

INCORPORATED VILLAGE OF WEST HAMPTON DUNES

BOARD OF TRUSTEES

GENERAL MEETING

NOVEMBER 24, 2020

7:30 p.m.

Meeting Held Via
Video Conferencing

MEMBERS PRESENT:

Gary Vegliante - Mayor

Michael Craig - Trustee

John J. Eff, Jr. - Trustee

Harvey Gessin - Trustee

Gary Trimarchi - Trustee

ALSO PRESENT:

Joseph Prokop - Village Attorney

Angela Sadeli - Village Clerk

Claire Vegliante - Village Treasurer

Sergeant Brian Hennig

Sergeant Timothy Turner

TAKEN & TRANSCRIBED BY:

Lucia Braaten - Court Reporter

1 (The meeting was called to order at 7:31 p.m.)

2 MAYOR VEGLIANTE: Okay. Bring the meeting to
3 order. Everybody's on. Okay. We'll all say a Pledge
4 of Allegiance in our own little heads and let things go
5 from there.

6 All right. And the first thing we're going to
7 talk -- we have some -- I had some interesting calls
8 this week about several items. They're right on the
9 agenda. First, we'll talk a little bit about kayaks and
10 boats.

11 It's been reported by several people in the
12 community that during the season, there are people that
13 are bringing up their kayaks and pulling up on shore,
14 and that would be on their own -- not on their own
15 property, on somebody else's property, and then leaving
16 them there. So, you know, I just want to remind
17 everyone, we encourage everybody to go out and kayak and
18 enjoy the bay, but, please, don't bring your boat up and
19 leave it on somebody else's property, you know, and
20 it's -- you're actually trespassing. So if they wanted
21 to, they could call the Constables and they would have
22 to ticket you.

23 So just remember, be kind and be aware of your
24 neighbors, residents. And if you want to put your boat
25 up on dry land, either bring them to your own property,

1 or if you don't have property on the bay, we're -- I'm
2 going to -- I'm going to ask the Trustees. We're
3 thinking of building some kayak racks, maybe down by the
4 Water Authority walkover and any other location that we
5 may be able to get a hold of. And we as a Village will
6 build the kayak rack, and then you would come and put
7 your kayak on the rack, or if not, right near the rack.
8 And I think that's a pretty good idea. Anybody have any
9 input?

10 TRUSTEE CRAIG: Yeah. Gary, we have two other
11 locations. We could put one near Pike's and one at 656,
12 because we've got -- we've got a right-of-way at 656.
13 So that gives --

14 MAYOR VEGLIANTE: No. We actually have a reverse
15 flag lot.

16 TRUSTEE CRAIG: Right.

17 MAYOR VEGLIANTE: We have a 15-foot strip going
18 right to the water.

19 TRUSTEE CRAIG: Yeah. So that covers the
20 beginning, the middle, and the end of the Village.

21 MAYOR VEGLIANTE: Well, Pike's, we don't know if
22 we could do that, because, frankly, we don't know
23 whether the Town would cooperate, but we could exert
24 pressure if they didn't.

25 So I think that we could first start thinking

1 about building them, if there are any -- anybody could
2 give us an idea of what something that like would cost,
3 or maybe we could ask a couple of builders in the
4 community. And, you know, it's just basically
5 two-by-fours set up like --

6 TRUSTEE TRIMARCHI: What, there's no way that we
7 can do this behind the Constabulary building and --

8 MAYOR VEGLIANTE: Yeah, that's what we're talking
9 about. We can do it by 656.

10 TRUSTEE TRIMARCHI: Yeah.

11 MAYOR VEGLIANTE: And we could do it --

12 TRUSTEE TRIMARCHI: Well, 656 is on the other end
13 of town.

14 MAYOR VEGLIANTE: Right.

15 TRUSTEE CRAIG: Yes.

16 MAYOR VEGLIANTE: And we could do it -- and we
17 could do it by -- by the Water Authority, which is right
18 by Widgeon Way -- Dune Lane.

19 TRUSTEE CRAIG: What about -- what about the
20 bird -- the bird watching area?

21 MAYOR VEGLIANTE: Yeah, that might be a spot.

22 CLERK SADELI: Yeah, that's a good idea.

23 TRUSTEE CRAIG: There's a parking lot there
24 and --

25 MAYOR VEGLIANTE: Yeah, yeah, that might be a

1 spot.

2 TRUSTEE CRAIG: That goes to the water and it's
3 up the middle.

4 MAYOR VEGLIANTE: Yeah.

5 TRUSTEE CRAIG: That's three locations,
6 beginning, middle and end of the Village.

7 MAYOR VEGLIANTE: Yeah, that could be a big spot.
8 I don't think they would be terribly expensive. I think
9 what we'll do is I'll ask some of the builders in the
10 area what their ideas of cost would be, and see if
11 anybody sells them prefab, or whatever, and we'll put
12 it out.

13 TRUSTEE TRIMARCHI: Yeah, they have pre-fab
14 racks.

15 MAYOR VEGLIANTE: Do they?

16 TRUSTEE TRIMARCHI: Yes.

17 MAYOR VEGLIANTE: See how much they cost. Let's
18 figure how much -- how many kayaks we could accommodate,
19 you know.

20 TRUSTEE TRIMARCHI: And we could just --

21 TRUSTEE EFF: Do people have to have --

22 TRUSTEE TRIMARCHI: We'll have it for those
23 people that want to use it.

24 MAYOR VEGLIANTE: Yeah, yeah. What were you
25 saying, John?

1 TRUSTEE EFF: Did -- would we have to have
2 permits for this?

3 MAYOR VEGLIANTE: (Laughter).

4 TRUSTEE EFF: Is that a thought? I don't know.
5 I figured I, you know, might as well ask.

6 MAYOR VEGLIANTE: Well, no. In the Village
7 boundary, anything in the Village boundary on Village
8 property, we are the permitting agency, so we
9 actually --

10 TRUSTEE EFF: Yes.

11 MAYOR VEGLIANTE: -- don't have to apply for
12 permits. But if we --

13 TRUSTEE TRIMARCHI: Gary, we shouldn't ask --

14 TRUSTEE EFF: No, I don't mean --

15 TRUSTEE TRIMARCHI: -- because we could be told
16 no. And if someone --

17 MAYOR VEGLIANTE: Yeah, right.

18 TRUSTEE TRIMARCHI: -- says something, then we'll
19 deal with it.

20 MAYOR VEGLIANTE: Right.

21 TRUSTEE EFF: No, no. Maybe you misunderstood.
22 I'm not asking whether we have to get a permit. I'm
23 saying do we have to establish a permitting process for
24 people to use it?

25 MAYOR VEGLIANTE: I don't believe so, but if we

1 did, we would.

2 TRUSTEE TRIMARCHI: Well, no. If somebody wants
3 to spend money, if we do this little development, if
4 somebody wants to spend money, they'll sign a piece of
5 paper and pay the money and that will be their permit.

6 MAYOR VEGLIANTE: Yeah. I think we first find
7 out what -- we'll find out what they cost first.

8 TRUSTEE EFF: Find out the construction and the
9 cost, yeah.

10 MAYOR VEGLIANTE: Right, and find out where we
11 can put them. Beside, you know, find out locations we
12 can place them and then move on from there. But I think
13 that actually covers some of the concerns of other
14 residents who are having people maybe unwittingly, you
15 know, pull their boat up onto the shore, then onto their
16 property, and then walking home and coming back the next
17 day, using their boat, and then pulling it back up. You
18 know, it's just sometimes people aren't aware that
19 they're actually trespassing on private property.

20 So I think a good way to mollify these problems
21 is by offering them a ramp and offering them a rack and
22 saying, "Look, please, don't trespass on somebody else's
23 property, we have racks at these locations." And then,
24 of course, if a -- if a resident is concerned and
25 there's people on their property, they should call the

1 Constable. That's why we have these good guys in our
2 uniform, you know, handle it.

3 TRUSTEE TRIMARCHI: This whole kayaking thing is
4 becoming more and more and more popular.

5 MAYOR VEGLIANTE: Huge, it really is. You know,
6 we may be able to put one at the end of Widgeon Way on
7 the street. I know -- well, I don't know if there is
8 any way they can access the water there. No. Well,
9 we'll figure it out. I think, you know, we got -- we
10 got an idea.

11 CLERK SADELI: I think Brian's on and he wanted
12 to say something. Brian, are you there?

13 SERGEANT HENNIG: Yeah, I'm here. No, I
14 didn't --

15 CLERK SADELI: Okay.

16 SERGEANT HENNIG: No, I didn't want to saying
17 anything. Angela, I was just making sure I wasn't
18 muted. But just --

19 CLERK SADELI: Okay.

20 SERGEANT HENNIG: -- just the -- Strecker and
21 Mayer are on the lot actually combined together and
22 there is no public access on the end --

23 MAYOR VEGLIANTE: Right, right.

24 SERGEANT HENNIG: -- of the Widgeon Way.

25 MAYOR VEGLIANTE: Yep.

1 SERGEANT HENNIG: Yeah.

2 MAYOR VEGLIANTE: Yep.

3 SERGEANT HENNIG: But, obviously, we want to
4 encourage people to access the bay, Gary, and we'll work
5 with you any way we can --

6 MAYOR VEGLIANTE: Well, there's the BBPA
7 property.

8 SERGEANT HENNIG: -- to figure out spots.

9 MAYOR VEGLIANTE: We could put something down by
10 the BBPA property by the bay --

11 SERGEANT HENNIG: Right.

12 MAYOR VEGLIANTE: -- and put a kayak rack.
13 There's definitely some access there.

14 TRUSTEE EFF: Wasn't there some -- wasn't there
15 some thinking about that years ago?

16 MAYOR VEGLIANTE: There was thinking about a
17 marina, yeah, but --

18 TRUSTEE EFF: Right.

19 TRUSTEE TRIMARCHI: A marina.

20 MAYOR VEGLIANTE: This is not a marina, this is a
21 kayak rack.

22 TRUSTEE EFF: No, I know, I know.

23 MAYOR VEGLIANTE: It's a much more passive, less
24 inclusive issue. Besides, unfortunately, the creek
25 that's back there, the inlet is very shallow, so we

1 could only accommodate kayaks, you know, and paddle
2 boards.

3 So I think we have an idea. We'll get some
4 prices, and by -- by the next meeting, we should have
5 some idea what they'll cost. And if anyone wanted to
6 donate their time and energy, we'll know all about it.

7 All right. Of course, anybody in the public who
8 wants to make a comment about this, stay on the line,
9 because I don't think this is going to be a long
10 meeting, and in the open period, you can feel free to
11 comment on the kayak rack.

12 Okay. Question number two, there's been some
13 interest and some concerns about -- by residents about
14 flagpoles out on the dune. And, you know, while I'm
15 sure we're all very patriotic and we love our flag and
16 our country, the flagpoles are -- can be -- some would
17 be very large with large flags. And I was wondering if
18 we have any -- if you guys, how you feel about -- I
19 don't know how we could really control it, because
20 I've -- basically, if they're built on the dune, that
21 could be considered, you know, imposing or diminishing
22 the value of the dune or the integrity of the dune. But
23 I really don't know what kind of regulations we could
24 put. I don't think there are regulations in other
25 villages regarding flag poles on your own property.

1 TRUSTEE TRIMARCHI: Well, there are several
2 flagpoles on everybody's property across the ocean side.

3 MAYOR VEGLIANTE: Up and down the ocean side, I
4 know, and there are flagpoles on the bay.

5 TRUSTEE TRIMARCHI: So, I mean, they're on their
6 private walkovers, I know that they're on the dune.

7 MAYOR VEGLIANTE: Yeah.

8 TRUSTEE TRIMARCHI: But, I mean, why? Do we have
9 complaints?

10 MAYOR VEGLIANTE: Well, some people were
11 concerned about whether if they're sturdy enough. What
12 happens if they get blown over, if they hit their home.

13 TREASURER VEGLIANTE: Some of them are big.

14 MAYOR VEGLIANTE: You know, some of them have
15 very, very large flags.

16 MS. LANDECK: Have you been getting complaints?
17 Hi, Gary.

18 MAYOR VEGLIANTE: Yeah.

19 MS. LANDECK: Donna Landeck here.

20 MAYOR VEGLIANTE: Hi, Carl -- Donna?

21 MS. LANDECK: Yeah, Donna and Carl here.

22 MAYOR VEGLIANTE: Okay.

23 MS. LANDECK: Yeah. There was a flagpole put
24 right by our house. How tall would you say that
25 flagpole is, Carl? It's really tall. The base of it

1 is -- you know, the flagpole itself is pretty thick. In
2 fact, it looks like one of the bigger ones on the beach.
3 I know there's a bunch of them down on the beach. But
4 what I was saying was a couple of things. If every
5 single homeowner on the ocean put a flag, I think it
6 would really look bad. Our beach would not have clear
7 beautiful views.

8 Also, there should be a regulation on what should
9 be put on the flagpole. Right now, anyone could fly
10 anything. What would you say if they flew a Nazi flag
11 or a Confederate flag?

12 MAYOR VEGLIANTE: You know, that's a long-time
13 story. Unfortunately, the Constitution protects the
14 right of freedom of speech. So while it may be very
15 distasteful to many of us, Joe, I think you could -- you
16 could say, tell us that there's not much you can do
17 about personal -- personal choice.

18 ATTORNEY PROKOP: In those two instances, I think
19 there might be, but, generally --

20 MAYOR VEGLIANTE: Maybe.

21 ATTORNEY PROKOP: Generally, we're not allowed to
22 do that. But anyway, my concern is how these flags --
23 since walking on the dune is not allowed, my concern is
24 how these flagpoles are getting to the dune, and then
25 also how the flags are being raised. I mean, really,

1 we're not supposed to be on the dune, right?

2 MAYOR VEGLIANTE: Well, yeah, but --

3 TRUSTEE TRIMARCHI: Most of the flagpoles that
4 are existing today are attached to a walkover.

5 MAYOR VEGLIANTE: Yeah.

6 TRUSTEE TRIMARCHI: I don't think that I have
7 seen one that has not has been attached to a walkover.

8 MAYOR VEGLIANTE: But even so, Gary, construction
9 is permitted. If you -- if you really couldn't -- I
10 mean, we'd have to clear legislation, but you really
11 can't control construction, like when you build a
12 walkway, you're walking on the dune. The dunes can't be
13 trampled and they can't -- because it diminishes the
14 dune, so we can control that. But the construction of a
15 flagpole or as a walkover, you know, even as a walkover,
16 it -- we really can't stop that. We have to put --

17 ATTORNEY PROKOP: I agree with --

18 TRUSTEE TRIMARCHI: No, my thought was not to
19 stop it. I mean --

20 MAYOR VEGLIANTE: Yeah, right. I'm just
21 answering the question.

22 TRUSTEE TRIMARCHI: I mean, no one wants to see
23 them -- anyone flying a Nazi flag or anything like that,
24 but if they want to fly a flag of a country, as long as
25 the American flag is on top.

1 MAYOR VEGLIANTE: Yes.

2 TRUSTEE TRIMARCHI: It should not be a problem if
3 somebody wanted to display the American flag. How
4 they're attached, I guess we can look to our Building
5 Inspector to create some rules --

6 MAYOR VEGLIANTE: Yeah.

7 MAYOR VEGLIANTE: -- and regulations on how
8 they're attached.

9 MAYOR VEGLIANTE: Right. Joe, I think --

10 MR. LANDECK: Also -- I'm sorry to interrupt, but
11 also, you know, another concern, besides the integrity
12 of the flagpole, right, you know, we just had 60 mile an
13 hour gusts, 50 mile an hour gusts --

14 MAYOR VEGLIANTE: Right.

15 MR. LANDECK: -- and some of these flagpoles, you
16 know, were wobbling pretty well. So, you know, if we
17 wind up with 65 or 70 miles, if some of these things
18 become projectiles, right, it's going to be bad.

19 The other concern that I have, as opposed to,
20 right, having some rules about what -- you know, whether
21 or not you can regulate whether something is flying or
22 not, right, the next thing that's going to happen is
23 we're going to wind up with lights out there, you know.
24 Like somebody's going to, you know, decide they're going
25 to put, you know, some giant beaming, you know, night

1 light, you know, out there that's going to, again,
2 completely change the character of everything that's
3 around it when we spotlight this thing, and like that's
4 going to become a problem, too. It's going to be a huge
5 nuisance.

6 You know, we've got people already on the street.
7 You know, we've been here for over 20 years, right? We
8 came out here for the quiet enjoyment, you know, and,
9 you know, we now have people lighting up the front of
10 their houses like it's a commercial parking lot out
11 there. Now we're going to wind up on the -- on the
12 dunes. You know, at least -- at least you can retreat
13 to the back of your house, away from the commercial
14 parking lot in the front of your house. But now we're
15 going to have the dunes being lit up here like it's the
16 middle of the day, you know, at night. So, you know --

17 MAYOR VEGLIANTE: Well, Carl --

18 MR. LANDECK: -- I really think we need to think
19 about it.

20 MAYOR VEGLIANTE: Carl, there are some
21 environmental impacts to illuminating the beach at night
22 that I think we could rely on to kind of control that.
23 So I think that part of your issue would be -- is
24 controllable. The issue of the flagpole I think is a
25 much more difficult issue because of the

1 constitutional of it.

2 MS. LANDECK: Right. But do we regulate the
3 size, Gary, like -- you know, like I said there are
4 flags --

5 MAYOR VEGLIANTE: We really are unable or not
6 permitted by Constitution to regulate the size or
7 statement on personal property.

8 TRUSTEE TRIMARCHI: Well, listen, too, right now,
9 we don't really have an issue, so let's not create an
10 issue where we don't have one. If something happens
11 that's out of line and there's -- is not good for
12 someone, then we can step in. But right now, we have
13 peace, and people are flying the American flag and flags
14 of their country, their native country, and it doesn't
15 really seem to be a problem.

16 MS. LANDECK: Well, but I'm saying, Gary, it is a
17 problem, because where I had a beautiful beach access,
18 now I see a huge aberration to me. It's just a big, fat
19 flagpole flying really high. And I'm just thinking, if
20 I put one and the person next to me puts one, will the
21 beach just be a flag beach? I mean, when does it --

22 TRUSTEE TRIMARCHI: But that hasn't happened yet.

23 MS. LANDECK: Well, that's what we're trying to
24 talk about so it doesn't happen, right, because --

25 TRUSTEE TRIMARCHI: I don't know what constitutes

1 too many American flags.

2 MAYOR VEGLIANTE: Well, look, I don't know
3 whether we have the right --

4 TRUSTEE TRIMARCHI: If you could describe that to
5 me, that people want to fly the American flag, they
6 should be proud to do it.

7 MAYOR VEGLIANTE: Right. But if every house put
8 one up, they'd have 150 --

9 TRUSTEE TRIMARCHI: And I don't think anybody
10 should take them on for that.

11 MAYOR VEGLIANTE: If every house on the ocean put
12 one up, you'd have 150-plus flagpoles on the beach. I
13 don't know whether we have a constitutional right to
14 regulate that. We can regulate the lighting, because I
15 think there's a hook there with the Fish and Wildlife,
16 but, Carl --

17 TRUSTEE TRIMARCHI: I don't think there's one
18 flagpole on that beach that's illuminated.

19 MAYOR VEGLIANTE: Well, I --

20 TRUSTEE TRIMARCHI: I live on that beach.

21 MAYOR VEGLIANTE: There may be, but I think we
22 have a method that we could control that.

23 TRUSTEE CRAIG: By law, when you fly an American
24 flag, you're supposed to have it illuminated at night by
25 law.

1 MAYOR VEGLIANTE: At night, that's right, it must
2 be illuminated.

3 MS. LANDECK: That's right. And four houses down
4 from us it is illuminated. I'm just afraid to get our
5 big honker illuminated, that would be even worse.

6 MR. LANDECK: Because it is growing by us, right?
7 You know, over the past six months we've had several
8 houses renovated, torn down and renovated right by us,
9 and both of them have -- you know, now we're in the
10 competition for the flag as to who has the taller
11 flagpole, who has the bigger flag, you know, on the
12 flagpole.

13 And one of these people that bought one of these
14 properties tore the house down and built the house is
15 now in the process of buying another house that is now
16 not only two properties from us, but now it's going to
17 be literally right next door to us. So in the span of
18 six months, we're going to have three flagpoles erected,
19 you know, on the property surrounding us, and it's --
20 like I said, it's a competition for who's got the
21 taller, bigger one.

22 MAYOR VEGLIANTE: We may be able to --

23 MR. LANDECK: Gary. So, Gary, it is becoming --
24 it may not be a problem in other parts, you know, of the
25 Village right now, but it's becoming a problem down here

1 in the 900's.

2 MAYOR VEGLIANTE: We may be able to regulate the
3 height, Joe. I don't -- what do you think?

4 ATTORNEY PROKOP: Yes. No, I think we can
5 regulate the height and the size of the pole and also
6 it's placement.

7 MAYOR VEGLIANTE: Right.

8 ATTORNEY PROKOP: You just can't regulate the
9 content of the flag, but --

10 MAYOR VEGLIANTE: Right, yeah.

11 TRUSTEE EFF: I mean, you got to -- you know, the
12 point made earlier about the structural integrity, the
13 height and things like that, I mean, I know years ago
14 when I was -- when I was in the energy efficiency
15 business, and there were regulations on windmills in
16 terms of where you could place a structure with a
17 windmill as it relates to it falling over and going into
18 somebody else's property. So, you know, it -- I think
19 there are some things out there that can regulate that.
20 And you do want to -- if it is going to go up, you want
21 it to be structurally -- have good structural integrity
22 so that it doesn't fall, but --

23 TRUSTEE TRIMARCHI: Well, I think that -- I don't
24 know if there are any flagpoles that are not attached to
25 a walkover that I see.

1 MAYOR VEGLIANTE: Yeah, there may be, but that's
2 not really the issue. I don't -- I think what we should
3 focus on is if we come up with a fairly, you know,
4 reasonable issue of the size and the --

5 TRUSTEE EFF: Right.

6 MAYOR VEGLIANTE: -- construction and the height.
7 But I don't -- I don't think we could do anything about
8 people who just want to put a flagpole on their
9 property. I don't want to personally, but I don't think
10 we could even if we wanted to.

11 TRUSTEE TRIMARCHI: Who would want to?

12 MAYOR VEGLIANTE: Well, I think Carl. Carl, I
13 think -- I think the Landecks feel that they've been
14 imposed upon by this large flag, and I --

15 MR. LANDECK: Again, it's a concern for the
16 proliferation, right? If it was one person one time,
17 right, it might be less of a concern. But, as I said,
18 we're now -- in six months, we're looking at two of
19 them, and we're headed for a third one in the span of
20 six months. So I absolutely agree, that if it were one
21 isolated incident that, you know, wasn't really that big
22 a deal, it's not that big a deal. That's why we didn't
23 say anything when the first one went up.

24 MAYOR VEGLIANTE: Right.

25 MR. LANDECK: But now, you know, two months

1 later, here comes the next one, and now another house
2 and they're getting ready to go with a third one. So,
3 right, it's not just one isolated incident, it's now
4 everybody around us that's in competition to see who's
5 got the bigger, best one going.

6 TRUSTEE TRIMARCHI: Well, maybe we can control
7 the structure --

8 MAYOR VEGLIANTE: Right.

9 TRUSTEE TRIMARCHI: -- you know, and the size,
10 but, I mean, it would be far from me to saying that
11 someone can't fly the American flag.

12 MAYOR VEGLIANTE: Well, I don't think anybody is
13 saying that.

14 MR. LANDECK: And we -- and we agree with that,
15 Gary, right?

16 MAYOR VEGLIANTE: Yeah.

17 MR. LANDECK: You know, we're -- you know, I
18 mean, I have a flag in the front of my house, you know,
19 right? For 21 years I've flown the American flag on the
20 front of my house. It's just the backyard now with
21 giant flagpoles.

22 MAYOR VEGLIANTE: Yeah, yeah.

23 CLERK SADELI: Gary, I think Jim Cashin would
24 like to say something.

25 MR. CASHIN: Hi, Guys. Can you hear me?

1 MAYOR VEGLIANTE: Yep, you're on, Jim.

2 MR. CASHIN: Yeah. I have -- I don't think this
3 is a minor issue either. We have about five houses, the
4 east end. We have a huge flag with a triple Halyard
5 pole with two huge lights lighting it up and it's not
6 attached to a boardwalk.

7 MAYOR VEGLIANTE: Right.

8 MR. CASHIN: It's on the dune or on the beach.
9 But, you know, when those lights are on and we come out
10 and we want to look at the stars, forget about it, you
11 just -- all you see is light. So I kind of agree that
12 if we have, you know, every other house with that kind
13 of a flag and a light on it, it could be an issue.

14 Now I know that the Variance Board at one time
15 was working on a lighting package in general for both
16 front and backs of houses, and I don't know that they
17 actually finished that up. But it's something we may
18 want to consider, because to me, the big imposition
19 would be the lighting.

20 MAYOR VEGLIANTE: Yeah. You know, Jim --

21 TRUSTEE TRIMARCHI: And we shouldn't confuse two
22 issues. You have the issue of lighting and you have the
23 issue of lighting up the American flag.

24 MAYOR VEGLIANTE: Right.

25 TRUSTEE TRIMARCHI: And I think we need to look

1 into those two issues separately. And I think we should
2 start with looking into what the restrictions, if there
3 are any, about illuminating an American flag. And if
4 you want to set some height restrictions on it or the
5 size of the flag restrictions on it, I think we have to
6 then go to an attorney and have him --

7 MR. CASHIN: Gary, it's not --

8 TRUSTEE TRIMARCHI: -- go out to the Feds and
9 find out what -- what the law is.

10 MR. CASHIN: Gary, there's no law that says you
11 have to light an American flag, it's flag etiquette.

12 TRUSTEE TRIMARCHI: I don't know if that's true.

13 MR. CASHIN: It is.

14 MAYOR VEGLIANTE: Well, I believe that --

15 TRUSTEE TRIMARCHI: Can you attest to that?

16 MAYOR VEGLIANTE: Jim, I think it's -- I think
17 it's a mandate. I think it's a law that to fly a flag
18 at night, it must be illuminated, but -- so let's
19 separate the --

20 TRUSTEE CRAIG: We do have an invasive light
21 law --

22 MAYOR VEGLIANTE: Yes, we do.

23 TRUSTEE CRAIG: -- that's on the books. So that
24 can be enforced. And for those who want to either obey
25 the law or obey the guideline, you'll have to take your

1 flag down at night and turn off your light.

2 MAYOR VEGLIANTE: Right.

3 TRUSTEE CRAIG: But to regulate whether someone
4 can or can't have a flag on their property, it's not
5 possible.

6 MAYOR VEGLIANTE: I think you're -- I think
7 you're right, Mike. I think the easiest way to approach
8 this is the lighting issue we can regulate, because of
9 first, because of dark sky issues, and second, our
10 lighting law.

11 Secondly, it does impact the environment on
12 the beach, and it may misdirect turtles, which is a real
13 concern, and the Fish and Wildlife has made that. It
14 may also interfere with the mating of piping plovers.
15 So we can regulate the lighting of the -- of the
16 flagpole. I think we could regulate the height and the
17 type of construction of the flagpole as well, and we
18 could maybe make them a little more modest, and not what
19 Carl is seeing, these larger flagpoles being
20 constructed. That I think we can do, but I think that's
21 the most we can do. I personally am not in favor of any
22 prohibition on a flagpole, you know, of flying a flag.

23 So, Joe, why don't you look into what we could do
24 as far as the construction of the flagpole and the
25 lighting of it at night. And I think, Carl, that's

1 about the best we could do.

2 MS. LANDECK: Exactly.

3 TRUSTEE TRIMARCHI: Don't forget, most of those
4 flags that are flying are flying on Federal property
5 that is attached to a walkover. So it's not so much our
6 decision, we have to see what the Federal laws are.

7 MR. LANDECK: Thank you very much. You know,
8 Donna and I both very much appreciate all of the
9 discussion that you guys are having and your
10 consideration, that's all. So thanks very much for
11 everything you guys are doing.

12 MAYOR VEGLIANTE: Any time, Carl. Thank you.
13 All right we'll rejoin this at our next meeting.
14 Joe. Joe, you got your work cut out for you.

15 ATTORNEY PROKOP: Yes, sir.

16 MAYOR VEGLIANTE: Yeah. You've got the flagpoles
17 and the kayaks.

18 All right. Westhampton Beach, we have a -- I
19 have a request from the County, I'm just letting
20 everybody know. Joe, you've heard it, that the County
21 would like us to sign on to the school bus stop-on
22 camera. Angela, what, were they asking us, to sign an
23 MUA?

24 CLERK SADELI: We don't get any real -- I mean,
25 we get the one bus during the day.

1 MAYOR VEGLIANTE: But they're asking us --

2 CLERK SADELI: They want us to sign on to be a
3 part of this, because let's just say there was a bus in
4 the Village picking up some of the children and
5 someone --

6 MAYOR VEGLIANTE: Right, yes.

7 CLERK SADELI: -- you know, violated the laws in
8 regards to buses --

9 MAYOR VEGLIANTE: Right.

10 CLERK SADELI: -- they'll now be on camera.

11 MAYOR VEGLIANTE: Right.

12 CLERK SADELI: They'll get a ticket, and then the
13 Village will get money from that.

14 MAYOR VEGLIANTE: Yeah, of course. It's about 2%
15 of what the fine is, but that's all right. I don't see
16 any reason why we should not sign on to it. I think
17 it's a good law and helps protect the kids. And any kid
18 in our Village, you know, which I think this season we
19 have some children going to school, deserve that type of
20 protection. So --

21 CLERK SADELI: Two families.

22 MAYOR VEGLIANTE: Just tell them. Did they give
23 us a copy of the contract that they want us to sign?

24 CLERK SADELI: They did not send it over yet.

25 And, Joe, is there a resolution that needs to be passed

1 for that or --

2 ATTORNEY PROKOP: They did send us the
3 resolution, and I recommend that you adopt it at this
4 meeting. They -- I mean, they -- it's a very simple
5 resolution. It just says --

6 MAYOR VEGLIANTE: Yeah.

7 ATTORNEY PROKOP: -- that we support the program.

8 MAYOR VEGLIANTE: Okay. All right. So at the
9 end of the night, we'll do that.

10 ATTORNEY PROKOP: Yes.

11 MAYOR VEGLIANTE: All right. Snow removal
12 contract. Westhampton Beach has been very generous for
13 another year and they offered us a snow removal
14 contract, I think at almost exactly the same price as
15 last --

16 TREASURER VEGLIANTE: Fifteen thousand.

17 CLERK SADELI: Yeah, it's 15. I left off the
18 one in the -- in the --

19 MAYOR VEGLIANTE: Same as last year.

20 TREASURER VEGLIANTE: Yeah.

21 CLERK SADELI: It's the same, yep.

22 MAYOR VEGLIANTE: Yeah. They're very generous
23 and it's very nice of them, so I will recommend that we
24 sign. We're going to need a motion for that, too,
25 right, Joe?

1 ATTORNEY PROKOP: Yes. Yep, yes.

2 TRUSTEE TRIMARCHI: So let's do it.

3 TRUSTEE EFF: Were they also -- were they also
4 considering some kind of Intermunicipal Agreement?

5 MAYOR VEGLIANTE: Yes. They're asking that we
6 sign, also, an Intermunicipal Agreement for the road
7 sweeping.

8 TRUSTEE EFF: Right.

9 MAYOR VEGLIANTE: I mean, they have done our road
10 sweeping this season, and we'd like to continue that
11 relationship. So I will ask for a resolution to sign a
12 mutual agreement between us and Westhampton Beach.

13 TRUSTEE EFF: Right.

14 MAYOR VEGLIANTE: Yeah. Oh, okay. All right.
15 Okay. The VID access agreements. The Village
16 Improvement District, there are -- there's an access
17 agreement that's been out. Joe, do we have to approve
18 it, or what are we doing? I think it's at the bottom.

19 ATTORNEY PROKOP: It's -- so the motion is -- the
20 resolution, when we get to it, is to approve the
21 agreement and to authorize the Mayor to sign the
22 agreement on behalf of the Village.

23 MAYOR VEGLIANTE: All right.

24 TRUSTEE TRIMARCHI: Joe, have we -- have we
25 completed the authorization for us to go through our

1 properties?

2 ATTORNEY PROKOP: There's two more people.
3 There's two people -- excuse me, I'm sorry. There's two
4 people that still owe us the agreements back.

5 MAYOR VEGLIANTE: All right. Well, let's get on
6 it. And we can't let that --

7 TRUSTEE TRIMARCHI: Because we're not going to be
8 able to cross the property without it, right?

9 ATTORNEY PROKOP: Yes.

10 MAYOR VEGLIANTE: Yeah, we have to have the
11 agreement or we can't sign it.

12 All right. Let's see.

13 TREASURER VEGLIANTE: Trustee Report.

14 MAYOR VEGLIANTE: I know it's next. I'm just --
15 all right. Next will be the Trustees. What do you guys
16 got? You got anything you want to talk about?

17 TRUSTEE CRAIG: Gary.

18 TRUSTEE TRIMARCHI: I got one thing.

19 MAYOR VEGLIANTE: Yeah, maybe we should take a --

20 TRUSTEE TRIMARCHI: Before I get to the -- before
21 I get to the main topic.

22 MAYOR VEGLIANTE: Okay. Okay, go ahead.

23 TRUSTEE TRIMARCHI: So, I mean, everybody -- and
24 this is -- this is talking about the VID. Everybody in
25 the VID put up the snow fencing except for the property

1 next to 696. There is no rule and we have -- I guess we
2 have nobody on the phone from the VID, on the call, in
3 the meeting from the VID tonight, but I find that that
4 was very strange.

5 CLERK SADELI: Did they just not participate or
6 do they not know?

7 TRUSTEE TRIMARCHI: They did not participate. I
8 mean, are they required to participate for the string
9 fence?

10 MAYOR VEGLIANTE: The sand fence.

11 TRUSTEE TRIMARCHI: Yeah, yeah, or the string,
12 sand, yeah, whatever you want to call it.

13 CLERK SADELI: Do you know who they are? Because
14 there was one resident who emailed me asking how to get
15 involved with the project, but she hadn't been
16 contacted.

17 MAYOR VEGLIANTE: Was it Palmer?

18 TRUSTEE TRIMARCHI: She is -- she is the resident
19 right next to 690, where I guess she would be 689.

20 MAYOR VEGLIANTE: No, 688. That's Frier.

21 TRUSTEE TRIMARCHI: Oh, right, 688, right.

22 TRUSTEE CRAIG: Gary.

23 MAYOR VEGLIANTE: That would be Frier.

24 TRUSTEE CRAIG: Gary, are you referring to the
25 property to the east of your vacant lot?

1 TRUSTEE TRIMARCHI: Correct.

2 TRUSTEE CRAIG: That's Nancy Palmer. That's --

3 MAYOR VEGLIANTE: That's Palmer, 694.

4 MS. PALMER: I was never --

5 TRUSTEE TRIMARCHI: No, there's a --

6 CLERK SADELI: I think Nancy's on the call.

7 MS. PALMER: Yeah. I was never told to do
8 anything about the string fence. I had --

9 TRUSTEE TRIMARCHI: Stanley Vickers didn't
10 contact you?

11 MS. PALMER: He most definitely did not.

12 TRUSTEE TRIMARCHI: That's a shame, because --

13 MS. PALMER: I would have done it.

14 TRUSTEE TRIMARCHI: Because that can be nothing
15 but good for your property based upon everyone.
16 Everyone else in the entire VID has done it.

17 MS. PALMER: Well, I don't know why I never got
18 any notification. I would have gladly have done it.

19 TRUSTEE TRIMARCHI: Yeah.

20 TRUSTEE CRAIG: You could still do it, it could
21 be done.

22 MAYOR VEGLIANTE: It could be done.

23 TRUSTEE TRIMARCHI: Yes, it can still be done.

24 MAYOR VEGLIANTE: Yeah. All right.

25 TRUSTEE TRIMARCHI: So, you know what, let me

1 take it on. I'll take it on. I'll get a hold of
2 Stanley. Or we could just --

3 TRUSTEE CRAIG: Or figure the property, just do
4 that.

5 TRUSTEE TRIMARCHI: We could just send Mike
6 Burner and -- and what's the guy that works for Aram?

7 MAYOR VEGLIANTE: Oh, Philippe?

8 TRUSTEE TRIMARCHI: No, the --

9 MAYOR VEGLIANTE: Oh, Billy. Billy.

10 TRUSTEE TRIMARCHI: Yeah, Billy, Billy. He was
11 \$2.50 a foot cheaper for the string fence than what the
12 guy who Stanley hired to do most of it. I mean, that's
13 not a lot of money here, but, I mean -- Angela, maybe
14 you want to put this together with Billy and see if we
15 can get that last property done?

16 CLERK SADELI: Sure.

17 TRUSTEE TRIMARCHI: Before it gets too cold out?

18 CLERK SADELI: Yes.

19 MAYOR VEGLIANTE: Nance, why don't you call --
20 call Angela tomorrow.

21 TRUSTEE TRIMARCHI: It's around 7.50 a foot, I
22 think.

23 MAYOR VEGLIANTE: All right.

24 MS. PALMER: That's fine, yeah. As I said, I
25 never had any indication that I was supposed to do it.

1 MAYOR VEGLIANTE: Yeah.

2 TRUSTEE TRIMARCHI: Strange.

3 MS. PALMER: And the property next to me, half
4 the time that fence is under water.

5 TRUSTEE TRIMARCHI: To the east or west of you?

6 UNKNOWN SPEAKER: East.

7 MS. PALMER: East.

8 TRUSTEE TRIMARCHI: I don't know. I walked -- I
9 walked the property the other day, I walked the whole
10 length of the string fence, I didn't see anything that
11 was underwater. Maybe on the mean high tide, that
12 could be.

13 MS. PALMER: Yeah, that might have been.

14 MAYOR VEGLIANTE: All right. Why don't you call
15 us up tomorrow and we'll see if we can get it arranged
16 for you, Nancy.

17 MS. PALMER: Okay, sure, absolutely. Thank you.

18 MAYOR VEGLIANTE: All right. What's next, Gary,
19 what do you got next?

20 TRUSTEE TRIMARCHI: (Laughter) What do you want?
21 You want me to bring this up now or you want to wait
22 until the end?

23 MAYOR VEGLIANTE: No, no.

24 TRUSTEE CRAIG: No.

25 MAYOR VEGLIANTE: Bring it, let's go.

1 TRUSTEE TRIMARCHI: Okay, 656.

2 MAYOR VEGLIANTE: I think we're doing great. I
3 think we're doing great.

4 TRUSTEE TRIMARCHI: So we have -- we have
5 proposed a new 30-by-30 building. We have rearranged it
6 from the original one that Brian submitted. And as far
7 as I know, right now, Brian and Angela are working on
8 speaking with Maria --

9 MAYOR VEGLIANTE: Yep.

10 TRUSTEE TRIMARCHI: -- to finalize the last steps
11 of the interior work, outlets, GFIs --

12 CLERK SADELI: Yeah, I sent that over.

13 TRUSTEE TRIMARCHI: -- so on and so on, lighting.
14 And this way, then we will have a new structure and a
15 new proposal, which will then go out to bid.

16 MAYOR VEGLIANTE: I think -- I think we did a
17 great job in redesigning it, Gary. When you were on the
18 phone with us, we were all -- this came up.

19 Basically, for everybody's edification, we
20 developed -- we designed a 30-by-30 square building with
21 a peaked roof and a little detail on the rooftop. It
22 looked very quaint and very -- I think very appropriate
23 for the area. I know that if the people in the
24 immediate area or anywhere in the Village want to see a
25 picture of it, Angela, we have an elevation? We have --

1 CLERK SADELI: We don't have a picture of this
2 new 30-by-30 yet. I sent it over to Maria, and I'm
3 waiting for Bob to come in tomorrow so we can contact
4 her about how we get this all done.

5 TRUSTEE TRIMARCHI: Brian? Brian? Is Brian on
6 here?

7 CLERK SADELI: He is.

8 TRUSTEE CRAIG: Yeah, he's on.

9 TRUSTEE TRIMARCHI: Yeah. So, Brian, you have to
10 be intimately involved in this, because --

11 CLERK SADELI: Oh, wait.

12 TRUSTEE TRIMARCHI: -- it's the location of
13 lighting fixtures and GFIs, duplexes, quads, switching,
14 you know, all that stuff that you guys went through on
15 the original proposal. So, I mean, you're not strangers
16 to it, so let's get it done.

17 CLERK SADELI: Brian's trying to get --

18 TRUSTEE TRIMARCHI: When do you guys want to
19 begin?

20 CLERK SADELI: Brian's on, I just -- he's muted,
21 so I asked him to unmute, but I don't see him.

22 TRUSTEE TRIMARCHI: All right. So, Ang, you know
23 what's going on. You're -- you've been closer to this
24 than most.

25 CLERK SADELI: Yeah. I spoke with Maria on

1 Monday.

2 MAYOR VEGLIANTE: Yeah. Oh, yeah?

3 TRUSTEE TRIMARCHI: So let's finish this up.

4 CLERK SADELI: Bob had some questions and --

5 MAYOR VEGLIANTE: Well, we're moving along, Gary,
6 we're right on top of it.

7 TRUSTEE TRIMARCHI: Yeah.

8 MAYOR VEGLIANTE: But it's a much more -- it's a
9 very nice square building.

10 TRUSTEE TRIMARCHI: Like it.

11 MAYOR VEGLIANTE: Let's get it out to the
12 community. And I think it actually gives them more
13 square footage interiors, so I think it will work out
14 very well.

15 TRUSTEE TRIMARCHI: Me, too. I like it.

16 TRUSTEE EFF: Gary. Gary Trimarchi, I sent
17 around a picture today of the Police Headquarter in
18 Oyster Bay Cove.

19 TRUSTEE TRIMARCHI: Oyster Bay Cove.

20 TRUSTEE EFF: Is that what you want?

21 TRUSTEE TRIMARCHI: That's the original design.
22 That was the original design of the first structure.

23 MAYOR VEGLIANTE: Right.

24 TRUSTEE EFF: Right.

25 TRUSTEE TRIMARCHI: And will be the original

1 design of this structure.

2 TRUSTEE EFF: Okay.

3 TRUSTEE TRIMARCHI: I mean, you know, we're not
4 talking about, you know -- you know, a 6,000 square foot
5 home here.

6 MAYOR VEGLIANTE: No, it's a very --

7 TRUSTEE TRIMARCHI: It's something that's
8 30-by-30. So we want to make it quaint and cute.

9 TRUSTEE EFF: Absolutely.

10 TRUSTEE TRIMARCHI: And if anyone would like to
11 circulate that picture, please feel free. I took it.

12 MAYOR VEGLIANTE: Yeah.

13 TRUSTEE EFF: Yes.

14 MAYOR VEGLIANTE: We'll put it on the --

15 TRUSTEE EFF: The other thing I just wanted to
16 mention is, as this starts to get final design,
17 whichever way we're going to do it, I want to -- keep me
18 in the loop, because there may be an opportunity for
19 some NYSERDA energy efficiency funding --

20 MAYOR VEGLIANTE: Yep.

21 TRUSTEE EFF: -- on this. And I was pursuing
22 that when we started with this, but now there's other
23 programs out there. And I was just on a call with
24 Malloy Sustainability the other day on another matter,
25 and so things are starting to move. So if we can get

1 some money in the Village to, you know, fund some of
2 this.

3 MAYOR VEGLIANTE: Yeah.

4 TRUSTEE EFF: And they're very -- NYSERDA is very
5 key on working with small villages particularly.

6 MAYOR VEGLIANTE: Yeah.

7 TRUSTEE EFF: It seems to be their thing. They
8 really want to do that, and if I can work to help get
9 that done, I'm be more than happy to be able to do that.

10 TRUSTEE TRIMARCHI: Well, that's great. And I
11 think that all the Trustees have been copied on every
12 major move that we have been making on the design and
13 the development of this project, so stay tuned.

14 MAYOR VEGLIANTE: I'm making a prediction that --

15 SERGEANT HENNIG: Can you hear me, Gary?

16 MAYOR VEGLIANTE: Yes.

17 TRUSTEE TRIMARCHI: Yeah.

18 SERGEANT HENNIG: Okay. Gary, I was muted for a
19 while, it was my -- it was my fault. Angela helped me
20 get through this. I submitted three, a lighting plan,
21 an electric plan and -- to Angela. Angela, I'm
22 available any time tomorrow, so conference me in with
23 Maria so we can get this done. I appreciate it.

24 TRUSTEE TRIMARCHI: Just forward me the plans.

25 Forward me the plans. I'll -- if I have any questions,

1 I'll give it to you. Otherwise, we should let it go
2 with Maria, and --

3 SERGEANT HENNIG: Yeah, absolutely.

4 TRUSTEE TRIMARCHI: -- Angela knows how to
5 communicate with her.

6 SERGEANT HENNIG: And, Gary, Gary Trimarchi, I
7 have to thank you. So all of us have to thank you.
8 You've done a tremendous amount of work here to get this
9 done, and we're looking forward to the -- what this is
10 going to look like. It's going to be a showpiece for
11 the community and we appreciate it.

12 TRUSTEE TRIMARCHI: I hope so, and thank you.

13 MAYOR VEGLIANTE: It will be up by this summer.

14 TRUSTEE EFF: Now what actually happened with the
15 analysis on the original structure, the one that's
16 there, or has that been decided not to be done?

17 MAYOR VEGLIANTE: Well, no. The analysis was
18 that it would be probably somewhere close to \$100,000 to
19 lift what was there and restructure it. And I don't
20 think --

21 TRUSTEE TRIMARCHI: A tremendous amount of work.

22 MAYOR VEGLIANTE: Right. And I don't think -- I
23 think that, frankly, with the new design that we're
24 proposing to the prefab, we can have this building done
25 before the summer.

1 TRUSTEE TRIMARCHI: Yeah, if we --

2 MAYOR VEGLIANTE: It would work.

3 TRUSTEE TRIMARCHI: If we get going.

4 MAYOR VEGLIANTE: Yeah, yep.

5 TRUSTEE TRIMARCHI: You heard the lead times from
6 Maria?

7 MAYOR VEGLIANTE: Yep.

8 TRUSTEE TRIMARCHI: I think she said eight to
9 twelve?

10 MAYOR VEGLIANTE: No, six. She said six. Well,
11 we'll see.

12 TRUSTEE TRIMARCHI: Okay. So I'm going to tell
13 you, it's going to -- it's going to be eight to twelve.

14 MAYOR VEGLIANTE: Right.

15 TRUSTEE TRIMARCHI: So let's finish.

16 SERGEANT HENNIG: Probably in March now, from
17 what she said.

18 TRUSTEE TRIMARCHI: Let's finish our design.

19 MAYOR VEGLIANTE: Right.

20 TRUSTEE TRIMARCHI: And then we have to get it
21 out to bid.

22 MAYOR VEGLIANTE: Right, that's it, let's go.
23 All right.

24 TRUSTEE TRIMARCHI: And Joe knows what to do
25 now, so --

1 MAYOR VEGLIANTE: We're ready to go.

2 TRUSTEE TRIMARCHI: We're ready to go.

3 MAYOR VEGLIANTE: We got to get the final
4 write-off from Maria --

5 TRUSTEE TRIMARCHI: Right.

6 MAYOR VEGLIANTE: -- and we'll get it going.

7 TRUSTEE TRIMARCHI: If you have any issues with
8 Maria, Brian or Angela, just call me and I'll get on
9 with her.

10 CLERK SADELI: Okay.

11 MAYOR VEGLIANTE: Okay. What's the --

12 SERGEANT HENNIG: All right. Thank you.

13 MAYOR VEGLIANTE: Any other Trustees? Come on,
14 Mike?

15 TRUSTEE CRAIG: Yeah, Gary, I'll throw a couple
16 of things out. And we typically remind residents at
17 this meeting to winterize their sprinkler systems. It
18 may seem obvious, but, you know, people forget. So
19 sprinkler systems, winterize your homes.

20 Get your contact information to both the
21 Constabulary and the -- and the West Hampton Dunes
22 Village, email, phone numbers, where we could reach you
23 in case of emergency. It's a good time. If we ever
24 have a pipe break, it cuts down the time to try and find
25 residents. So if we have new residents on and you don't

1 have information in the Village, please get it there.

2 And then I had a -- we were talking about snow
3 fencing earlier. Maybe, Brian, we could speak to this,
4 but when we had a heavy snow and we had wind in the area
5 of Pike's, we've put up snow fencing from east to west
6 in the area of Pike's. So what's been done about that,
7 if anything? Just to keep --

8 SERGEANT HENNIG: So Kristen Doulos from
9 Southampton Town -- oh, sorry, Mike, I didn't mean to
10 cut you off.

11 TRUSTEE CRAIG: Yep.

12 SERGEANT HENNIG: But Southampton Town just in
13 the last week put a beautiful layer exactly where it
14 needs to be at Pike's Beach that will help prevent the
15 problem that we normally have there. So we -- that
16 should alleviate a lot of that problem. And we have a
17 commitment from Westhampton Beach to keep up with that,
18 if it should be an issue. It's -- there's a few lots
19 that are west of there that are closer to the road that
20 we're going to -- we would probably want to approach
21 those people and get them to put up some snow fencing as
22 well. But that's a great idea to bring it up now.

23 TRUSTEE CRAIG: Okay.

24 TRUSTEE TRIMARCHI: Let me tell you something.
25 That beach is building and building and building. It's

1 unbelievable. The new walkover, the extension of the
2 walkovers that most of the ocean side lots required have
3 already lost two to three risers. Pretty amazing.

4 TRUSTEE CRAIG: Oh, that's great.

5 MAYOR VEGLIANTE: Yeah, it's building up.

6 TRUSTEE CRAIG: It's great.

7 MAYOR VEGLIANTE: Yeah. We're going into the
8 rough season, so --

9 TRUSTEE TRIMARCHI: Snow fencing is -- snow
10 fencing is so important.

11 MAYOR VEGLIANTE: Very much.

12 TRUSTEE CRAIG: Yep.

13 TRUSTEE TRIMARCHI: Do it, do it. At 7.50 a
14 foot, you can't go wrong.

15 TRUSTEE EFF: Could I -- could I ask a question,
16 that maybe we could tag getting contact numbers in that,
17 along with getting our Village emails for the residents
18 completed as well, and maybe we can kind of connect all
19 this together? Because that seems to have been a
20 challenge to get everybody's contact. So maybe, Brian,
21 this is something you and Angela could work on. I'd be
22 more than happy to help you out in any way I could, but
23 I really do think that's important from an emergency
24 point of view.

25 SERGEANT HENNIG: Yeah. Angela's done an amazing

1 job trying to get everyone's information. At this
2 point, it's beyond our ability. It's getting the people
3 to actually submit the information. But Angela I think
4 would agree with me, we're pretty much, I would say, 80,
5 90% up there with the accurate contact information for
6 every homeowner, right, Angela?

7 CLERK SADELI: Yeah. And any new residents that
8 we've got in the Village have -- I don't know if the
9 realtors are telling them or not that they need to, you
10 know, call the Village, you know, update their
11 information, they want to be on our mailing list. So
12 anybody who's been new to the Village, I do have most of
13 those contact. I think it's, you know --

14 MAYOR VEGLIANTE: Well, with our --

15 CLERK SADELI: And when I asked, too, you know,
16 "Do you want to be on our email list," I mean, 99% of
17 the people say yes.

18 TRUSTEE EFF: Well, this is -- this is a great
19 improvement. I mean, what would you say right now?
20 Approximately, how many of the residents we don't have
21 information for, what would you think?

22 MAYOR VEGLIANTE: I'm going to let Angela, John.

23 CLERK SADELI: I can -- I can run a contact list
24 tomorrow and send it out to you guys so you can see what
25 we do have and what we don't.

1 MAYOR VEGLIANTE: Yeah.

2 SERGEANT HENNIG: Yeah.

3 TRUSTEE EFF: Yeah, that would be great.

4 SERGEANT HENNIG: John, Angela's amazing, she
5 keeps us up to date. I would say I'd be shocked if we
6 didn't have 95 -- if we had 300 homes, we've got 290 --

7 TRUSTEE EFF: Wow, that's really --

8 SERGEANT HENNIG: -- accurate contact
9 information.

10 TRUSTEE EFF: That's really great.

11 SERGEANT HENNIG: Yeah.

12 TRUSTEE EFF: Because that's not what I heard, we
13 heard a few months ago, so that's really a great
14 improvement.

15 CLERK SADELI: Most people who call the office, I
16 ask for their --

17 MAYOR VEGLIANTE: Yeah.

18 CLERK SADELI: I say, "Would you like to update
19 the contact information?" You know, when I knew people
20 were staying, you know, because of COVID, I sent out an
21 email to everybody saying, you know, "Update your
22 contact info so we know where to mail things." You
23 know, tax season will come upon us quicker than we know,
24 and, you know, I wouldn't want people's tax bills going
25 places that they're not living.

1 MAYOR VEGLIANTE: Yeah. While we're on the
2 subject of winter, winterization, and while -- and while
3 Brian's on the phone with us, especially for the new
4 residents, if you have a home with a pool and we -- and
5 you really need to keep that pool well covered. And if
6 you can delineate it on your deck, it would be very
7 helpful, because what happens is if there's a call on
8 your home and the snow is falling across the deck, our
9 guys don't know. You need it either well illuminated or
10 well defined. You know, we wouldn't want one of our
11 guys to fall into a wet pool in the middle of the
12 winter, it's very dangerous. So, please, get good
13 reliable Loop Loc type covers on them, and if you could
14 stake out the pool on your deck with some type of
15 marker, it would be very, very helpful, right, Brian?

16 SERGEANT HENNIG: Yes, Gary. That was -- that's
17 very helpful, especially with the whacky weather we've
18 gotten in the forecast. Yes, that would be amazing to
19 have that. We don't want anyone getting injured
20 or worse, so thank you.

21 MAYOR VEGLIANTE: These guys walk onto your deck,
22 they've got a lot of equipment on their hip, and if they
23 fall into a cold pool in the middle of February and
24 nobody knows, it's going to be a very tough night for
25 them.

1 So, please, make sure you have a good reliable
2 cover on your pool, and if you could just mark it off
3 somewhere or another with, you know, I don't know, with
4 a -- with a stake of some sort to let them know where it
5 is, it would be greatly appreciated. But most
6 importantly, have a good type of resilient cover on that
7 pool, so that these guys, if they step on it, they'll be
8 able to get back out.

9 CLERK SADELI: Brian also usually puts together a
10 really great email about, you know, the winter season,
11 and I can look for the one from last year and resend
12 that, if you want.

13 MAYOR VEGLIANTE: Yeah.

14 SERGEANT HENNIG: Angela, if you could resend me
15 what -- if you find what was last year.

16 CLERK SADELI: Yeah.

17 SERGEANT HENNIG: I'll look through it, too.
18 We'll update it to include, you know, the changes and
19 what's going on in the world, so we can kind of
20 encompass everything.

21 CLERK SADELI: Oh, yeah.

22 SERGEANT HENNIG: So thank you.

23 CLERK SADELI: Okay, I'll look tomorrow.

24 TRUSTEE CRAIG: Gary I had a couple of more --

25 MAYOR VEGLIANTE: Yeah.

1 TRUSTEE CRAIG: -- questions for -- a question
2 for Angela and a question for Joe. So I'm just curious.

3 I'll start with Joe. You know, we have a new
4 Justice, how that's going. I assume he's had at least
5 one court session, how he's, you know, kind of launched
6 his coverage of the Village, and then just what the
7 backlog of cases looks like. Are we clearing it?

8 ATTORNEY PROKOP: So there is no backlog of
9 cases. We have -- we have a couple that I'm aware of.
10 I think we have part -- I'm sorry. Other than parking
11 tickets, I believe that we have parking tickets that
12 have to be adjudicated, but that's -- that's it.
13 There's no code or -- there's only one or two code cases
14 or other cases that are outstanding that I'm aware of.

15 MAYOR VEGLIANTE: Yeah.

16 ATTORNEY PROKOP: Judge Gomerman did -- has sat
17 on the bench once now and he was great, he was really,
18 really great, and he got -- he was extraordinarily
19 professional, and as we -- as we expected him to be, and
20 he was right on his game. He did a really great job, I
21 thought. And it really -- it really felt good to be --
22 to appear in front of him. And the Village, the Village
23 should be very pleased that he's now the face of the
24 court.

25 TRUSTEE CRAIG: That's good to hear.

1 MAYOR VEGLIANTE: Yeah.

2 (Audio Interference)

3 MAYOR VEGLIANTE: Someone's not muted.

4 CLERK SADELI: There's one person I can't mute.
5 I don't know. It's J Boyzok, I just -- I can't mute
6 them.

7 TRUSTEE CRAIG: Can you drop them?

8 CLERK SADELI: That's up to Gary.

9 ATTORNEY PROKOP: Yeah, it's --

10 TRUSTEE CRAIG: They can dial back in.

11 ATTORNEY PROKOP: It's interrupting the meeting.

12 MAYOR VEGLIANTE: Yeah. I think you got to --
13 okay, you did it.

14 TRUSTEE CRAIG: And I just had one more question
15 on that line for Angela. How do we look for zoning
16 permits and construction permits at this point in the
17 Village? Do we have any big projects going on or --

18 CLERK SADELI: Nothing. I haven't had anything
19 with the Zoning Board in maybe a year-and-a-half.

20 TRUSTEE CRAIG: Okay.

21 CLERK SADELI: Anything that's building permits,
22 I don't know, Claire might have the number of how many
23 building permits we have.

24 TREASURER VEGLIANTE: I know there was a new one
25 that you just sent to me.

1 CLERK SADELI: Yeah, that was like about 7500. I
2 don't know who this is who's talking. Is anybody in
3 their house?

4 MAYOR VEGLIANTE: Please make sure you're muted
5 on the phone.

6 CLERK SADELI: Everyone's muted.

7 MAYOR VEGLIANTE: All right. Well, not everyone.

8 CLERK SADELI: Yes, everyone except the Board.

9 TRUSTEE TRIMARCHI: Okay. Well, let's continue
10 and then we can open the meeting or we can --

11 MAYOR VEGLIANTE: All right. Treasurer's report,
12 you're up. Oh, Mike, do you have anymore?

13 TRUSTEE EFF: Gary.

14 TRUSTEE CRAIG: No, that was it. Thank you.

15 TRUSTEE EFF: Gary, could I ask a question? Do
16 we still conduct the hearings with the Judge in a rented
17 facility in Westhampton Beach?

18 MAYOR VEGLIANTE: Yes.

19 TRUSTEE EFF: All right. Okay. There's no --
20 there would be no way, once the new Constabulary gets
21 built, where that would be acceptable. I guess not,
22 it's probably too small.

23 TREASURER VEGLIANTE: Not enough parking.

24 MAYOR VEGLIANTE: Not -- yeah, not enough
25 parking.

1 TRUSTEE EFF: Right. How much do you -- do you
2 remember how much we pay for that facility?

3 MAYOR VEGLIANTE: Two hundred and fifty dollars a
4 month, John.

5 TRUSTEE EFF: I'm sorry?

6 MAYOR VEGLIANTE: Two hundred and fifty dollars
7 each court.

8 TRUSTEE EFF: Okay.

9 CLERK SADELI: Seven-fifty.

10 TRUSTEE EFF: All right. Thank you.

11 MAYOR VEGLIANTE: All right. Now the Treasurer's
12 report.

13 TREASURER VEGLIANTE: Hi, everyone. Everything's
14 been -- we have the audit, but it's slow going. What we
15 have to do right now is scan everything and send it to
16 the auditors. They're not visiting us, so, therefore,
17 it's a little time consuming, but we're getting there
18 slowly but surely.

19 Also, the Constables' contract was signed, and
20 now this week, in this week's payroll we can pay the
21 retroactive pay.

22 (Audio Interference)

23 ATTORNEY PROKOP: Hold on for a second. Hold on.
24 Gary. Gary Trimarchi. Yeah, Gary Trimarchi, do you
25 have background noise at your house?

1 TREASURER VEGLIANTE: Somebody has noise. It's
2 very --

3 TRUSTEE TRIMARCHI: No, I don't think so.

4 ATTORNEY PROKOP: It's coming up.

5 CLERK SADELI: It sounds like women talking.

6 TREASURER VEGLIANTE: Is there anyone -- yeah.

7 TRUSTEE TRIMARCHI: Oh, all right. Hold on, let
8 me move. Let me move.

9 MAYOR VEGLIANTE: Angela, why don't you mute Gary
10 for a minute and see if it goes away.

11 TRUSTEE TRIMARCHI: Is that better?

12 TREASURER VEGLIANTE: Yeah.

13 MAYOR VEGLIANTE: Yeah.

14 TRUSTEE TRIMARCHI: Okay.

15 TREASURER VEGLIANTE: So the -- so as I just
16 said, it was very difficult to hear and everything. The
17 Constables' contract was signed and we did pay the
18 retroactive pay.

19 And other than that, there's not too much new
20 going on in the Village. Everything's up to date. I'm
21 going to meet with the accountant next week. We should
22 get everything to date, and that's really it.

23 Anybody have any questions? Or if you have any
24 concerns, you can call the office any time.

25 TRUSTEE CRAIG: Claire, I just had a question.

1 Last month we were at 85% collected, and then the
2 numbers we got today, obviously from last year. Off the
3 top of your head, did we get anymore taxes in
4 this month?

5 TREASURER VEGLIANTE: We did get one in, one or
6 two, so we did. So we're down to a minimum of anything
7 that's outstanding.

8 TRUSTEE CRAIG: Okay.

9 CLERK SADELI: There might be like maybe a dozen
10 outstanding.

11 TREASURER VEGLIANTE: I don't know. Angela, I
12 don't even think it's that many

13 CLERK SADELI: Really? Okay. I'll look, I'll
14 look tomorrow and see.

15 TREASURER VEGLIANTE: Yeah, we could check
16 it out.

17 TRUSTEE CRAIG: We talked about last month there
18 were a few that were outstanding for more than one year.
19 And Joe was going to start --

20 CLERK SADELI: Oh, yeah.

21 TRUSTEE CRAIG: -- a process to start to collect
22 on those back-taxes. Joe, any update there?

23 ATTORNEY PROKOP: Yeah. So that, we started the
24 process. The first thing that needs to be done is we
25 have to get title information regarding the properties

1 involved, and I'm in the process of waiting for that.
2 So as soon as the title information comes in, as far as
3 other lien-holders on the property, things like that,
4 then I'll be able to file the action. It should be
5 within a week or so.

6 TRUSTEE CRAIG: Okay.

7 MAYOR VEGLIANTE: Well, is there any oversight by
8 the COVID restrictions on --

9 (Audio Interference)

10 MAYOR VEGLIANTE: No?

11 TREASURER VEGLIANTE: Can she -- can she just
12 mute?

13 ATTORNEY PROKOP: I really -- I can't hear you.
14 I can't hear a thing that you're saying, Gary, I'm
15 sorry, over --

16 MAYOR VEGLIANTE: What I was saying was --

17 (Audio Interference)

18 MAYOR VEGLIANTE: On the tax certiorari, or on a
19 tax -- you know, on a tax seizure, because COVID, I
20 think we may be constrained by that.

21 ATTORNEY PROKOP: So at the very end of the
22 process, if COVID -- the last thing that will happen is
23 there'll be an auction of the house that's involved or
24 houses that are involved, and that auction would --
25 right now, if COVID stays as serious as it currently is,

1 that auction would be held up, but that's only the very
2 end of the process.

3 MAYOR VEGLIANTE: Well, I mean, look, in the
4 past, these people, or anybody's who's been delinquent,
5 and it seems to be the same line, they've always made
6 good when the -- you know, when the question came out.
7 I don't anticipate a real problem, but we'll see.

8 All right. Constables, you're up. Constables
9 report.

10 TREASURER VEGLIANTE: Did she mute you and not Gary?

11 MAYOR VEGLIANTE: No, I'm not muted.

12 CLERK SADELI: No, we can hear Gary. I'm just
13 having a problem unmuting Brian.

14 MAYOR VEGLIANTE: Oh.

15 CLERK SADELI: I think he's the only one on.
16 Hold on. Yeah. For some reason, I can't unmute Brian,
17 so hold on. He's there, he said.

18 SERGEANT HENNIG: Hey, Angela, can you hear me?

19 CLERK SADELI: Oh, yes, now I can hear you.

20 SERGEANT HENNIG: Aha.

21 MAYOR VEGLIANTE: There you go.

22 SERGEANT HENNIG: Everything's going well. We
23 appreciate all Gary Trimarchi's efforts. We've been
24 working hard with the building. Everything's moving
25 forward at an amazing pace, and we're looking forward to

1 having that building constructed, hopefully, before the
2 beginning, the beginning of the summer.

3 I think that's about it. I don't -- I think
4 we're going to turn this over to the residents, if
5 there's any questions.

6 Joe has been amazing with our new Judge. Adam
7 Gomeran's been amazing our last court. We're looking
8 forward to this court session. He really took this
9 challenge on in quite a unique way. He's --

10 MAYOR VEGLIANTE: Been very good.

11 SERGEANT HENNIG: Yeah, he really is. For
12 someone with -- who has not been a Judge previously,
13 although he's been an attorney, he definitely has the
14 appearance of someone who's been an experienced Judge.
15 He did an amazing job at the last court, and we're
16 looking forward to him in the next court as well.

17 I can't think of anything else. I think we'd
18 rather turn the rest of this over to questions at the
19 end, Gary.

20 TRUSTEE EFF: Brian.

21 MAYOR VEGLIANTE: All right, good.

22 TRUSTEE EFF: Brian, do we have --

23 SERGEANT HENNIG: Yes.

24 TRUSTEE EFF: -- the statistics on any incidents
25 that we've had in the Village over the last two months

1 or so?

2 SERGEANT HENNIG: I can get that out to you this
3 week, but it's been very minimal. I mean, I'm sure
4 everybody heard about the unfortunate incident at
5 Cupsogue with the boy that was surf-casting, the
6 16-year-old boy who drowned. With the exception of
7 that, it's been very minimal, minimal things that have
8 occurred. But I will get you out the, you know,
9 call-by-call to the Trustee report.

10 TRUSTEE EFF: All right. Thank you.

11 SERGEANT HENNIG: I'll get that out to you as
12 well, no problem.

13 TRUSTEE CRAIG: Brian, how are you for vehicles?
14 The equipment is in order, vehicles --

15 SERGEANT HENNIG: Yeah. So we have -- that's a
16 great question, Mike. We have -- the only vehicle that
17 we're -- it's still getting some equipment done is
18 the -- is the -- Gary's Explorer that has been turned
19 over to us, which is in amazing shape.

20 I'm going to send you guys out an email this
21 week. We have a proposal from a computer company. The
22 computers that we got are, unfortunately, unable to --
23 you know, they're antiquated, because you know how
24 technology changes. We've got one that's working on a
25 State bid that they're willing to work with us on a

1 lease price, where we'll kind of lease it to own it, and
2 I should have those numbers later this week, so that we
3 can outfit all the vehicles with equal computers,
4 because they're very important. All our computers are
5 like -- our summonses are issued electronically now, so
6 it's kind of important to have these computers up and
7 running and up to the latest and greatest, so.

8 MAYOR VEGLIANTE: And, Brian --

9 SERGEANT HENNIG: And with the new -- yes.

10 MAYOR VEGLIANTE: They have to be compatible.

11 SERGEANT HENNIG: Go ahead, Gary.

12 MAYOR VEGLIANTE: They're going to have to be
13 compatible with the plate-reader and any other camera
14 systems we put in the Village.

15 SERGEANT HENNIG: Correct, Gary. Yeah, the new
16 system would be 100% compatible with that, and there's
17 some other systems that we're working with as well.
18 We're being dispatched by the Town of Southampton, which
19 is of the utmost importance to the safety of our
20 residents, because now, when you call 911, that call has
21 always gone to Southampton Town, and now that call comes
22 straight to us. But what they would like us to do is
23 get on their CAD system, where we would actually get the
24 calls not only over the radio, but over the computer, so
25 we'll get much more detailed information, and that's

1 what is all part of this computer system. So I'll have
2 those numbers to you later in the week.

3 Tim and I have been working hard to make sure we
4 can get these done and get them at the best price for
5 the community, obviously, and make it work for the
6 budget.

7 I can't think of anything else. Like I said, if
8 there's --

9 TRUSTEE EFF: Brian.

10 SERGEANT HENNIG: Do you have any other questions?

11 TRUSTEE EFF: Yeah.

12 SERGEANT HENNIG: Yes.

13 TRUSTEE EFF: Let me ask you a question.

14 SERGEANT HENNIG: Sure.

15 TRUSTEE EFF: And along and in accord with that,
16 we're going to have the speed monitor replaced. And in
17 addition to that, with the construction of the new
18 Constabulary, we're going to get some new bulletin
19 boards, so to speak, to replace those that are in pretty
20 bad shape. You know, we've held up on that as it
21 relates to doing the new Constabulary, but, hopefully,
22 that will be taken care of, or it is being taken care of
23 with the new building.

24 SERGEANT HENNIG: Yeah. No. Gary Trimarchi's
25 been working with us on all of that. Once that building

1 is in place, there's a lot of things that we'll be able
2 to do, but it really is contingent upon having that
3 building in place to make all that infrastructure work
4 properly. We want that building there so everything is
5 tied in, so all the information can be passed along to
6 the officer on duty and make sure that we're doing
7 everything efficiently and to the -- you know, to the
8 best safety of all of our residents.

9 TRUSTEE EFF: And we -- do we have the ability to
10 get any kind of help or a grant or anything, being we're
11 putting a new building up, this infrastructure?

12 SERGEANT HENNIG: The County and the State have
13 very little money right now. With COVID and everything
14 else, a lot of the grant money has been withdrawn. That
15 goes for State, Federal and County. It's very difficult
16 to get grant money. We do have some, you know, things
17 that are on State bid and other cost savings that we've
18 been working on. So it will be done at the minimal
19 expense to the taxpayer, but, unfortunately, getting it
20 done with grant money is not what it was a year ago.

21 TRUSTEE EFF: Right.

22 SERGEANT HENNIG: Yeah, unfortunately.

23 TRUSTEE EFF: Yeah.

24 TRUSTEE CRAIG: Brian, we look like we have a
25 fair amount of money, and I'd say that's modest, but

1 it's a fair amount of money left in your budget under
2 the equipment line? We had about \$14,000, of which
3 we've only spent 600, with six, seven months to go. So
4 maybe we can cover some of it out of that equipment
5 budget?

6 TRUSTEE EFF: Yep.

7 SERGEANT HENNIG: Yeah. And, Mike, that's where
8 that leasing comes into, into an -- it really helps out
9 with the bottom line, is the leasing will spread it over
10 a few years for this equipment and allow us to pay it
11 annually, and where it will meet our budget constraints,
12 as well as kind of giving us some buffer on the other
13 end so you're 100%. We're confident we can make this
14 work.

15 MAYOR VEGLIANTE: Yeah, I think you can. And,
16 Mike, that's probably --

17 SERGEANT HENNIG: Yeah.

18 MAYOR VEGLIANTE: -- on the State bid, correct?

19 SERGEANT HENNIG: Correct, Gary. Every single
20 thing that we have discussed is a State bid price, and
21 it's always -- it's been vetted and it's at the lowest
22 available price that we could possibly get it for.

23 MAYOR VEGLIANTE: Very good. All right. Joe,
24 you're up. What do you got for us, anything new?

25 ATTORNEY PROKOP: Just a few things quickly. So

1 I wanted to --

2 TRUSTEE TRIMARCHI: I'm sorry, I was muted here
3 for a while. I want to say some things to Brian.

4 MAYOR VEGLIANTE: Okay.

5 TRUSTEE TRIMARCHI: Okay. So, Brian, when was
6 the last time we replaced the computers in the patrol
7 cars?

8 SERGEANT HENNIG: Oh, I have to say those are
9 probably six or seven years old.

10 TRUSTEE TRIMARCHI: So I think when we make this
11 move, I think --

12 SERGEANT HENNIG: And the problem is the ones we
13 have aren't --

14 TRUSTEE TRIMARCHI: I think when we make this
15 move, and we're talking about plate-readers and some
16 other new technology, we should wait and let's see what
17 this -- what we need in entirety, not only in the patrol
18 cars, but in the station house and everything about what
19 we're going to do.

20 SERGEANT HENNIG: Absolutely. The issue we have,
21 Gary, is there's one vehicle, the new vehicle, we need
22 to get it into patrol. We can't get it into patrol
23 without a computer, and the computer that we have
24 available is not compliant or able to work with the
25 State system for ticket-writing. So that's where

1 we're look -- that's why we're looking to kind of pull
2 the trigger on this now.

3 TRUSTEE TRIMARCHI: So then let's make that
4 computer, if we know enough information now, enough to
5 understand what we want to do in the long run, because
6 we don't want to continue --

7 SERGEANT HENNIG: Oh, absolutely, all -- you're
8 100%, Gary. We -- all of this, we're not making a move
9 unless every single piece works together with the --
10 with the goal at the end. It all has to work with the
11 plate-reader camera, and any other thing that we've
12 discussed, everything will work together. If it doesn't
13 work together, we're not going to do it. It makes -- it
14 would make zero sense to make an investment in something
15 unless it's going to work in all the things that we've
16 discussed. So it will, everything will work together.

17 TRUSTEE TRIMARCHI: Okay. So we're going to be
18 waiting on this, and we'll wait to hear from you, Brian,
19 to see where we're going. We'll advance the property at
20 656 a little bit more and we'll get online.

21 SERGEANT HENNIG: Absolutely.

22 TRUSTEE EFF: Brian. Brian, let me ask you --

23 SERGEANT HENNIG: Yes, we've made progress.

24 TRUSTEE EFF: Can I ask you another question?

25 SERGEANT HENNIG: Go ahead, John.

1 TRUSTEE EFF: Are we still going to be
2 maintaining --

3 SERGEANT HENNIG: Sure, John.

4 TRUSTEE EFF: Are we still going to be
5 maintaining any kind of communications or links with the
6 existing Constabulary?

7 SERGEANT HENNIG: That -- with the actual
8 physical building? I don't -- I don't see the need for
9 that, unless the Mayor does.

10 MAYOR VEGLIANTE: What do you have in mind?

11 SERGEANT HENNIG: I'm not sure what you're
12 exactly referring to. Gary?

13 TRUSTEE EFF: Well, what I'm, I guess -- I guess,
14 what I'm asking is, is that building, the existing
15 Constabulary going to serve some kind of purpose for
16 policing when you get the new building established? I
17 just don't know what the connection is.

18 TRUSTEE TRIMARCHI: I think that's really a
19 loaded question and has to have a lot of research go
20 into it before we answer something like that.

21 SERGEANT HENNIG: Yeah. I was going to say the
22 Mayor has a plan in place.

23 TRUSTEE TRIMARCHI: What we need to do is focus
24 on today, getting our new Constabulary built --

25 MAYOR VEGLIANTE: Yes.

1 TRUSTEE TRIMARCHI: -- and then we can address
2 the issues what will happen with the old Constabulary.

3 TRUSTEE EFF: That's fine.

4 MAYOR VEGLIANTE: I can assure you, the building
5 will be there.

6 TRUSTEE EFF: Yeah, well, I know that.

7 MAYOR VEGLIANTE: That's about it. But we'll
8 figure it out.

9 TRUSTEE EFF: All right.

10 MAYOR VEGLIANTE: We got to wait.

11 TRUSTEE EFF: That's fine.

12 MAYOR VEGLIANTE: All right.

13 SERGEANT HENNIG: John. John, just as everything
14 I've discussed, for everything to work in the manner in
15 which we all discussed, everything is kind of set up in
16 a series where everything will be intuitive and the
17 system will connect with everything.

18 The camera, the plate-reading camera that we've
19 discussed is actually going to be connected into a
20 system that's statewide, very intuitive. It's going to
21 tell us people who are -- you know, vehicles that are
22 wanted, things that are going on. It's amazing
23 equipment that --

24 MAYOR VEGLIANTE: Yeah. We also have --

25 SERGEANT HENNIG: Yeah, it's going to be -- I'm

1 sorry, Gary, go ahead.

2 MAYOR VEGLIANTE: No, Brian. No, go ahead.

3 SERGEANT HENNIG: No. And like the Mayor said,
4 it's also connected to the vehicles in that if somebody
5 enters the Village and they have a warrant, or if the
6 vehicle is stolen, or if the person has a suspended
7 registration, things like that, it's going to alert the
8 Officer on duty, and it's amazing, absolutely amazing.

9 TRUSTEE TRIMARCHI: Look, this is going to be a
10 grand plan, and everything that we are going to do when
11 we make this move will be state-of-the-art to today's --

12 MAYOR VEGLIANTE: Right.

13 TRUSTEE TRIMARCHI: -- technology, the top
14 technology today, and we have a little bit of work to do
15 on that. So we should give us some time to report back
16 on it to see where we are.

17 MAYOR VEGLIANTE: We also have an invitation from
18 the Mayor of Freeport to come down and sit with his
19 personnel and his Police Department. They've installed
20 that system there in their department and there's been
21 overwhelming success. And he's offered us their
22 expertise, as well as advice, regarding how it was
23 implemented, what to do. So Brian, and I, and Timmy
24 will be taking a trip down there before we get --

25 SERGEANT HENNIG: Gary. We did --

1 TRUSTEE TRIMARCHI: So we can take advantage
2 of it.

3 SERGEANT HENNIG: We did tour the -- the Gabreski
4 Airport is patrolled by the Sheriff's Office and they
5 have the same system in place at the entrance to the
6 airport. And we did have a chance to view that system,
7 which is exactly the same system that we would have, and
8 it's amazing, the technology, amazing how fast that --

9 MAYOR VEGLIANTE: The other thing that it would
10 afford us is if there was an incident in the Village at
11 3:45 a.m. and it went unnoticed until the next day, we
12 will be able to tell you what cars entered and left the
13 Village during that time frame. So we'd have a list of
14 the -- we'd have the information regarding whatever cars
15 drove down our road and back out our road. That will
16 give us a real, you know, head start on an investigation
17 right there. So it's nothing but positive. We just got
18 to get the building done and built and this camera
19 system in.

20 TRUSTEE TRIMARCHI: Right. What's next?

21 MAYOR VEGLIANTE: All right. Joe, do you have
22 anything else?

23 ATTORNEY PROKOP: Yes. So this is the -- this is
24 the beginning of my report.

25 So I wanted to recognize the amount of work that

1 Angela has -- is doing supporting the Village. And with
2 the things that I'm working on, it's really been a
3 pleasure to -- it really is a pleasure to work with her
4 and I appreciate that.

5 I also wanted to thank -- you know, there's
6 somebody that is at these meetings that doesn't get
7 recognition and that's our Village Stenographer, Lucia.
8 And I wanted to mention that Lucia won -- Lucia was
9 recognized by the County for a distinguished achievement
10 award for a number of years of service that she's -- she
11 was actually the -- or is the -- excuse me, the
12 Stenographer for the County Legislature, and which is a
13 really difficult job. And I don't want to -- I don't
14 want to mention the number of years that are involved,
15 but it was a really long time, and it was a very amazing
16 achievement that she -- an award that she got from the
17 County.

18 So the two things I want to -- would like to talk
19 about is -- the first is that we've been focusing on the
20 propane tank list and trying to bring that to a
21 conclusion, and we're -- we're basically down to two
22 groups of people.

23 One group of people is a group of people that
24 said that they were going to be getting a variance, and
25 as of yet, we're not aware that they have applied for a

1 variance. And they -- those people need to do that and
2 then to let the Village know about it.

3 And then the second group of residents is the
4 group that has -- has not responded at all, or initially
5 responded a few years ago and then we never heard back
6 from them again. So that's down to -- Angela and I have
7 been working on, and Bob. Angela and Bob have put in a
8 significant amount of work on this, and now their work
9 is nearing completion. I've been working with Angela in
10 that, in that list.

11 And we get -- I prepared about 12 to 15 remedy
12 orders to go out to this group that either we haven't
13 heard from or we haven't heard in a long time, and I
14 expect that those will go out this week, and then -- or
15 the beginning of next week, given the holiday. And then
16 those people need to do something. And if you get one
17 of those notices, you need to do something, basically.

18 So are there any questions about that from the
19 Board?

20 TRUSTEE CRAIG: So how will you track whether
21 they do something or not?

22 ATTORNEY PROKOP: Bob, Bob and --

23 CLERK SADELI: I have a spread sheet.

24 ATTORNEY PROKOP: Yeah, Angela has a spread
25 sheet. The attorney that's working on this, David

1 Yaffe, also has a spread sheet. His spread sheet is a
2 combination of Angela's and a more legal -- he has a
3 couple of columns that are more legal analysis. And Bob
4 is -- Bob is constantly visiting these sites and
5 checking them for progress.

6 TRUSTEE CRAIG: So when they file to do
7 something, as you said, do they have to notify the
8 Village that they've -- they've acknowledged the receipt
9 of the notice and that they've actually positively
10 reacted?

11 ATTORNEY PROKOP: So we'll have the
12 acknowledgment of the receipt. In order for them to do
13 something, they need a permit, so they -- we would know
14 that they filed a permit.

15 TRUSTEE TRIMARCHI: Hey, Joe.

16 TRUSTEE CRAIG: Is there any kind of timeline
17 that we're putting these people on to do it, or is the
18 State mandating a deadline? I know this has been going
19 on for a half a century, but --

20 ATTORNEY PROKOP: Well, the -- well, no. The
21 State, you know, the State wanted it done, basically, in
22 2016. We're giving the people 30 days, you know, 30
23 days from when the notices go out.

24 TRUSTEE CRAIG: All right.

25 TRUSTEE TRIMARCHI: Joe. Joe, can you hear me?

1 ATTORNEY PROKOP: Yes.

2 TRUSTEE TRIMARCHI: Joe, so, I mean, we -- our
3 last conversation with you, myself and Gary, we were
4 going to get a little bit more aggressive with the
5 Department of State. So where do we stand where you
6 should be reporting on that? Yaffe was supposed to send
7 out a letter that was saying, "We're not in agreement
8 with this and we'll see you in the courtroom."

9 ATTORNEY PROKOP: We did. That letter went
10 out -- that letter was reported on at the last meeting.
11 That letter went out in October and we're waiting for a
12 response from them. We sent -- we sent -- it was about
13 a 13-page letter that went out detailing every gas --

14 TRUSTEE TRIMARCHI: I read it.

15 ATTORNEY PROKOP: -- every gas tank at every
16 house and the reason why they should leave us alone,
17 basically.

18 TRUSTEE TRIMARCHI: Okay. So we're waiting for a
19 response, really.

20 MAYOR VEGLIANTE: Yeah. It will take another
21 year to respond to us and then give us 30 days to answer
22 them back. That's what they've been known to do.

23 ATTORNEY PROKOP: Yeah. Gary Trimarchi, that's
24 actually the point, we may not even get a response. The
25 letter, the letter was very forceful, and the last -- as

1 the Mayor said, the last year -- the last time it took
2 them over a year to figure out what to say in response,
3 so --

4 TRUSTEE TRIMARCHI: But they don't have -- they
5 don't have all the time in the world to respond legally,
6 right? It's going to come to an end when there's no
7 response, they've got to cave. And before you -- when
8 you go before a Judge, I think that's a very good case
9 and strong case for you to argue.

10 ATTORNEY PROKOP: Yes, definitely, it is, yes.

11 TRUSTEE TRIMARCHI: So let's wait and see what
12 these creeps do, because these are bad, bad guys.

13 MAYOR VEGLIANTE: They are very bad. They've
14 treated us poorly, they've done the worst. You know,
15 they don't -- they attempted to trap us, they've lied
16 to us.

17 TRUSTEE TRIMARCHI: Yeah.

18 MAYOR VEGLIANTE: And they put it in writing. So
19 we have -- we have a lot of -- I got to tell you, NYCOM,
20 the New York Conference of Mayors, is astounded by this
21 whole action that they've brought. They just cannot
22 believe, they've never seen anything like it, and I
23 think it's all been motivated politically. You know my
24 position on it, and I think it's all part of a bigger
25 scheme and a private lawsuit that they're trying to

1 developed against the Village. And I think they're
2 being used, but, unfortunately, we got to put up with
3 it. And I think --

4 TRUSTEE TRIMARCHI: Well, that is not our first
5 rodeo with this shit, right?

6 MAYOR VEGLIANTE: It's not our first and it won't
7 be our last. We haven't lost one yet.

8 ATTORNEY PROKOP: Well, we are dealing with it
9 forcefully, and a lot of -- a lot of work has gone
10 onto -- into this in the meantime justifying where --
11 our position, and we all feel, everybody that's involved
12 feels very strong about it.

13 MAYOR VEGLIANTE: I will tell you --

14 TRUSTEE TRIMARCHI: The next letter that should
15 go out would be -- should be for liquidated damages.

16 MAYOR VEGLIANTE: Well, let's wait until we --
17 let's wait until win the case.

18 (Laughter)

19 ATTORNEY PROKOP: Actually, one of the things
20 that has come up is when we -- when we were researching
21 the State regulations before this last letter went out,
22 I found a provision of the State -- the New York
23 Department of State has a provision that it will -- it
24 will actually provide funds to villages in helping them
25 enforce or deal with the New York State regulations. So

1 one of the things which we're contemplating doing is
2 making a recommend -- making an application to the State
3 to try to recover, administratively try to recover some
4 of the money that we've spent on this.

5 TRUSTEE TRIMARCHI: These are bad people.

6 MAYOR VEGLIANTE: Good job, Joe. They're
7 supposed to help us through the regulations, not sue us
8 into submission.

9 ATTORNEY PROKOP: Right.

10 MAYOR VEGLIANTE: But we'll see where it goes. Okay.

11 ATTORNEY PROKOP: So the other thing that I --
12 the other thing I wanted to talk about, I see that
13 Dr. Wang is here, and I don't want to -- he doesn't --
14 he shouldn't have to wait for -- to ask a question to
15 get the status of his situation.

16 MAYOR VEGLIANTE: Yeah.

17 ATTORNEY PROKOP: But we -- the people that own
18 the properties that are subject to the walkway, to the
19 walkway, which is -- I think it's 941 and 9 -- 949 and
20 951, if I'm not mistaken, or 949 A and B. I forget, but
21 those are approximately the addresses.

22 MAYOR VEGLIANTE: Right.

23 ATTORNEY PROKOP: They -- a couple of months ago
24 they retained an attorney that we're familiar with, and
25 he was very positive about assuring us that there would

1 be an expedient resolution of this and of the situation
2 with the walkover. And there was some initial positive
3 energy in it, but it really -- really, nothing has
4 developed, that I'm aware of. So we need to bring it to
5 a conclusion and can no longer have it lingering, hoping
6 that these sides can get together.

7 So my -- I think what I need to do is to talk to
8 the Board again about renewing this, this idea of an
9 eminent domain, just to clear up the title to the
10 walkover, so we can get the County to release the
11 walk -- the lien on Dr. Wang's property.

12 MAYOR VEGLIANTE: The last I heard, Joe, is that
13 the people on the ocean were going to contact the BBPA
14 about an agreement to allow their easement, but I
15 don't -- I haven't heard anything since. So if that's
16 what you think we need to do, let's go forward and do
17 it. We have to clear this issue. We need to maintain
18 the integrity of the settlement, the court order, and we
19 need to get Dr. Wang what he deserves, and that's a free
20 and clear title.

21 ATTORNEY PROKOP: Right. So if it's okay with
22 the Board, when we schedule the next meeting, I'll
23 schedule also the continuation of that hearing that we
24 had. We actually started the eminent domain hearing
25 once at the meeting at the hotel --

1 MAYOR VEGLIANTE: Yeah.

2 ATTORNEY PROKOP: -- several months ago. I think
3 we need to renew that hearing and -- and then bring this
4 to a conclusion that way.

5 TRUSTEE CRAIG: Joe, I'd make a recommendation.
6 If this falls under litigation and is available for
7 Executive Session, I would say let's -- in the interest
8 of time for all the parties involved, let's have an
9 Executive Session as soon as possible. Let's move it
10 forward rather than wait a month.

11 ATTORNEY PROKOP: Okay.

12 MAYOR VEGLIANTE: Yep.

13 ATTORNEY PROKOP: Okay.

14 MAYOR VEGLIANTE: Okay.

15 ATTORNEY PROKOP: Thank you. I don't -- I don't
16 have anything else, unless you have questions.

17 MAYOR VEGLIANTE: Well, we're going to open up
18 the floor to the members -- to the Village residents.

19 TRUSTEE TRIMARCHI: Well, why don't we -- why
20 don't do our --

21 MAYOR VEGLIANTE: Resolutions?

22 TRUSTEE TRIMARCHI: Pay the bills and all that
23 other stuff. Let's get --

24 MAYOR VEGLIANTE: All right. A motion to adopt a
25 resolution approving the properly audited claim vouchers

1 for the Village of West Hampton Dunes. Motion by?

2 TRUSTEE TRIMARCHI: Motion.

3 MAYOR VEGLIANTE: Seconded by?

4 TRUSTEE CRAIG: (Raised Hand)

5 TRUSTEE EFF: John.

6 MAYOR VEGLIANTE: Mike. All in favor?

7 TRUSTEE CRAIG: Aye.

8 TRUSTEE EFF: Aye.

9 TRUSTEE GESSIN: Aye.

10 TRUSTEE TRIMARCHI: Aye.

11 MAYOR VEGLIANTE: Any opposed?

12 (No Response)

13 MAYOR VEGLIANTE: Motion to adopt the resolution
14 waiving, waiving the reading of the minutes of the
15 October meeting. Motion by Mike, seconded by John.

16 TRUSTEE EFF: Yep.

17 MAYOR VEGLIANTE: All in favor?

18 TRUSTEE CRAIG: Aye.

19 TRUSTEE EFF: Aye.

20 TRUSTEE GESSIN: Aye.

21 TRUSTEE TRIMARCHI: Aye.

22 MAYOR VEGLIANTE: Any opposed?

23 (No Response)

24 MAYOR VEGLIANTE: None. Okay.

25 Motion to approve the snow removal contract

1 between the Village of West Hampton Dunes and the
2 Village of Westhampton Beach in the amount of \$15,000.

3 Motion made by Trustee Gessin?

4 TRUSTEE GESSIN: I make a motion.

5 MAYOR VEGLIANTE: Second by?

6 TRUSTEE TRIMARCHI: Second.

7 MAYOR VEGLIANTE: Second by Gary. All in favor?

8 TRUSTEE CRAIG: Aye.

9 TRUSTEE EFF: Aye.

10 TRUSTEE GESSIN: Aye.

11 TRUSTEE TRIMARCHI: Aye.

12 MAYOR VEGLIANTE: None opposed, unanimous.

13 Motion to adopt a resolution to approve the
14 authorization of authorizing the Mayor to sign limited
15 access agreements for the following properties within
16 the Village: 688 Dune Road, Frier; 690 Dune Road, 690
17 Dune Road LLC; 692 Dune Road, Mirochnikoff; 694 Dune
18 Road, Palmer; and 696 Dune Road, 696 LLC. Motion by?

19 TRUSTEE TRIMARCHI: A motion. But, Joe, you got
20 to get the insurance certificates out.

21 MAYOR VEGLIANTE: Gary, I don't think -- yeah, I
22 don't know if you can make that motion.

23 CLERK SADELI: I don't think you can.

24 TRUSTEE TRIMARCHI: Okay. But we got to get
25 insurance certificates out.

1 MAYOR VEGLIANTE: Motion by -- motion by -- we'll
2 discuss that later.

3 TRUSTEE CRAIG: I'll make it.

4 MAYOR VEGLIANTE: By Mike?

5 TRUSTEE TRIMARCHI: Gary.

6 MAYOR VEGLIANTE: Motion by Mike, seconded by
7 anyone. Who's seconding?

8 TRUSTEE EFF: Second.

9 TRUSTEE GESSIN: Second.

10 MAYOR VEGLIANTE: Second by?

11 TRUSTEE TRIMARCHI: Gary.

12 CLERK SADELI: Harvey.

13 MAYOR VEGLIANTE: All in favor? All in favor?

14 TRUSTEE CRAIG: Aye.

15 TRUSTEE EFF: Aye.

16 TRUSTEE GESSIN: Aye.

17 TRUSTEE TRIMARCHI: Aye.

18 MAYOR VEGLIANTE: Opposed?

19 (No Response)

20 MAYOR VEGLIANTE: None.

21 TRUSTEE TRIMARCHI: But, Gary, Gary.

22 MAYOR VEGLIANTE: Yes.

23 TRUSTEE TRIMARCHI: We got to get insurance
24 certificates out, man. You can't make motions and clear
25 these things. You got no insurance certificates out. Joe?

1 ATTORNEY PROKOP: We requested the insurance
2 certificates. There's a cost in doing that. And the
3 insurance certificates will be obtained and circulated
4 prior to the commencement of the project.

5 TRUSTEE TRIMARCHI: So we're approving a project
6 based on the insurance certificates.

7 ATTORNEY PROKOP: No, you didn't approve the
8 project. All you did was you approved --

9 MAYOR VEGLIANTE: No, you need a motion for the
10 access.

11 TRUSTEE TRIMARCHI: You're approving access based
12 on insurance certificates, because nobody's going to let
13 you cross their land without insurance certificates,
14 right?

15 ATTORNEY PROKOP: No. It's in the agreement that
16 we're obligated to get insurance certificates. I'll
17 make sure that we get them and issue them to the
18 homeowners.

19 TRUSTEE TRIMARCHI: Well, you're agreeing with
20 me, then?

21 MAYOR VEGLIANTE: Gary, nobody's disagreeing.
22 The --

23 TRUSTEE TRIMARCHI: No, I just asked if you were
24 agreeing or not agreeing.

25 MAYOR VEGLIANTE: Anybody accessing the property

1 has to be insured by virtue of the contract. We
2 can't --

3 ATTORNEY PROKOP: It's not -- it's not a point of
4 controversy, we don't disagree. I --

5 MAYOR VEGLIANTE: Yeah.

6 TRUSTEE TRIMARCHI: No, no, no. I just don't
7 want to happen what happened last time. There was an
8 insurance certificate agreed to cross the property and
9 the contractor crossed the wrong property. So let's
10 make sure that we have the insurance certificates in
11 place, that's all I'm saying.

12 MAYOR VEGLIANTE: It's in the contract. That has
13 nothing to do with this motion. The contractors have to
14 be insured, that's it.

15 TRUSTEE TRIMARCHI: Right. But the insurance
16 certificates are not out to the residents, to where you
17 want to cross their property. Get the insurance
18 certificates, Joe, come on.

19 ATTORNEY PROKOP: The contractor doing the work
20 on the wrong property didn't -- wasn't because of the
21 insurance, but --

22 TRUSTEE TRIMARCHI: Okay. I'm not making a big
23 deal about that, but, Joe, let's --

24 ATTORNEY PROKOP: I will take care of it.

25 TRUSTEE TRIMARCHI: Are we going to issue

1 insurance certificates to the property owners that you
2 are going to cross their property?

3 ATTORNEY PROKOP: Yes.

4 TRUSTEE TRIMARCHI: Okay. Before we commence work?

5 ATTORNEY PROKOP: Yes.

6 TRUSTEE GESSIN: Yes.

7 TRUSTEE TRIMARCHI: Okay. That's all I need to know.

8 ATTORNEY PROKOP: Okay.

9 CLERK SADELI: Do we have to do a motion --

10 TRUSTEE TRIMARCHI: Or we get sued.

11 CLERK SADELI: -- for the stop-arm cameras?

12 MAYOR VEGLIANTE: We have to do a motion for the
13 stop-arm. Motion for the stop-arm camera on the school bus.

14 TRUSTEE CRAIG: Yeah, I'll make that.

15 TRUSTEE EFF: A motion.

16 MAYOR VEGLIANTE: Mike makes it. Seconded by John?

17 TRUSTEE EFF: Yes.

18 MAYOR VEGLIANTE: All in favor?

19 TRUSTEE CRAIG: Aye.

20 TRUSTEE EFF: Aye.

21 TRUSTEE GESSIN: Aye.

22 TRUSTEE TRIMARCHI: Aye.

23 ATTORNEY PROKOP: Angela, did we do a resolution
24 on the agreement with Westhampton Beach for Mutual --

25 MAYOR VEGLIANTE: Mutual Aid Agreement, MUA?

1 CLERK SADELI: No.

2 ATTORNEY PROKOP: Okay.

3 TRUSTEE EFF: I'll make the motion.

4 MAYOR VEGLIANTE: Motion for Mutual Aid Agreement
5 between Westhampton Beach and West Hampton Dunes made by
6 John. Seconded by?

7 TRUSTEE GESSIN: I'll second.

8 CLERK SADELI: Harvey.

9 MAYOR VEGLIANTE: All in favor?

10 TRUSTEE CRAIG: Aye.

11 TRUSTEE EFF: Aye.

12 TRUSTEE GESSIN: Aye.

13 TRUSTEE TRIMARCHI: Aye.

14 MAYOR VEGLIANTE: None opposed.

15 ATTORNEY PROKOP: Can we have a resolution to
16 recommence the public hearing on the eminent domain
17 acquisition of the two easements on -- I think it's the
18 Rinn and the Feeney properties. That was --

19 CLERK SADELI: 949 A and B.

20 ATTORNEY PROKOP: Yeah. That was adjourned
21 previously.

22 TRUSTEE TRIMARCHI: Yes, motion.

23 MAYOR VEGLIANTE: Second?

24 TRUSTEE GESSIN: Aye.

25 CLERK SADELI: Harvey.

1 MAYOR VEGLIANTE: All in favor?

2 TRUSTEE CRAIG: Aye.

3 TRUSTEE EFF: Aye.

4 TRUSTEE GESSIN: Aye.

5 TRUSTEE TRIMARCHI: Aye.

6 ATTORNEY PROKOP: Thank you.

7 MAYOR VEGLIANTE: That will be in lieu of if they
8 don't complete it by a certain amount of time.

9 ATTORNEY PROKOP: Right, yes.

10 MAYOR VEGLIANTE: I don't want to spend money on
11 another motion, another action, unless -- and then have
12 them come up with an answer two days later. But we
13 will -- we'll get it going as fast as we can.

14 What else? Anything else up that we need
15 motions on?

16 CLERK SADELI: Does anybody --

17 MAYOR VEGLIANTE: Greg is on. Let Greg speak.

18 MR. RINN: Can you hear me?

19 MAYOR VEGLIANTE: Yes.

20 CLERK SADELI: Yes.

21 MR. RINN: We had, I guess my --

22 CLERK SADELI: Can you just state your name for
23 the Stenographer, please?

24 MR. RINN: This is Greg Rinn. My counsel had
25 spoken to Gary, I believe, last week, and I thought

1 there was progress on the matter, and now the matter's
2 been accelerated back to the condemnation. It kind of
3 hit me by surprise. Gary, I thought you had spoken to
4 Chris Kent, Chris the other day.

5 MAYOR VEGLIANTE: I spoke with Chris, but I got
6 nothing back. You know --

7 MR. RINN: Just to drop everything, we spent a
8 considerable amount of time and money on this.

9 MAYOR VEGLIANTE: Yeah.

10 MR. RINN: And to drop everything without getting
11 fair notice --

12 MAYOR VEGLIANTE: No, no, wait.

13 ATTORNEY PROKOP: No, actually -- actually, we
14 spoke. The conversation with your attorney started
15 three or four months ago.

16 MR. RINN: Okay.

17 ATTORNEY PROKOP: One of the things that he
18 promised, that you also promised, was that you would
19 give us a map of where the -- your proposed easement was
20 on the BBA -- BBPA property. I don't think that we've
21 ever received that.

22 MR. RINN: See, that was in Executive Session,
23 given to you about a year ago. I can get it to you
24 again, it's not a problem. That was given to you.

25 ATTORNEY PROKOP: But anyway --

1 MR. RINN: And that was never communicated to me,
2 so if my counsel didn't give it to me, I'd ask deference
3 that I'd be given the opportunity to answer and respond
4 in a timely manner, rather than opening this whole thing
5 up to condemn me next meeting.

6 MAYOR VEGLIANTE: No, no.

7 MR. RINN: That's not fair.

8 MAYOR VEGLIANTE: Greg, first of all, that's not
9 what was said. We were going to start the process
10 again. But, certainly, as I said, we want to get this
11 done, we want to get it done, period, but we don't want
12 to spend money where we don't have to spend money. So --

13 MR. RINN: And, I mean, if my counsel has not
14 been forthcoming in a timely manner, please, I will get
15 him to move forward. But, you know, we thought this was
16 proceeding. He had reached out to the County counsel.

17 MAYOR VEGLIANTE: Yeah.

18 MR. RINN: The County had provided a letter that
19 they went back to the Village back to 1998, I believe,
20 coming forward, and they had a -- there is a plan and
21 path of settlement. And to reopening this, you know,
22 just because one of the other homeowners is -- you know,
23 is not moving quick enough.

24 We're spending money out of our pocket, two
25 different counsel at Farrell Fritz, and we have a

1 counsel now that's finally got this thing up and
2 running, and to -- I would respectfully request that the
3 Board give us some deference and give us a month or two
4 to get the -- I didn't know he didn't respond that
5 quickly, and I apologize, Joe. I was under the
6 impression, when he spoke to Gary on Tuesday, that
7 things are moving quickly and forward. I guess it
8 didn't happen that way. But I would respectfully
9 request either a month or two, just time. It's been
10 eight years, two months isn't going to kill you.

11 MAYOR VEGLIANTE: I'm willing to do that. But
12 you got to tell Chris he's got to get going. We got to
13 do -- I mean --

14 MR. RINN: My apologies. I told him. That's why
15 you and I were on the phone last week chasing him.

16 MAYOR VEGLIANTE: He'll be very effective, but we
17 really need some movement on this.

18 MR. RINN: So I respectfully request not an
19 immediate -- not to reaccelerate this immediately.

20 ATTORNEY PROKOP: Well, I think our next
21 scheduled meeting is going to be in January, if I'm not
22 mistaken, so --

23 CLERK SADELI: Right.

24 ATTORNEY PROKOP: That gives you another -- a
25 month-and-a-half, basically, or two months, basically,

1 to deal with this. So I --

2 MR. RINN: And I think -- and, also, another
3 thing, just a housekeeping matter. Joe, you can speak
4 to me directly and communicate directly, even though
5 I've been represented by counsel. Elizabeth Vail at
6 Farrell Fritz had communicated that. But, please, this
7 going back and forth through other counsel, look at
8 this, this is case in point right here. Gary was asking
9 me for me to get on to my counsel to speak to him and
10 that shouldn't be that way. If there's an issue,
11 gentlemen, whether it's Joe or Gary, please, contact me
12 directly. I am an attorney, but I have -- I'm trying to
13 get Chris to come to a resolution that makes everybody
14 happy in this matter.

15 MAYOR VEGLIANTE: Well, do you know if Chris has
16 spoken with the BBPA about --

17 MR. RINN: I believe he was reaching out to you
18 on Tuesday so that he could find a proper person, which
19 I believe was going to be a --

20 MAYOR VEGLIANTE: I told him to speak -- I think
21 it was last week. It wasn't this Tuesday, was it?

22 MR. RINN: And, also, if we look back in the
23 whole host of the history of going back, the BBPA is
24 actually a party to the (audio malfunction).

25 MAYOR VEGLIANTE: I'm sorry, BBPA is what?

1 MR. RINN: Is really part and parcel and party to
2 this whole swapping of properties and walkovers back,
3 you know, back to 1994 and so forth.

4 (Audio Interference)

5 TRUSTEE CRAIG: Mute Gary.

6 MAYOR VEGLIANTE: I know.

7 MR. RINN: Okay.

8 MAYOR VEGLIANTE: All right.

9 MR. RINN: So I would just respectfully request
10 if we could add a couple of more months onto this before
11 we start this up again, so I could get my ducks in
12 a row.

13 ATTORNEY PROKOP: Well, I think the timeline that
14 we -- the timeline the Board agreed to tonight gives you
15 two months to do something, so --

16 MR. RINN: I don't think the Board is totally --
17 I mean, I know they -- I know they agreed to it, but I
18 don't know. I could participate in Executive Session at
19 the Board's -- you know, I've got some additional
20 information in the file, and we just have to put a lot
21 of different part -- pieces and parts in place and it's
22 difficult, and we've been the one running the football
23 on this --

24 MAYOR VEGLIANTE: Well, it --

25 MR. RINN: -- and spending money.

1 MAYOR VEGLIANTE: I'm very willing. If you show
2 us some real movement, I'm very willing to keep this
3 going along, but we just need real movement. So tell
4 Chris to get going and get in touch with the BBPA and
5 see what they can do. And get a proposal that has some
6 legs on it, and we'll be able to figure out how long
7 it's going to take, because, frankly, it's just going on
8 and on and on. We really got to get this done for you
9 and for us. I mean, believe me, we don't want to be
10 adversarial in your position, we want to get this thing
11 resolved, and, you know, reasonably. So we're not
12 looking at to hack it up. Whatever we got to do, let's
13 just get it done.

14 MR. RINN: Okay.

15 MAYOR VEGLIANTE: All right?

16 MR. RINN: So I could speak to Joe, we can
17 communicate directly. What else do I owe you? You need
18 a map, you said?

19 ATTORNEY PROKOP: The map of where you wanted to
20 have the easement on the BBPA property.

21 MR. RINN: Okay.

22 ATTORNEY PROKOP: But, you know, Chris, Chris
23 needs to wrap this up. I know, I know that he's got the
24 willpower to do it, so he just needs to get it going and
25 get -- wrap it up.

1 MAYOR VEGLIANTE: I also told, Greg, and I
2 recall, I told Chris to contact Jim Hulme, who he knows
3 personally and for many years. So find out if he's
4 called Jim. Jim generally represents the BBPA, but
5 he'll be able to guide him along.

6 MR. RINN: One of the other paths we were going
7 down was to condemn the BBPA piece of property.

8 MAYOR VEGLIANTE: We will examine everything. We
9 need a plan.

10 MR. RINN: Right. Well, I guess Chris laid out a
11 plan, he's just got to get cracking. I mean, that's the
12 impression I get.

13 MAYOR VEGLIANTE: I had lunch with Jim today and
14 I don't believe Chris has spoken to him yet.

15 MR. RINN: Okay, then that's on me.

16 MAYOR VEGLIANTE: You got to get him -- you know,
17 you got to get him on the stick.

18 MR. RINN: All right.

19 MAYOR VEGLIANTE: All right. And, Greg, if Jim
20 no longer represents the BBPA -- I didn't ask Jim,
21 because I didn't want to contaminate this at all. If
22 Jim doesn't represent the BBPA, then we've got to figure
23 out what's next. But he's got to get on the -- he's got
24 to get this thing moving.

25 MR. RINN: Okay.

1 MAYOR VEGLIANTE: All right?

2 ATTORNEY PROKOP: Thank you, Greg. Thank you, Greg.

3 MR. RINN: Yep.

4 MAYOR VEGLIANTE: All right, Greg.

5 All right. We're going to open it up to the
6 floor. Anybody want to comment or make -- have some
7 questions for the Board or the Constabulary or any of
8 us? Let's go, open it up to the floor, Ang.

9 CLERK SADELI: I have -- Nonnie Gerber has her
10 hand raised, so I'm going to unmute here.

11 MAYOR VEGLIANTE: Okay.

12 MS. GERBER: Hi. Thank you very much. First of
13 all, so it's Nonnie Gerber at 876 Dune. And happy early
14 Thanksgiving to everyone.

15 MAYOR VEGLIANTE: Thank you.

16 MS. GERBER: I bring this up with the support of
17 neighbors and friends who share my concern. We are
18 wondering if there's any way that you could get
19 involved, Gary, in terms of the fact that the
20 Post Office has stopped delivery of all mail, as well as
21 packages. And given COVID and the fact that so many
22 more people are living out here through the winter, we
23 were wondering if there's any way at all that you could
24 get involved in this?

25 MAYOR VEGLIANTE: Well, yeah. As you know, in

1 the past, we've tried this many times over the last 35
2 years. But I think that you bring up two valid points.
3 The COVID issue may -- may give us some more leverage.
4 Let me talk -- I'll talk to our Postmaster and see what
5 they have to say, and if they -- if they're
6 unresponsive, I -- you know, Lee Zeldin has been a very
7 good Federal representative and maybe I can get Lee
8 involved and see if he can influence them to do
9 something. But I think you're right, because of the
10 COVID issue, this may give us a little more ammo,
11 because up until that, there's been no way to move them.

12 MS. GERBER: Okay. Because even after the start
13 of COVID, like in April, they started at least
14 delivering packages.

15 MAYOR VEGLIANTE: Yes.

16 MS. GERBER: So even if they could do that again,
17 that would be something I think a lot of us would be
18 very grateful for.

19 MAYOR VEGLIANTE: Yeah, it's very important. And
20 the fact that we are much more populated, and it's not
21 just us, it's up and down Dune Road in general, there's
22 far more people staying out through the winter, maybe
23 we'll have some leverage. Maybe the local Postmaster
24 will make a suggestion, or tell us who we have to speak
25 to to get his authorization to do it, so we may have a

1 shot. And if not, then we can always go to Lee Zeldin.
2 He's been a very responsible Congress member to us, so
3 I'll give it a shot.

4 MS. GERBER: Okay. Thank you. Thank you so very
5 much.

6 MAYOR VEGLIANTE: That's a good idea. Thank you,
7 Nonnie.

8 DR. BRENNER: What?

9 MRS. BRENNER: Share a screen?

10 DR. BRENNER: No. You want to talk, talk.
11 Hello. Can anybody hear me?

12 MAYOR VEGLIANTE: Go ahead and talk.

13 CLERK SADELI: Yes, we can hear you. Go ahead,
14 Mr. Brenner.

15 MAYOR VEGLIANTE: I heard you already.

16 DR. BRENNER: Hi.

17 MAYOR VEGLIANTE: But go right ahead.

18 DR. BRENNER: Okay. I just --

19 CLERK SADELI: Can you just announce yourself?

20 DR. BRENNER: Steve Brenner, 8 Dune Lane. And I
21 would just like to come back to the issue of the kayaks,
22 which I had commented to Gary about, and I thank him for
23 bringing this up at the meeting.

24 Just a couple of things, because I have a vested
25 interest, because my property is just adjacent to the

1 property that belongs to the water company and the
2 walkway, which we've been here for some 36 years and
3 have had no issue up until this year with it. So I'd
4 just like to state a couple of things that need to
5 be said.

6 Number one, this was an unusual summer in that
7 there were no camps. So there were people who rented
8 houses out here who brought their kids out and they used
9 the bay as their water activity, which was a lovely
10 thing, there was no argument about that. But with that,
11 they came down with an enormous number of little kayaks
12 for the kids, which were left along the shore. And
13 there probably were maybe seven or eight of them, which
14 were there for the entire summer. And, as a matter of
15 fact, I think some of them are still there that people
16 just left and they didn't take their kayaks. So they're
17 still there. And if somebody would go down the walkway,
18 you would see that there are probably still about ten
19 kayaks there, and about three of them are on my
20 property, which I'm not going to remove, because I don't
21 think that's my parlance to do that, but in some manner
22 those should be taken off the -- off the property.

23 The second issue is that a number of people bring
24 their catamarans and they leave them at the shore. One
25 of our residents of the Village has had his catamaran

1 there for 15 years. For about eight of those years, he
2 didn't use it and it just stayed there. Now he's
3 rehabilitated it. And I had a conversation with him
4 last week and said he plans to leave his boat there over
5 the wintertime. Now I don't think that's appropriate.
6 He has water on the property -- a house on the water.
7 That boat should not be just left there for 12 months
8 out of the year.

9 And since that is there, there's another person
10 who also has a boat. Their boat is now there and it's
11 staying there the same. They took their masks off, and
12 I assume they're going to leave that there over the --
13 over the wintertime.

14 I have a personal interest, because, you know, I
15 sit on my deck and it's not very pretty to see five
16 kayaks piled up, and to see all the seagrass disappear,
17 because the grass is being eroded by all of the kayaks.
18 In addition to which there were at least two people over
19 the summertime who rented houses and brought their
20 jet ski up on a set of wheels and just left them at
21 the -- at the waterfront. I don't think that's
22 appropriate either. Okay?

23 So that's my little beef about this. And you've
24 acted to deal with it and I appreciate that very much,
25 and I'm sure you people will get it done. My only

1 question is how do you communicate this to all the
2 people in the Village?

3 (Audio Interference)

4 TRUSTEE CRAIG: Mute Gary.

5 MAYOR VEGLIANTE: One of the things that -- first
6 of all, you have to -- we can -- we can create a fine
7 structure, whereby if you overnight a boat on the
8 shoreline you violate a Village ordinance. I -- you
9 know, because of the Public Trust Doctrine, that gives
10 everyone the right to pass and repass between mean
11 high --

12 (Audio Interference)

13 MAYOR VEGLIANTE: Mute whoever's making that
14 noise.

15 TRUSTEE CRAIG: Gary Trimarchi, I think that's
16 coming from you.

17 MAYOR VEGLIANTE: So, basically, I think, Steve
18 we have a mechanism by which we can stop overnight
19 storage, and especially long-term storage. I got to
20 tell you, if I had boat, I wouldn't leave it there over
21 the winter and expect to find it in the spring, because,
22 as you know the summer tides, the winter tides will carry
23 much of it away. But the fact is we can probably
24 regulate overnight -- actually, we couldn't regulate
25 beaching of a boat during the day, because by the Public

1 Trust Doctrine, you always have the right to run a boat
2 aground during the day under emergency status, whatever
3 you want. You can claim, "I needed to beach the boat
4 because it was sinking," or, "I was not well." But
5 overnight, we can probably -- we could probably regulate
6 it. And just give people the idea that they shouldn't
7 be doing it I think will generally help motivate them to
8 not do it.

9 DR. BRENNER: You know, Gary, there --

10 MAYOR VEGLIANTE: Yeah, go ahead.

11 DR. BRENNER: There are people who come over by
12 boat --

13 MAYOR VEGLIANTE: Yeah.

14 DR. BRENNER: -- anchor the boat, and go on the
15 beach and leave their boat there. There's no problem
16 with that.

17 MAYOR VEGLIANTE: Yeah, yeah.

18 DR. BRENNER: People have done that for years,
19 there's no issue with that.

20 MAYOR VEGLIANTE: No, I understand.

21 DR. BRENNER: No, they should be. People, this
22 is public property, they have a right to enjoy that
23 beach.

24 MAYOR VEGLIANTE: Right.

25 DR. BRENNER: There's no argument with that.

1 MAYOR VEGLIANTE: I understand. As far as the
2 boats on your property, Gary -- Steve, I think we can --
3 you could report -- we could report that to the
4 Constables. And, Brian, are you on?

5 SERGEANT HENNIG: Yeah.

6 CLERK SADELI: He is.

7 SERGEANT HENNIG: Yeah. Gary, what I was going
8 to say, Dr. Brenner, if you want, on Thursday morning,
9 whatever time works for you, give me a call. Let me
10 know the information of the people who own these vessels
11 and we'll speak to them directly. Go ahead, Doc.

12 DR. BRENNER: Thank you. But I have no knowledge
13 of who owns these boats.

14 SERGEANT HENNIG: All right. Because you said
15 you had conversations with them, Dr. Brenner, right?

16 DR. BRENNER: No, no, no. The only --

17 MAYOR VEGLIANTE: No, that's the catamaran.

18 DR. BRENNER: The only person I had a
19 conversation was with the gentleman who owned the
20 catamaran, who's been out there for the same amount of
21 time --

22 SERGEANT HENNIG: Okay.

23 DR. BRENNER: -- that I've been there. But, you
24 know, he's a friend, he's not an enemy, you know.

25 MAYOR VEGLIANTE: Yeah, I know.

1 SERGEANT HENNIG: Right.

2 DR. BRENNER: All right? I mean, you know, it's
3 like monkey see, monkey does.

4 MAYOR VEGLIANTE: Right. No, I --

5 DR. BRENNER: Somebody sees a boat there --

6 SERGEANT HENNIG: Right.

7 DR. BRENNER: -- somebody else comes and they put
8 the boat there, right?

9 MAYOR VEGLIANTE: Brian.

10 SERGEANT HENNIG: Right. Dr. Brenner, if the
11 boat -- if any of the vessels that you're speaking of
12 have registration numbers, I can run them on the
13 computer or I could find out who owns them. If they're
14 not registered vessels, you know, like kayaks and
15 things, it will be much more difficult to figure out
16 whose is whose. But are you -- are you going to be
17 around on Thursday?

18 DR. BRENNER: I certainly will be, Brian, yes.

19 MAYOR VEGLIANTE: Yeah, Brian, go ahead.

20 SERGEANT HENNIG: I'm going to -- I'm going to
21 stop over and I'll --

22 DR. BRENNER: Thank you.

23 SERGEANT HENNIG: Yes, absolutely, and we'll
24 figure this out, Doc.

25 DR. BRENNER: We'll be there all day, absolutely.

1 MAYOR VEGLIANTE: Yes.

2 SERGEANT HENNIG: Okay, sounds good.

3 MAYOR VEGLIANTE: I'll call you tomorrow. I'll
4 call you tomorrow and discuss what I think you can do.
5 We'll get this fixed, Steve.

6 DR. BRENNER: Okay. Thank you. All right. I
7 appreciate it. And thank you, Gary.

8 MAYOR VEGLIANTE: No problem.

9 DR. BRENNER: Thank you for bringing it up.
10 Right, okay. Bye.

11 MAYOR VEGLIANTE: Okay. Who else is up?

12 MR. GREEN: Gary.

13 MAYOR VEGLIANTE: Yes.

14 MR. GREEN: Yeah, I'm the one who owns the
15 catamaran, and Steve and I are friends.

16 MAYOR VEGLIANTE: I know that.

17 MR. GREEN: It's been where it is for 15 years,
18 as he mentioned. I go into the weeds, I haven't
19 disturbed anything. In fact, there's a platform there
20 to put it on. So all I can say is this. Where I am, I
21 can't pull it up, because I really don't have enough
22 room. So I leave it there, it's been there for many
23 years. Nobody's ever complained before. And I --
24 granted, there are a lot of kayaks there, and that may
25 be a hazard to some degree. But, on the other hand,

1 live and let live, and people have been doing this for
2 years. And it's to me a nuisance thing that I would
3 have to haul all this away.

4 MAYOR VEGLIANTE: Oh, no. I think we'll be able
5 to work this out, Alan.

6 MR. GREEN: Okay. Thank you.

7 MAYOR VEGLIANTE: Okay. Thank you. We'll speak
8 with you during the week.

9 CLERK SADELI: Anybody else want to raise their
10 hand and I'll unmute you?

11 (No Response)

12 TRUSTEE TRIMARCHI: Okay, we're done.

13 MAYOR VEGLIANTE: No other comments? Last call.

14 (No Response)

15 TRUSTEE TRIMARCHI: Motion to adjourn.

16 MAYOR VEGLIANTE: All right. Before that, I just
17 want to wish everyone a happy and a healthy and a very
18 blessed Thanksgiving. Hopefully, by next Thanksgiving,
19 none of these problems will be on our plate. Be well,
20 be healthy. Let's get over this.

21 SERGEANT HENNIG: Yes, from your mouth.

22 MAYOR VEGLIANTE: I know, I know. And don't
23 forget, we're in the office every day of the week. If
24 you have any other issues, you call us any time, we'll
25 see what we could do.

1 Okay. Motion to adjourn.

2 CLERK SADELI: Happy Thanksgiving, everyone.

3 TRUSTEE TRIMARCHI: Have a good Thanksgiving,
4 everyone.

5 ATTORNEY PROKOP: Happy Thanksgiving.

6 CLERK SADELI: We just need a motion to adjourn
7 the meeting.

8 MAYOR VEGLIANTE: Who seconds it?

9 TRUSTEE EFF: I'll make the motion.

10 CLERK SADELI: Gary made it, John seconded. All
11 right.

12 MAYOR VEGLIANTE: All in favor?

13 TRUSTEE CRAIG: Aye.

14 TRUSTEE EFF: Aye.

15 TRUSTEE GESSIN: Aye.

16 TRUSTEE TRIMARCHI: Aye.

17 ATTORNEY PROKOP: Aye.

18 MAYOR VEGLIANTE: None opposed. Okay, everyone,
19 thank you very much for attending, and I'll see you
20 tomorrow, Angela.

21 CLERK SADELI: Sounds good.

22 TRUSTEE TRIMARCHI: Happy Thanksgiving.

23 MAYOR VEGLIANTE: Happy Thanksgiving, everybody.

24 (The meeting was adjourned at 9:12 p.m.)
