that
7 originally owned the property, the Pellicanes, he
8 owned both the bay side and the ocean side. So
9 it would be very obvious that he would provide
10 easements for the ocean and for the bay for both
11 properties. So it didn't surprise me that
12 existed.

13 But, as you know, we don't -- as a village,
14 we don't have access to that. It's a part of a
15 deed, and, you know, basically, we don't get
16 involved in those things, of course, unless
17 there's a dispute. But, right now, we're waiting
18 to see the documentation on it.

19 MS. WOOLFSON: Can I request on behalf of
20 the BBPA, when that documentation comes in, that
21 we receive a copy? Because if it is over our
22 property, we would like to have that. I mean, I
23 could certainly have our attorney take care of
24 that, but it would certainly make more sense to
25 have it, if it's already been provided, for us to

1 get it at that point.

2 MAYOR VEGLIANTE: Certainly. When we get
3 it, Catherine, we'll certainly supply it to
4 anyone who asks, but certainly the BBPA would be
5 on it.

6 MS. WOOLFSON: Okay. Because I don't -- I
7 wanted to bring something. I wasn't sure I was
8 going to bring it up tonight, but I think I will.
9 There -- and I came down and checked out the area
10 that has been under discussion and there is now a
11 wooden walkway that has been placed on that
12 location. And I would like to bring that to the
13 Village's attention, because I don't believe
14 that -- we, certainly, the BBPA was not notified
15 and it's on our property, and until I hear
16 differently, it's still our property. So
17 somebody has placed some sort of wooden structure
18 there, which is not only nonconforming, it has
19 railings, which we're not even allowed to do on a
20 walkway. And we were not asked permission before
21 that has happened.

22 So I want to get on the record of having
23 that be known that that has happened and would
24 like to have it addressed, because, obviously,
25 the BBPA -- I'm speaking for myself, because we

1 don't have a Board quorum that I'm aware of on
2 the phone call, but as a member of the Board, I
3 would be requesting that that be removed until
4 the situation is resolved.

5 MAYOR VEGLIANTE: I got -- actually, I
6 learned of that this morning and I got pictures
7 of it, and I agree, there were boards placed on
8 the -- on the ground in that area. So I've asked
9 Timmy and Brian to investigate, find out who's
10 placed them there.

11 I know -- I spoke with Mr. Rinn, he did not
12 place them there, and so as soon as we find out.
13 But if you feel that you want to remove them,
14 Catherine, if it's on your -- on the BBPA
15 property, the BBPA could remove it.

16 MS. WOOLFSON: Yeah.

17 MAYOR VEGLIANTE: I will assure you, you
18 weren't the only ones left in the dark. The
19 Village had no knowledge of it, and no permit was
20 ever applied for, but --

21 MS. WOOLFSON: Good, I'm glad to hear that.
22 Okay.

23 MAYOR VEGLIANTE: Of course I would tell
24 you that. If someone is going to put --

25 MS. WOOLFSON: I just want to put it on the

1 record.

2 MAYOR VEGLIANTE: If somebody's going to
3 put a walkway on the BBPA, as you know, I am a
4 longstanding member and very, very emotionally
5 connected to that organization. I would have let
6 the organization know, but we were not informed.
7 Mr. Rinn did not know about it. And we'll see
8 what we could do. But the BBPA, BBPA can remove
9 it, it's on their property.

10 MS. WOOLFSON: Yeah.

11 MAYOR VEGLIANTE: It's not a permitted
12 structure, take it out.

13 MS. WOOLFSON: Okay, thank you. I just
14 wanted to get that out there. And I'm glad to
15 hear everyone's well.

16 MAYOR VEGLIANTE: That's the way, you know,
17 we try to treat everybody fairly.

18 MS. WOOLFSON: Exactly.

19 MAYOR VEGLIANTE: Yep.

20 MS. WOOLFSON: Okay. Thank you.

21 MR. TABONE: Gary, I have a question.

22 MAYOR VEGLIANTE: Okay. Who's that?

23 MR. TABONE: Longtime BBPA member and
24 founding Mayor of the Village, how could it be
25 that nobody knew about this easement that was the

1 BBPA property until today or last week?

2 MAYOR VEGLIANTE: Well, frankly, Chuck,
3 easements are a function of the deed. And as the
4 BBPA president, the BBPA was created long after
5 the property owner on the ocean would have placed
6 his easement there.

7 We have -- unless you read a deed -- Chuck,
8 you're in the real estate business, you know.
9 Unless you read a deed, you wouldn't know it
10 exists, and, frankly, you know, we had no
11 interest in reading a deed. You know, all I can
12 tell you is if it exists, it exists, it's a
13 deeded easement.

14 MR. TABONE: I understand that part of it,
15 but it just -- it seems odd that this just found
16 its way up now. We've been talking about this
17 easement to the canal for the last year-and-a-half.
18 It never came up, and now, all of a sudden, all
19 this easement just found its way. It just seems
20 strange.

21 MAYOR VEGLIANTE: Well, obviously, somebody
22 who's interested in getting the easement did the
23 research to find it. I'm not interested in
24 buying the easement. You know, as a BBPA board
25 member, neither was the BBPA.

1 I mean, the fact is the person with the
2 interest went and researched it and found the
3 deeded easement. It either exists or it doesn't.
4 If it exists, it exists, there's not much anybody
5 could do about that. You know, to expunge a
6 bonafide easement is not an easy process. So
7 it's -- I'm sure there are easements up and down
8 the Village that the owners of the property don't
9 know exist. You know, it's an easement. But,
10 you know --

11 MR. TABONE: I remember when the Village
12 was proposing to put a marina and tennis court
13 and pool --

14 MAYOR VEGLIANTE: Right.

15 MR. TABONE: -- at the BBPA property.

16 MAYOR VEGLIANTE: I still think it's a --

17 MR. TABONE: And site plans, site plans
18 were done.

19 MAYOR VEGLIANTE: Yep.

20 MR. TABONE: Nobody noticed an easement
21 over the -- over the site plan? It just -- it
22 just doesn't make a lot of sense.

23 MAYOR VEGLIANTE: Well, as somebody who was
24 involved in that point, I agree with you, but it
25 doesn't make sense to me either, but it either

1 exists or it doesn't. If the documents show it
2 exists, Chuck --

3 MR. TABONE: No, I agree with that, I agree
4 with that.

5 TRUSTEE TRIMARCHI: It is what it is, it's
6 there.

7 MAYOR VEGLIANTE: It is what it is.

8 MS. WOOLFSON: Gary, I'm sorry, it's
9 Catherine again. I just wanted to add one more
10 point to this. Is my understanding correct, that
11 the deeded easement supposedly is held by more
12 than one property?

13 MAYOR VEGLIANTE: It would for all -- what
14 was four, it became eight oceanfront properties.

15 MS. WOOLFSON: The eight, okay.

16 MAYOR VEGLIANTE: And for the bay side, it
17 would the people -- it would be the BBPA would
18 have courtesy of a bay, oceanfront easement. But
19 that's what we're trying to maintain, is the
20 oceanfront easement for everyone. In other
21 words --

22 MS. WOOLFSON: All right. Thank you.

23 MAYOR VEGLIANTE: -- the same owner on the
24 BBPA house at 9 -- 906, and they own the ocean
25 side. They granted beach -- they -- the bay at

1 906 and the ocean, the four lots on the ocean
2 access to the bay, and the four lots on the bay
3 access to the ocean, I would imagine.

4 I have not read it or saw it. All I did
5 was look at it, and from what I saw, it looked
6 pretty accurate or pretty realistic. But the
7 County should have it in their deeds. Joe,
8 you've requested it, right?

9 ATTORNEY PROKOP: No, I didn't. I don't
10 even know what it is until Greg Rinn gives us a
11 copy.

12 MAYOR VEGLIANTE: Oh, okay.

13 MS. WOOLFSON: Okay. Well, we'll be
14 requesting it as well. Okay, thank you.

15 MAYOR VEGLIANTE: Catherine, look on the
16 deed to the BBPA property, it may be there.

17 MS. WOOLFSON: I'm going to, yes.

18 MAYOR VEGLIANTE: Yeah.

19 MS. WOOLFSON: Thank you.

20 MAYOR VEGLIANTE: Let me know when you find
21 it as well.

22 MS. WOOLFSON: I -- absolutely, I will.

23 (Laughter)

24 MAYOR VEGLIANTE: Thank you.

25 MS. WOOLFSON: You're welcome.

1 MAYOR VEGLIANTE: Anybody? Let's go.

2 DR. PERLMAN: Yeah, can I ask a questions?

3 MAYOR VEGLIANTE: Of course.

4 DR. PERLMAN: Oh. Hi, Gary. Sorry.

5 MAYOR VEGLIANTE: How's is the fishing,
6 Arnie?

7 DR. PERLMAN: I'm in Florida.

8 MAYOR VEGLIANTE: Oh. How's the fishing
9 there?

10 DR. PERLMAN: I love this way to get to a
11 meeting, it's like really easy.

12 MAYOR VEGLIANTE: It's real easy, just dial
13 it up.

14 DR. PERLMAN: That's it.

15 MS. BRAATEN: I'm sorry, spell the name.

16 MRS. PERLMAN: Still we're stuck, stuck
17 with the quarantine.

18 MS. BRAATEN: I just need the name.

19 DR. PERLMAN: What I wanted to know is --

20 MS. BRAATEN: I'm sorry, hold on. Can I
21 have your name?

22 CLERK SADELI: Arnie, can you just state
23 your name for the record?

24 DR. PERLMAN: Yeah, Arnie Perlman.

25 MS. BRAATEN: Thank you.

1 ATTORNEY PROKOP: Dr. Arnie Perlman.

2 DR. PERLMAN: Dr. Arnie Perlman. What I
3 wanted to know is now that the beach is all built
4 up and beautiful, is there any way to add any
5 snow fencing to, you know, keep everything built
6 up even more?

7 MAYOR VEGLIANTE: That question has been
8 very important to all of us. It doesn't look
9 like we're going to get the Federal Government to
10 do anything. However, at this time of year,
11 because of the birds, we can't do anything.

12 DR. PERLMAN: All right.

13 MAYOR VEGLIANTE: We're hopeful that the
14 birds get out of there early in the season, and
15 maybe by September, we're going to see what we
16 could put together as far as a plan, whether it's
17 individually, funded by individual residents, or
18 whether we group people together. But we're
19 working on getting something done to keep as much
20 of that sand intact.

21 DR. PERLMAN: I get it. Great.

22 TRUSTEE TRIMARCHI: Yeah, but one thing for
23 sure is the residents, after the bird season is
24 completed, have the right to go in --

25 MAYOR VEGLIANTE: Yes.

1 TRUSTEE TRIMARCHI: -- and put their own
2 snow fencing up, Arnie.

3 MAYOR VEGLIANTE: Yeah.

4 TRUSTEE TRIMARCHI: And you can hire
5 somebody to do it, you don't have to do it
6 yourself.

7 MAYOR VEGLIANTE: Right. We're hopeful --

8 DR. PERLMAN: That's right.

9 MAYOR VEGLIANTE: We're hopeful we'll find
10 a contractor that will give us a good price,
11 because in hopes that he becomes the recommended
12 vendor of the Village. You know, we can't
13 really -- we really can't make a formal
14 recommendation, but, hopefully, he'll view the
15 business opportunity of dealing with most of the
16 Village in --

17 DR. PERLMAN: If we wanted to do it on our
18 own and it doesn't go that route, do we have to
19 get a special permit?

20 TRUSTEE TRIMARCHI: No.

21 MAYOR VEGLIANTE: No.

22 TRUSTEE TRIMARCHI: It is -- that is the
23 route it is going. You can do it yourself --

24 DR. PERLMAN: Oh, okay.

25 TRUSTEE TRIMARCHI: -- once the bird season

1 expires.

2 MAYOR VEGLIANTE: Yeah.

3 DR. PERLMAN: Okay, great.

4 MAYOR VEGLIANTE: We'll help you with the
5 design. Call -- call the office and we'll --

6 TRUSTEE TRIMARCHI: If you look, if you
7 walk along the beach, you can see a lot of people
8 that have done it already --

9 MAYOR VEGLIANTE: Yeah.

10 DR. PERLMAN: Right.

11 TRUSTEE TRIMARCHI: -- based on the
12 extended walkovers.

13 MAYOR VEGLIANTE: Yeah.

14 TRUSTEE GOLDFEDER: Yeah. I've done my own
15 for years --

16 MAYOR VEGLIANTE: Yeah.

17 TRUSTEE GOLDFEDER: -- and it does make a
18 big difference.

19 MAYOR VEGLIANTE: Yep, it sure does,
20 there's no doubt about it.

21 DR. PERLMAN: Great.

22 MAYOR VEGLIANTE: And we have -- we have
23 the best beach in years. We have -- you know, we
24 did have a tropical storm that veered off the
25 coast. It was an early storm this year. Arthur

1 is on its way out to Bermuda now, but it will
2 bring -- it will bring us some bad weather and
3 higher waves towards this weekend, so we'll see
4 how it's going.

5 TRUSTEE TRIMARCHI: We're prepared.

6 MRS. PERLMAN: We've got Arthur right over
7 our heads right now.

8 MAYOR VEGLIANTE: Oh, yeah, right, that's
9 right. Are you on the East Coast?

10 DR. PERLMAN: Yes.

11 MRS. PERLMAN: Pompano Beach.

12 MAYOR VEGLIANTE: Oh, yeah, great.

13 MRS. PERLMAN: Homesick, though.

14 MAYOR VEGLIANTE: Oh, well, come on back,
15 it's beautiful.

16 TRUSTEE TRIMARCHI: I'll trade places.

17 DR. PERLMAN: I got to get right back.

18 MAYOR VEGLIANTE: I know.

19 MRS. PERLMAN: Well, we're getting ice from
20 everybody who sees a New York license plate down
21 here.

22 DR. PERLMAN: Yes, you got to hide New York
23 license plates down there.

24 MAYOR VEGLIANTE: I know.

25 MRS. PERLMAN: And we've heard some of the

1 states that we have to drive through to go home
2 won't give hotel rooms to people with a New York
3 license plate.

4 MAYOR VEGLIANTE: Well, you know, I'll tell
5 you, Kit, it wasn't too long ago, a couple of
6 weeks ago, a friend of one of our residents said,
7 "I'm driving home." He got to the Georgia state
8 line and the troopers told him turn around or go
9 through Louisiana.

10 DR. PERLMAN: Wow.

11 MAYOR VEGLIANTE: "You're not coming
12 through the state."

13 MRS. PERLMAN: And we were told that
14 Pennsylvania has a big sign that says
15 "Pennsylvania is Closed".

16 TRUSTEE TRIMARCHI: I have to tell you
17 something. You know what the best way to get
18 around it is? Go through the state lines at
19 three or four o'clock in the morning, because I
20 have been told that they are not operating 24/7.

21 (Laughter)

22 TRUSTEE TRIMARCHI: A buddy of mine drove
23 down there and back twice, drove through into
24 Florida at 4 a.m. in the morning, the checkpoint
25 was closed.

1 MAYOR VEGLIANTE: Jesus.

2 DR. PERLMAN: Oh, wow.

3 MRS. PERLMAN: Well, They have a lot of
4 trouble down here in Florida where the snowbirds
5 normally left in February or March --

6 MAYOR VEGLIANTE: Right.

7 MRS. PERLMAN: -- got back up there where
8 they shut it down, so they turned around.

9 DR. PERLMAN: Came back.

10 MRS. PERLMAN: Came back down here without
11 quarantining for two weeks --

12 MAYOR VEGLIANTE: Yeah.

13 MRS. PERLMAN: -- and there were riots.

14 MAYOR VEGLIANTE: Yeah, yeah.

15 CLERK SADELI: Wow.

16 MAYOR VEGLIANTE: Well, it's just like --

17 DR. PERLMAN: Okay.

18 MAYOR VEGLIANTE: It's just like the summer
19 people coming out to the beach.

20 MRS. PERLMAN: I know.

21 (Laughter)

22 DR. PERLMAN: Well, it's great seeing all
23 you guys again.

24 MAYOR VEGLIANTE: Yeah. You guys look
25 great.

1 DR. PERLMAN: Miss you.

2 MAYOR VEGLIANTE: Florida makes you look
3 great.

4 (Laughter)

5 MAYOR VEGLIANTE: It always does. I wish I
6 was there.

7 MRS. PERLMAN: At least we're someplace
8 that the virus doesn't like.

9 MAYOR VEGLIANTE: Yeah, there are --

10 MRS. PERLMAN: It's been in the 90s for
11 weeks.

12 MAYOR VEGLIANTE: Oh, yeah.

13 MRS. PERLMAN: But they closed the pools,
14 they closed the golf courses, they closed the
15 tennis courts.

16 DR. PERLMAN: Oh, now they just opened it
17 up again.

18 MAYOR VEGLIANTE: They just opened.

19 MRS. PERLMAN: And they told everybody to
20 stay inside, so we've been like (demonstrating)
21 for a month.

22 DR. PERLMAN: And I'm getting a haircut
23 Wednesday.

24 MAYOR VEGLIANTE: Me, too. Look at this,
25 unbelievable.

1 CLERK SADELI: Lucky.

2 DR. PERLMAN: You should have a beach
3 barber and haircutters there.

4 MR. ZOLONDEK: Ah, it looks -- you look
5 great, Gary.

6 (Laughter)

7 MR. ZOLONDEK: Gary.

8 MAYOR VEGLIANTE: Did you want to jump in?
9 Go ahead.

10 MR. ZOLONDEK: Yeah, I want to jump in
11 about the group rentals.

12 MAYOR VEGLIANTE: We don't have --

13 CLERK SADELI: Can you state your name for
14 the record?

15 MR. ZOLONDEK: Dave Zolondek, 831 Dune Road.

16 CLERK SADELI: Thank you.

17 MR. ZOLONDEK: Gary, do we have any
18 provision for -- in the group rentals for the
19 number of unrelated people sharing a house,
20 number one? Number two, the number of cars in
21 the driveway?

22 MAYOR VEGLIANTE: Yes.

23 MR. ZOLONDEK: And the third part is guests
24 of the rentals, people coming on the beach,
25 how -- I mean, is that a free-for-all like every

1 year, where they come out on a Saturday and you
2 got 25 people in a house, 30 people using the
3 beach over the walkway?

4 MAYOR VEGLIANTE: That's correct, Dave, yes.

5 MR. ZOLONDEK: Have we --

6 MAYOR VEGLIANTE: I have to remind you --

7 MR. ZOLONDEK: Have we done anything, or do
8 we have any plans to do anything?

9 TRUSTEE TRIMARCHI: I think everything that
10 you said is addressed in the rental law --

11 MAYOR VEGLIANTE: Right.

12 TRUSTEE TRIMARCHI: -- except for the last
13 thing about guests of --

14 MAYOR VEGLIANTE: David.

15 TRUSTEE TRIMARCHI: -- the renters.

16 MAYOR VEGLIANTE: It's illegal for us to
17 qualify guests of renters, because you'd have to
18 remember, any rule that we make would be for
19 guests of the families. Guests are a guest. A
20 renter doesn't have any less rights than a
21 property owner. The fact is that if we're going
22 to limit -- there's no way that I know that would
23 be responsible or fair where we could say,
24 because you rent a house, you can't have friends
25 come out. They would be --

1 MR. ZOLONDEK: Okay. I understand that,
2 Gary.

3 MAYOR VEGLIANTE: Right.

4 MR. ZOLONDEK: But what I'm saying is
5 having a house in close proximity to a walkover,
6 and a couple of rental houses that are near us,
7 it gets -- with the Coronavirus and safe
8 distancing, are we just going to ignore that?

9 TRUSTEE TRIMARCHI: What are we ignoring?

10 MAYOR VEGLIANTE: No. The --

11 CLERK SADELI: I think that -- I think that
12 Brian is trying to say something, I keep see him
13 light up.

14 (Laughter)

15 SERGEANT HENNIG: No, no, not at all.

16 MAYOR VEGLIANTE: Come on.

17 CLERK SADELI: Oh, you're not, okay.

18 MAYOR VEGLIANTE: Come on, Brian, light up.

19 SERGEANT HENNIG: No. I know the houses
20 that you're referring to, Dave, and I know what
21 you're -- it's a -- it's not a -- it's a public
22 beach, but it's not a public beach. You know,
23 it's not regulated like Cupsogue is, and it's not
24 regulated like Pike's Beach is. We can't sit
25 there and try to determine --

1 MAYOR VEGLIANTE: The beach in front the
2 Village, the beach in front of the Village
3 belongs to the People of the State of New York.
4 However --

5 SERGEANT HENNIG: Right, that's what I'm
6 saying.

7 MAYOR VEGLIANTE: Right.

8 SERGEANT HENNIG: And -- but it's hard for
9 us to determine who belongs in which house and
10 sit there --

11 MAYOR VEGLIANTE: Exactly.

12 SERGEANT HENNIG: -- and ask if the
13 relation, if they are related or not. I mean, if
14 people -- you know, we haven't had this start
15 yet. I mean, we're at Fourth of July capacity
16 right now, the number of houses occupied, so we
17 are already kind of experiencing it. And
18 we're -- I'm sure Tim will agree, we're watching
19 people, even the few houses that are rented,
20 they're using common sense. If you see somebody,
21 Dave, and you think they're doing something
22 that's unsafe, you know, let us know and we'll
23 address it. I can't --

24 MR. ZOLONDEK: You know, I'm thinking about
25 every --

1 TRUSTEE TRIMARCHI: I mean, the short of it
2 is, is that public, they are -- that's a beach
3 that anyone can use, whether they live in --

4 MAYOR VEGLIANTE: That's right

5 TRUSTEE TRIMARCHI: -- West Hampton Dunes
6 or they don't live in the Village of West Hampton
7 Dunes. They can use it. I mean, they just
8 can't -- there's no place for them to park, but
9 there's the beach.

10 MR. ZOLONDEK: Actually, Gary, off the --

11 SERGEANT HENNIG: Right. We see cabs all
12 summer long that drop people off at walkways.

13 TRUSTEE TRIMARCHI: Yeah.

14 MAYOR VEGLIANTE: It's a public beach.

15 SERGEANT HENNIG: They just pull up and
16 drop them off, and we can't tell them they can't
17 do it.

18 TRUSTEE TRIMARCHI: We don't control that.

19 SERGEANT HENNIG: No.

20 MAYOR VEGLIANTE: Folks, we just got
21 \$26 million worth of taxpayers' money putting
22 sand on that beach. We --

23 TRUSTEE TRIMARCHI: For free.

24 MAYOR VEGLIANTE: For free.

25 DR. PERLMAN: Right, we could share it.

1 (Laughter)

2 MAYOR VEGLIANTE: There's less than very
3 little that we could do about the public coming
4 to enjoy our beach. We are a Village that
5 advocates for public access, but sensible public
6 access and legal public access. If they're doing
7 something that's illegal, call the Constables,
8 they'll stop them and they'll ticket them. And
9 that, hopefully --

10 MR. ZOLONDEK: Okay. I'm -- Gary, I
11 just -- I'm concerned about social distancing and
12 the effect it will have here with the rental
13 houses and large groups congregating, what's --
14 you know, right now we have one person had
15 Coronavirus. I'd like it to be one.

16 MAYOR VEGLIANTE: Well, they've already
17 recovered, Dave. That person has recovered and
18 is fully well, so we have --

19 MR. ZOLONDEK: Great.

20 MAYOR VEGLIANTE: We have nobody now,
21 but --

22 TRUSTEE TRIMARCHI: Yeah. I mean, if you
23 see stuff like that, you should call the
24 Constabulary immediately.

25 MAYOR VEGLIANTE: Social distancing has to

1 be maintained unless they're in your -- what they
2 call now you're bubble, if they're people that
3 you live with. So if you see a large group
4 that's not distanced, let us know and let the
5 Constables know, they'll go down and straighten
6 them out. But there's nothing we can do.

7 I mean, there's very few group rentals in
8 our Village. You know, we're fairly strict about
9 it. There are a few homes that have it over what
10 may be considered a -- you know, and,
11 unfortunately, they may be near your house. But
12 the fact is, you know, these homes are renting
13 for large amounts of money and there not been
14 groups that have been renting them, in general.

15 TRUSTEE TRIMARCHI: You know, to be
16 truthful with you, I don't even think that we
17 really have the right to go in and call shots on
18 the beach. It doesn't belong to us, it belongs
19 to the general public who's governed by the
20 State.

21 MAYOR VEGLIANTE: Well, we have social
22 distancing laws, Gary, because the Village, it's
23 still within the Village boundary. But we don't
24 have the right, you know, to go -- we can't go
25 knocking on doors and --

1 TRUSTEE TRIMARCHI: I know, I know.

2 SERGEANT TURNER: Hey, Boss.

3 TRUSTEE TRIMARCHI: I mean, we'll go down
4 there. We'll say -- complain to them, but, you
5 know --

6 MAYOR VEGLIANTE: The Constables will go
7 down.

8 CLERK SADELI: Gary.

9 MAYOR VEGLIANTE: They'll force them to
10 social distance. Yes.

11 CLERK SADELI: I think Tim --

12 MAYOR VEGLIANTE: Go ahead, Brian.

13 CLERK SADELI: I think Tim's trying to say
14 something.

15 MAYOR VEGLIANTE: Go ahead, Timmy.

16 SERGEANT TURNER: Yeah. Boss, I just want
17 everyone to know that if you're on the beach or
18 swimming, you don't need a mask.

19 MAYOR VEGLIANTE: That's right.

20 SERGEANT TURNER: So as long as you're six
21 feet --

22 MAYOR VEGLIANTE: Yeah.

23 SERGEANT TURNER: -- you know, if you can't
24 reach your arms out for most people, you're away
25 from everyone, you're good to go.

1 MAYOR VEGLIANTE: Yeah.

2 SERGEANT TURNER: I mean, call us for any
3 problems. But reality is, if you're six feet
4 away from the other person, then there is no mask
5 really needed for the beach. You know, we take
6 care of all the calls, heart attacks and
7 everything else. It might take us a while for us
8 to get to the beach call if we're dealing with
9 other emergencies as well.

10 TRUSTEE TRIMARCHI: The social distancing
11 will be the big problem, because, I mean,
12 everybody that sits on the beach when the season
13 kicks in, or sitting around in a circle with
14 chair next to chair next to chair next to chair,
15 that's what -- that's when this thing will really
16 come into play.

17 MAYOR VEGLIANTE: Well, you know, Gary, the
18 social distancing may be dropped. I mean --

19 TRUSTEE TRIMARCHI: Hopefully.

20 MAYOR VEGLIANTE: Yeah.

21 TRUSTEE TRIMARCHI: Yeah, from your -- from
22 your mouth to God's ears.

23 MAYOR VEGLIANTE: Yeah.

24 SERGEANT HENNIG: Yeah. Well, again, if
25 people are all related to each other, they're

1 staying in the same house --

2 MAYOR VEGLIANTE: Yep.

3 SERGEANT HENNIG: -- and there's 10 of them
4 and they're all related, staying in the same
5 house, and they're sitting -- you know, walking
6 out to the beach together, and they're sitting at
7 the beach together, they don't have to social
8 distance. The law that the County Executive and
9 the Governor passed about masks being warn,
10 that's for County public beaches where you have
11 to wear the mask --

12 MAYOR VEGLIANTE: Right.

13 SERGEANT HENNIG: -- from the time that you
14 are in the parking lot, as you walk on the
15 boardwalk. But once you get down to the sand,
16 you could remove the mask. That's not -- that
17 wouldn't apply to our area. But the law that
18 would apply is if you're -- if you can't maintain
19 social distance --

20 MAYOR VEGLIANTE: Right.

21 SERGEANT HENNIG: -- of six feet away from
22 anybody, you're still supposed to wear a mask.

23 MAYOR VEGLIANTE: Right.

24 SERGEANT TURNER: And we're still issuing
25 bonfire permits. If your family is enjoying

1 themselves on the beach and you're all within the
2 same group, you know, in the same house, you have
3 a bonfire, that's allowed. You don't have to
4 have your mask on either.

5 MAYOR VEGLIANTE: Right.

6 SERGEANT TURNER: You can sit on the beach,
7 enjoy your bonfire, and be respectful to your
8 neighbors, that's all okay.

9 MAYOR VEGLIANTE: That's not to say that if
10 they're being boisterous, loud, you know, and
11 going crazy on the beach we can't stop them.
12 Dave, you know that if there's -- if there are --
13 unruly behavior is disorderly conduct.
14 Disorderly conduct it is still disorderly conduct
15 and we can --

16 SERGEANT TURNER: Absolutely. As I said,
17 Boss, as long as everyone is being respectful to
18 your neighbors --

19 MAYOR VEGLIANTE: Right.

20 SERGEANT TURNER: -- it's all -- it's all
21 good. If, you know, the same household is
22 enjoying a bonfire --

23 MAYOR VEGLIANTE: Right, that's right.

24 SERGEANT TURNER: -- that you're all
25 staying in the same location, it's okay.

1 MAYOR VEGLIANTE: Okay.

2 MR. DELMONACO: Hello, guys. This is Dom
3 DeIMonaco from 5 Widgeon Way. How are you today?

4 MAYOR VEGLIANTE: Good, Dom. How are you?

5 MR. DELMONACO: Good, good. Thank you for
6 allowing me on this call. I have three
7 questions. As some of you know, and some who
8 don't know, my daughter has special needs. We
9 take her on Beach Access 7 and it's kind of in
10 disarray, it's falling apart. And I'm wondering,
11 do we have the means to repair the steps, or can
12 I send out a crew to repair those steps?

13 MAYOR VEGLIANTE: Technically, Dom, those
14 walkways are maintained by the County.

15 MR. DELMONACO: Okay.

16 MAYOR VEGLIANTE: The problem is we will
17 put the report in for the County to do it and you
18 never know when or if they're going to show up.

19 MR. DELMONACO: Okay. So, unofficially,
20 I'll just bring a screw gun and we'll be fine
21 with that. That's my first question.

22 CLERK SADELI: I have tried to have that
23 walkover fixed before.

24 MAYOR VEGLIANTE: Yes.

25 CLERK SADELI: Last summer and the summer

1 before. I've emailed the County.

2 MAYOR VEGLIANTE: Yeah.

3 CLERK SADELI: I've spoke with the
4 gentleman who runs the department.

5 MAYOR VEGLIANTE: They come up with one
6 excuse.

7 CLERK SADELI: That one they seem to be
8 disputing --

9 MAYOR VEGLIANTE: Right.

10 CLERK SADELI: -- out of all of them, I'm
11 not sure why. And I know that they're not
12 working at full capacity, they're only at 50%
13 staff, if they're -- the County Center is closed.

14 MAYOR VEGLIANTE: Right.

15 MR. DELMONACO: Okay.

16 CLERK SADELI: So it's hard to even get in
17 touch with anybody. She just happens to be a
18 resident of the Village.

19 MAYOR VEGLIANTE: Dominic, I promise you,
20 if you show up with a screw gun, my Constables
21 will not stop you.

22 SERGEANT HENNIG: What screw gun?

23 MR. DELMONACO: If you see --

24 MR. MORNINGSTAR: Hey, Dom.

25 MR. DELMONACO: Yes. If you see --

1 SERGEANT TURNER: Hey, Boss.

2 MAYOR VEGLIANTE: Yes.

3 MR. MORNINGSTAR: Hey, Dom, this is Bill
4 Morningstar and --

5 SERGEANT TURNER: Tomorrow we're going to
6 have a meeting with the County -- we're going to
7 meet with the County Exec. We'll bring it up to
8 him. I'm sure he can send someone over from the
9 Count Parks, they'll assist us.

10 MR. DELMONACO: Go ahead, Bill. Thank you,
11 Gary. Go ahead, Bill.

12 MR. MORNINGSTAR: To Dom's point, listen, I
13 know we all -- we all recognize there's a time
14 and a place. And like what we're going through
15 right now is unprecedented, all those things.
16 And to ask for something to be fixed sounds
17 really small. But I will tell you, Walkway No. 7,
18 we all have kids, and Dom has special needs,
19 there's nails popping up, there's boards out of
20 whack, the railings are falling down. It's
21 really unsafe, and that could be a worse problem
22 than just fixing it. And we would -- I think Dom
23 said, we would help fix it, but --

24 MR. DELMONACO: Yeah.

25 MR. MORNINGSTAR: -- how do we go about

1 doing that? Because it's really -- it could be a
2 bigger problem if someone gets hurt going across
3 that.

4 TRUSTEE TRIMARCHI: Just do it.

5 MAYOR VEGLIANTE: Thank you, Bill.

6 MR. DELMONACO: I'm just -- Gary, if it's
7 okay, I'm just going to take it upon myself, so.

8 MAYOR VEGLIANTE: Look, do me a favor,
9 wait. Tomorrow we're going to speak with the
10 County Exec. If I think I can get him to get
11 somebody over there to do something, we'll know.
12 If not, I'll let you know. How's that?

13 MR. DELMONACO: Okay.

14 MAYOR VEGLIANTE: All right?

15 MR. DELMONACO: All right. That's fine, I
16 appreciate that. That's one out of my -- I have
17 two more questions for you.

18 MAYOR VEGLIANTE: And you got the floor.

19 MR. DELMONACO: With regarding this
20 temporary access to the canal that was installed
21 illegally, is anyone making arrangements to take
22 this -- these pallets up and this wood up, or is
23 that something that I can do?

24 MAYOR VEGLIANTE: Well, I explained it
25 to -- well, it's really on BBPA property, so they

1 would -- they would have to --

2 MR. DELMONACO: Okay. So, Catherine, would
3 it be an issue --

4 MS. WOOLFSON: Dom, hi, it's Catherine.
5 Can you hear me?

6 MR. DELMONACO: Would it be an issue if I
7 sent a crew to load up the wood and take it away?

8 MAYOR VEGLIANTE: You have to talk --
9 Dominic, you have to talk to Catherine about
10 that. The Village really can't --

11 MS. WOOLFSON: Dom, can you hear me?

12 MR. DELMONACO: Oh, yes.

13 MAYOR VEGLIANTE: Why don't you guys
14 talk --

15 MS. WOOLFSON: Dom, can you hear me?

16 MAYOR VEGLIANTE: Catherine, why don't you
17 and Dominic --

18 MR. DELMONACO: We'll get together off this
19 call and talk about it.

20 MAYOR VEGLIANTE: Yeah, off this call, I
21 think that would be better.

22 MS. WOOLFSON: Dom, are you here? Can you
23 hear me?

24 MR. DELMONACO: I am, Catherine, yes.

25 MS. WOOLFSON: Okay. I just want to let

1 you know, yeah, we're on top of it, and I'm going
2 to make arrangements to have it taken care of.

3 MR. DELMONACO: Okay. Thank you.

4 MAYOR VEGLIANTE: I think that's the best way.

5 MS. WOOLFSON: You're welcome.

6 MAYOR VEGLIANTE: And maybe somebody will
7 complain that they removed it and they'll know
8 who do it.

9 MS. WOOLFSON: There you go, bingo.

10 (Laughter)

11 SERGEANT HENNIG: Wouldn't be the first
12 time.

13 MS. WOOLFSON: That's right.

14 MAYOR VEGLIANTE: They have no permit, they
15 never contacted the Village. You know, it just
16 can't be done that way.

17 MR. DELMONACO: Okay.

18 MAYOR VEGLIANTE: All right?

19 MR. DELMONACO: Yeah. And then last
20 question is, if this easement is, in fact, been
21 deeded and it's an easement, who will be in
22 charge of policing me for now, if that's
23 something -- is that the BBPA?

24 MAYOR VEGLIANTE: No. If there's an
25 easement to the bay that leads onto the canal,

1 the use of the canal is really -- there's almost
2 it was an illegal use. If there's an illegal
3 use, our Constables would make the call, but
4 there's no real use that's illegal. I mean --

5 MR. DELMONACO: Gary, I'm -- whatever's
6 legal is fine. I just -- and you know what, most
7 residents have respect for each other --

8 MAYOR VEGLIANTE: Sure.

9 MR. DELMONACO: -- and I really don't see
10 that being an issue.

11 MAYOR VEGLIANTE: Right.

12 MR. DELMONACO: What I do have an issue is
13 if there's renters that come in and abuse the --
14 you know, abuse --

15 MAYOR VEGLIANTE: I don't think that's
16 going to happen. But, of course, if there's any
17 boisterous behavior or any behavior that you're
18 uncomfortable with, call the Constables, they
19 will deal with it.

20 MR. DELMONACO: Okay. And that's all I
21 need to ask.

22 MAYOR VEGLIANTE: Yes, absolutely.

23 MR. DELMONACO: I appreciate, I appreciate
24 this --

25 MAYOR VEGLIANTE: No, no. And it --

1 MR. DELMONACO: -- your answering these
2 questions.

3 MAYOR VEGLIANTE: And I'm sure they will
4 deal with it. But if you're unhappy with that,
5 you call me.

6 MR. DELMONACO: Okay, wonderful.

7 MAYOR VEGLIANTE: All right?

8 MR. DELMONACO: All right. I'll be seeing
9 you guys this weekend.

10 MAYOR VEGLIANTE: Hopefully, yes. It's
11 going to be -- I hope it will be nice weather.

12 MR. DELMONACO: It sure will. Thanks, guys.

13 MAYOR VEGLIANTE: Any time.

14 MR. WANG: Hi. Gary?

15 MAYOR VEGLIANTE: Yes.

16 MR. WANG: This is Edward Wang again.

17 MAYOR VEGLIANTE: Hi, Ed.

18 MR. WANG: Just as a brief point of
19 information, that Walkway 7 that Mr. DeMonaco
20 was talking about, that's the one that the County
21 says doesn't exist.

22 MAYOR VEGLIANTE: That's correct, but they
23 know it does.

24 (Laughter)

25 MR. WANG: That may be why that -- that may

1 be why they're ignoring it and not fixing it.

2 CLERK SADELI: Right.

3 MAYOR VEGLIANTE: Well, they have a lot of
4 excuses, Ed. They tried that one on us as well.
5 And, you know, unfortunately, you know,
6 technically, it exists and they were aware of it,
7 and now they're denying that they were aware of
8 it. Joe has found the documents, and Bob
9 Strecker, actually, helped present the documents
10 that reinvigorated their awareness. But I would
11 say that they're still not going to probably do
12 anything to maintain it until this whole issue is
13 resolved.

14 TRUSTEE TRIMARCHI: Well, we do have a
15 resident who's ready to do things that make --

16 MAYOR VEGLIANTE: I think it may --

17 TRUSTEE TRIMARCHI: -- to make things
18 safe --

19 MAYOR VEGLIANTE: Right.

20 TRUSTEE TRIMARCHI: -- for all the people
21 to --

22 MAYOR VEGLIANTE: That's correct.

23 TRUSTEE TRIMARCHI: -- cross that walkover.

24 MAYOR VEGLIANTE: And I can assure you, my
25 Constables will not stop them.

1 MR. WANG: Did Bob Strecker --

2 MR. DELMONACO: Okay.

3 MR. WANG: Did Bob Strecker produce the
4 easement; is that what you're talking about?

5 ATTORNEY PROKOP: Yes.

6 MAYOR VEGLIANTE: He produced the documents
7 that made it very clear that easement was agreed
8 to by the County, the Federal Government and the
9 Village. They still don't recognize it.

10 SERGEANT HENNIG: Gary.

11 MAYOR VEGLIANTE: Yeah.

12 SERGEANT HENNIG: I just wanted to say,
13 just so everybody is aware. Throughout the last,
14 like Tim said, 20 some-odd years that the two of
15 us have been there, new easements, as they come
16 into play, there's like a learning curve for a
17 short period of time, and then everybody kind of
18 figures out the rules.

19 MAYOR VEGLIANTE: Right.

20 SERGEANT HENNIG: So we'll be -- between us
21 and the homeowners, we'll form a team of people,
22 and it always ends up working out. But in the
23 beginning, sometimes it's just a little bit, you
24 know, complex and then --

25 MAYOR VEGLIANTE: Yeah.

1 (Laughter)

2 MAYOR VEGLIANTE: Listen, I'm looking very
3 much forward to a great summer, folks. We have a
4 beautiful beach and a great community, let's keep
5 it that way. But don't hesitate to call the
6 Constables if you feel uncomfortable about
7 anything you see. These guys will answer your
8 call, right, guys?

9 TRUSTEE TRIMARCHI: Right

10 SERGEANT HENNIG: Yep.

11 MAYOR VEGLIANTE: Okay.

12 MR. MORNINGSTAR: That's great.

13 MS. WOOLFSON: Thank you, guys, for all
14 you're doing.

15 MR. DELMONACO: Thank you.

16 MS. WOOLFSON: Thank you, guys.

17 MAYOR VEGLIANTE: Okay. Joe, do we have to
18 go into an Executive Session to discuss a couple
19 of items?

20 ATTORNEY PROKOP: No, we're going to -- not
21 tonight.

22 MAYOR VEGLIANTE: Not tonight?

23 ATTORNEY PROKOP: We're not going to do it
24 tonight.

25 MAYOR VEGLIANTE: All right. Let's --

1 let's make it soon this week. I want it before
2 the weekend.

3 ATTORNEY PROKOP: Okay.

4 MAYOR VEGLIANTE: All right. Trustees, do
5 you have a date that we could do an executive
6 conference? Maybe Wednesday or -- Wednesday?

7 TRUSTEE EFF: Wednesday's no good for me.

8 TRUSTEE TRIMARCHI: I assume this was
9 planned. Why are we not doing it now?

10 ATTORNEY PROKOP: Because the -- this
11 meeting went too long and we ate up the reserved
12 conference call time that we have.

13 MAYOR VEGLIANTE: All right.

14 ATTORNEY PROKOP: Sorry.

15 MAYOR VEGLIANTE: All right. Wednesday is
16 not good for you, John?

17 TRUSTEE EFF: No, no.

18 MAYOR VEGLIANTE: What day is good?

19 TRUSTEE TRIMARCHI: How about tomorrow?

20 MAYOR VEGLIANTE: I'm good any day.

21 ATTORNEY PROKOP: Tomorrow is good.

22 MAYOR VEGLIANTE: Yeah.

23 TRUSTEE EFF: Yeah, tomorrow is -- tomorrow
24 is fine

25 MAYOR VEGLIANTE: Mike?

1 TRUSTEE CRAIG: Sure.

2 MAYOR VEGLIANTE: What time?

3 TRUSTEE CRAIG: After 4 o'clock.

4 MAYOR VEGLIANTE: After 4?

5 TRUSTEE TRIMARCHI: How about 4:30?

6 TRUSTEE EFF: I can't do it until five.

7 Sorry. Quarter to 5.

8 TRUSTEE TRIMARCHI: Okay, 5 o'clock.

9 TRUSTEE EFF: All right. Thanks.

10 ATTORNEY PROKOP: Thank you.

11 MAYOR VEGLIANTE: All right.

12 CLERK SADELI: Do you want me to set the
13 Zoom for you, or do you want to just do it as a
14 call?

15 TRUSTEE TRIMARCHI: No, we can do it as a
16 call.

17 MAYOR VEGLIANTE: A call, because I'll
18 probably be in the car. All right.

19 SERGEANT HENNIG: Gary, just keep in mind,
20 we got the County call at 4.

21 MAYOR VEGLIANTE: I know, I know.

22 TREASURER VEGLIANTE: It's been going
23 faster, though.

24 MAYOR VEGLIANTE: Yeah, they -- we've been
25 wrapping that up by 4:30, quarter to. All right.

1 Do it at 5.

2 TRUSTEE TRIMARCHI: Tomorrow.

3 MAYOR VEGLIANTE: Joe, are you going to
4 circulate a phone number?

5 ATTORNEY PROKOP: Angela will do it, I
6 think.

7 CLERK SADELI: Sure.

8 ATTORNEY PROKOP: Please, Angela. Angela,
9 can you do it?

10 CLERK SADELI: Absolutely, yeah.

11 ATTORNEY PROKOP: Okay. If you need me to
12 do it, just let me know.

13 CLERK SADELI: Okay, I'll do it.

14 MAYOR VEGLIANTE: Okay. Motion to adjourn.

15 TRUSTEE GOLDFEDER: Motion.

16 TRUSTEE TRIMARCHI: Motion.

17 MAYOR VEGLIANTE: Barry. Seconded by who?

18 TREASURER VEGLIANTE: Second, Gary.

19 TRUSTEE TRIMARCHI: Me.

20 MAYOR VEGLIANTE: Second by Gary? Okay.

21 All in favor?

22 TRUSTEE CRAIG: Aye.

23 TRUSTEE EFF: Aye.

24 TRUSTEE GOLDFEDER: Aye.

25 TRUSTEE TRIMARCHI: Aye.

1 MAYOR VEGLIANTE: None opposed. All right.

2 TREASURER VEGLIANTE: Good night,
3 everybody.

4 MAYOR VEGLIANTE: Good night, everyone.

5 (The meeting was adjourned at 9:11 p.m.)
